

THE MADISON

LOFT + AUDITORIUM

The Madison Loft + Auditorium marries the historic charm of Detroit architecture with modern industrial elegance to create an unforgettable event space.

The first space is a state-of-the-art, 130-seat auditorium that's ideal for presentations or trainings, wedding ceremonies, fireside chats and screenings. The second space, adjacent to the auditorium, is a loft area that accommodates up to 180 guests. The space features an industrial feel, complete with exposed brick and beams, high ceilings and oversized windows. The area is endlessly flexible in its ability to accommodate events of all kinds.
