

16TH FLOOR EVENT SPACE

AT ONE CAMPUS MARTIUS

Sitting high atop One Campus Martius is Bedrock's newest event space. With expansive views of downtown Detroit, this 16th floor venue is perfect for conferences, meetings, fundraising events and social gatherings.

The main event area offers more than 7,800 square feet of flexible space, which can be used as one large event space or divided into three smaller rooms. It's fully equipped with state-of-the-art audio-visual equipment, including 16-foot-high acoustic walls and ceilings. The adjacent pre-function space offers a space equal in size to the main event area, providing the perfect setting for event registration, meeting breaks, cocktail receptions, food stations and more.

The 5,500-square-foot outdoor, wrap-around terrace overlooks the city's bustling Central Business District and is an ideal backdrop for any event.
