7. Keeping Your Account Safe

- 7.1. You must ensure you and your users take reasonable steps to keep the personalised security credentials for accessing the Tide Platform safe and confidential. You must notify Tide without delay on becoming aware of the loss, theft, misappropriation or unauthorised access to or use of your personalised security

credentials for the Tide Platform and the Tide Instant Saver Account by freezing your access to the Tide Platform and the Tide Instant Saver Account (as the case may be) using the functionality on the Tide Platform or by contacting Tide using the member support function on the Tide Platform. If someone makes an unauthorised payment because you've failed to do this, we won't normally refund the payment.

8. Paying Money Into And Withdrawing Money From Your Account

- 8.1. Your Tide Instant Saver Account is not a current account, so it cannot be used for everyday use, such as for day-to-day spending or receiving or sending money to other people. This also means that payments, like wages, salary, benefits or pension payments should not be paid into it.
- 8.2. Before you can pay into your Tide Instant Saver Account, you must link it to a nominated account ("Nominated Account"). If you have chosen to open a Tide Business Account this will be your Nominated Account. However, you may choose to connect a pound sterling denominated business current account provided by another bank or financial institution and held solely in the name of your business ("Non-Tide Account") to the Tide Platform, through open banking. If you do not hold a Tide Business Account and you did not connect a Non-Tide Account through open banking, you may manually provide the details of a Non-Tide Account to serve as your Nominated Account. You will need the account number and sort code of the account you want to set up as your Nominated Account. In certain circumstances, we may need additional documentation to verify the Nominated Account held in your name.
- 8.3. You may only have one Nominated Account. You can exchange your Nominated Account by contacting Tide member services via the Tide Platform.
- 8.4. We will credit your Tide Instant Saver Account as soon as we receive the transfer from your Nominated Account and update your balance.
- 8.5. We will return any funds received into your Tide Instant Saver Account from an account other than your Nominated Account. There may also be times when we have to stop money coming into your Tide Instant Saver Account for legal or regulatory reasons.
- 8.6. You can make transfers from your Tide Instant Saver Account by bank transfer to your Nominated Account only. You can give us instructions and consent to a transfer from your Tide Instant Saver Account through the Tide Platform, including by providing all the information requested.
- 8.7. As we start processing your transfer instructions as soon as we receive them, it is not possible to cancel your instructions once they have been made. However, if you have instructed us to make a transfer at some time in the future, you can revoke this instruction through the Tide Platform at any time before the day on which the transfer is scheduled to take place. Transfers to and from the Tide Instant Saver Account can be made 24/7, 365 days of the year (or 366 days for a leap year) and transfers will be received into your Nominated Account or your Tide Instant Saver Account, as the case may be, usually immediately and, in any case, no later than the working day following the day on which your transfer instruction is processed by us.
- 8.8. We'll follow your transfer instructions, unless:
 - a) we need to ask you for further information to complete the transfer and you don't provide it to us;
 - b) you don't have enough money in your Tide Instant Saver Account to make the transfer;
 - c) we reasonably believe that you did not give the instruction or that it could be fraudulent or related to criminal activity;
 - d) we think the instructions are unclear;
 - e) we reasonably believe that making the transfer would cause us to breach any law or regulation that applies to us; or
 - f) you've broken any of these Tide Instant Saver Terms with ClearBank in a serious way.
- 8.9. Sometimes we or Tide need to make checks or ask you for further information before we can carry out a transfer instruction, which may delay the transfer.
- 8.10. Unless we are prevented by a legal, regulatory or security reason, you'll be notified through the Tide

Platform when an instruction hasn't been followed. Where possible, we'll tell you why this has happened and how you can resolve the issue.

9. Interest

- 9.1. The interest rate you receive is set out in your Summary Box and is equal to the applicable Bank of England ("BoE") Base Rate minus a certain percentage as indicated in your Summary Box (the "Percentage") , (also referred to as the "Tide Margin" in some of the Summary Boxes) plus any promotional or boost rates offered from time to time ('Promotional Rate'). The addition of a Promotional Rate may mean that the total interest rate you receive is above the Bank of England Base Rate (gross).
- 9.2. ClearBank places funds held in the Tide Instant Saver Account with the BoE and expects to generate interest from the BoE on those funds. The amount of interest payable by the BoE is variable and, subject to the amount of interest paid by the BoE being sufficient, you will receive interest on funds held in the Tide Instant Saver Account based on the calculation in section 9.1 . You will not earn interest on the interest accrued on your Tide Instant Saver Account unless otherwise provided in your Summary Box.
- 9.3. Market conditions may result in negative interest being applied to your Tide Instant Saver Account. If this happens, instead of earning interest on the funds in your account, interest will be deducted from your account.
- 9.4. You can find details about the applicable interest rate in your Summary Box document in addition to details about our obligations to notify you in the event that the applicable interest rate changes.

10. Fees

- 11.3. Further investigation of your claim for a refund may be required to check that you're entitled to a refund.
