Any changes to your details should be made using the Tide Platform. You must make sure that the full legal name of your account is correct, accurate and up to date at all times. You are responsible for ensuring the accuracy and completeness of all details provided by you. We are not liable for any loss you may incur which results from incorrect and/or incomplete information provided by you.

5. CHANGING THIS AGREEMENT

5.1 Why we can make changes

We can make changes to these ClearBank Account Terms for a number of reasons, including because:

- a. we're changing our charges, rates or limits;
- b. we're making changes to the way the account operates or its features, or we're introducing new services relating to the account;
- c. we need to make changes because of changes to technology, the systems we use or our relationship with other providers that help us to run the account;

- d. we believe this is necessary to reflect changes in banking industry standards or market practice;
- e. it is necessary to comply with a change in law, regulation or related guidance; or
- f. a Financial Ombudsman or court decision means that we reasonably think that the agreement requires changes to make sure that we are complying with that decision.

If we need to change these ClearBank Account Terms for any other reason, notice of the change and the reasons why will be provided to you by Tide.

5.2 Telling you about changes

You will be given at least two (2) months' notice of any changes to these ClearBank Account Terms. The date when the change will take effect will be included in the notice.

In some cases, you may not be notified in advance of a change being made, for example:

- a. if we reasonably think that the change benefits you;
- b. if we make a change to comply with law, regulation or related guidance and we're not reasonably able to provide advance notice; or
- c. if there are minor changes to the Tide Platform, the Tide Business Account, the Tide Instant Saver Account or the Tide Cards or the way the Tide Account Services are provided to you, that do not affect the quality or the functions of such service, or your rights under these ClearBank Account Terms.

Unless you've told Tide otherwise before the change takes place, we'll assume that you've accepted it.

5.3 If you're not happy with the changes

If you don't want to accept the changes, you can close your Tide Business Account and your Tide Instant Saver Account at any time before the change takes place, by contacting the Tide member support team.

We won't charge you for closing your account in these circumstances and the account will continue to function in accordance with section 10 until the date on which it is closed.

- 5.4** You can request a copy of these ClearBank Account Terms at any time by getting in touch with Tide member support team.

6. INFORMATION ABOUT YOUR ACCOUNT

Statements and other information about your accounts, including details of payments and interest earned, are available through the Tide Platform. You will be notified by Tide when your monthly statement is available on the Tide Platform to view and download. You can ask the Tide member support team for copies of the statements at any time, but there may be a charge. Details of all fees relevant to your account can be found in section 16 of these ClearBank Account Terms.

7. YOUR TIDE CARD

- 7.1** The Tide Card is a pre-paid Mastercard issued and provided to you by Tide. Your Tide Card (including any secondary Tide Cards held by additional cardholders) is linked to your main Tide Business Account (excluding your Tide Tax Account (as defined at paragraph 13.1), if applicable) solely for your use (and any additional cardholders' use).
- 7.2** Terms relating to your use (and any additional cardholders' use) of the Tide Card are covered by your Tide Terms. Tide (and not ClearBank) is responsible to you for providing all the services related to your use of the Tide Card.
- 7.3** When you use your Tide Card(s), we will automatically take the amount of the relevant card payment from your main Tide Business Account, and in the case of refunds, we will pay the amount back into your main Tide Business Account. You are responsible for ensuring you have enough money in your main Tide Business Account for any card payments made using your Tide Card. You authorise us on an ongoing basis, immediately upon notification from Tide, to transfer a corresponding amount from your main Tide Business Account to your Tide Card in order to fund each card payment made

using your Tide Card; we will make this transfer immediately and, on a transaction-by-transaction basis and you will not be able to cancel a transfer to Tide. If there are insufficient funds in your main Tide Business Account, we will not make the transfer unless we are obliged to make it (such as offline transactions), which may result in your Tide Card payment being declined. To request a cancellation or a refund, you will need to contact Tide or the relevant merchant.

- 7.4** We will ensure that refunds of card payments are credited to your main Tide Business Account immediately upon receipt of the corresponding funds from Tide.
- 7.5** Where notified to do so by Tide, we may place a block on funds held in your main Tide Business Account for an amount corresponding to the amount of any card payment authorised by you but not yet cleared. We will remove any such block immediately upon being advised to do so by Tide.

8. KEEPING YOUR ACCOUNT SAFE

You must ensure you and your users take reasonable steps to keep the personalised security credentials for accessing the Tide Platform safe and confidential. You must notify Tide without delay on becoming aware of the loss, theft, misappropriation or unauthorised access to or use of your personalised security credentials for the Tide Platform, Tide Business Account, Tide Instant Saver Account and/or your Tide Card (as the case may be) by freezing your access to the Tide Platform, Tide Business Account, Tide Instant Saver Account and/or your Tide Card (as the case may be) using the functionality on the Tide Platform or by contacting Tide using the member support function on the Tide Platform or by calling Tide on 0333 121 0266. If someone makes an unauthorised payment because you've failed to do this, we won't normally refund the payment.

9. USING THIRD PARTY PROVIDERS

- 9.1** A third party provider (**TPP**) is a third party that you have authorised and instructed to access your account information and/or make payments online from your Tide Business Account (excluding your Tide Tax Account, if applicable) in accordance with these ClearBank Account Terms.

Where relevant, we'll provide access to your account information to the TPP and/or the ability to make payments online from your Tide Business Account through the TPP.

- 9.2** We may not allow a TPP access to your account if we reasonably believe that to do so:
 - a. could mean a security risk to your account; or
 - b. may involve fraudulent or unauthorised access to your account.
- 9.3** Unless we are prevented by a legal, regulatory or security reason, you will be notified if a TPP has been refused access to the Tide Platform.
- 9.4** You may, at any time, revoke authorisation of a TPP from accessing your Tide Business Account, by contacting Tide or the TPP.

10. MAKING AND RECEIVING PAYMENTS FROM AND TO YOUR TIDE BUSINESS ACCOUNT

10.1 Telling us to make a payment

Payment instructions from your account are to be initiated by:

- a. accessing and giving us instructions through the Tide Platform, or allowing an additional user to do so (if applicable);
- b. using your Tide Card (including any secondary Tide Cards held by additional cardholders); or
- c. giving us instructions through a TPP.

10.2 Checking payment details

- a. You're responsible for making sure that the details of a payment instruction are correct and clear and that all minimum fields (such as the account number, sort code, account holder's name and BIC and IBAN where applicable) are completed as provided for in the Tide Platform, so it's important to check them carefully before you submit the instruction. We'll assume the

instructions that you've given us are correct. This includes where you proceed with a payment following a Confirmation of Payee response. You are responsible for ensuring the accuracy and completeness of all payment instructions provided by you. We are not liable for any loss you may incur that results from incorrect and/or incomplete information payment instructions provided by you.

b. Confirmation of Payee

Making a payment

Where possible we'll ask the receiving bank to check that the recipient's name matches the account number and sort code you've given us. We do this before you finalise the payment instruction and submit the payment. It's an extra security step called 'Confirmation of Payee'.

The receiving bank will check their records and will provide a response, which may include a 'Match', 'a Close Match', 'No Match', or that a 'check is not possible' (or other applicable response corresponding to the circumstances). If it's a Close Match, we'll show you the name of the account holder that is linked to the sort code and account number you gave. You'll be asked to confirm if you want to go ahead with the payment instruction once you know the result of the Confirmation of Payee check. If you need to change the payment instruction, you can do this before giving your confirmation to go ahead with the payment. You must check the Confirmation of Payee result and the payment details carefully to make sure you are paying the right person.

Opt out of Confirmation of Payee

You can't opt out of Confirmation of Payee when you're making a payment to someone else. You can however, in exceptional circumstances, request to opt out of your details being checked when someone wants to pay you and you will have the option to opt back in again at any time. If your request is approved, this means that the person or business will get a response to the affect that your details can't be checked.

10.3 If we need to suspend your access to Tide Account Services

We may suspend some or all of the Tide Account Services (and notify Tide where applicable) if, for example:

- a. Tide informs us you have not paid any monies owing to Tide on time;
- b. we reasonably suspect fraud or unauthorised use;
- c. we reasonably believe this is necessary to protect your account;
- d. you've broken any part of these ClearBank Account Terms in a serious way; or
- e. you're no longer able to access the Tide Platform because Tide has suspended or terminated your access in accordance with the Tide Terms.

Unless we're prevented by a legal, regulatory or security reason, Tide will normally tell you before or immediately after stopping or suspending payments and, where possible, explain why this has happened. We may allow your use of the Tide Account Services to resume once the reason for suspending usage has been resolved.

10.4 When payments will be made

10.4.1 Payment instructions made through the Tide Platform will be processed the same working day, unless they are submitted after the daily cut-off point set out below.

10.4.2 If we receive an instruction after the cut-off point, we'll process it on the next working day.

10.4.3 Specific provisions relating to CHAPS services:

CHAPS (Clearing House Automated Payment System) provide customers with the ability to make near real-time payments, with finality of settlement, for any amounts during the indicated below cut-off time. We reserve the right to impose a maximum limit for outbound payments.

CHAPS payments can be initiated from your Tide Business Account using the Tide Platform, subject to your eligibility and any applicable verification checks. CHAPS payments must be submitted by the cut-off time as set out in Tide Membership and Product Terms in order to be processed on the same day. Transaction limits for CHAPS may differ from other payment methods. See clause 19 of the Tide Membership and Product Terms for general limit information or contact Tide Member Support for details specific to your account.

In addition, the following terms in this clause apply to CHAPS outbound payments:

a) CHAPS payments are irrevocable once submitted and authorised. You will not be able to cancel or amend a CHAPS Payment Order after submission.

b) You are responsible for ensuring the accuracy of all payment details provided. We are not liable for any loss resulting from incorrect or incomplete information provided by you.

10.5 When we won't make payments or can delay payments

a. We'll follow your payment instructions, except if:

- further information is required from you to complete the payment and you don't provide such information upon request; you don't have enough money in your account to make the payment;
- you exceed your maximum account limit or payment and card transaction limits;
- there is a reasonable belief that you did not give the instruction or that it could be fraudulent or related to criminal activity;
- the instruction is unclear;
- the instruction is received from a TPP and there are reasonable concerns about security or fraud;
- there is a reasonable belief that making the payment would cause us to breach any law or regulation that applies to us; or
- you've broken any of these ClearBank Account Terms in a serious way.

b. Sometimes we need to make checks before we can execute a payment instruction, which may delay things. In some cases, you may be required to provide further information or additional checks may be required.

c. When working out if you have enough money in your Tide Business Account for a payment, we'll look at your account balance and deduct any immediate payments that you've already instructed be made (if they are not already reflected in your balance).

d. If your Tide Business Account becomes overdrawn you should immediately make a payment into your account to return your balance to zero or above.

e. Unless we are prevented by a legal, regulatory or security reason, you'll be notified through the Tide Platform when an instruction hasn't been followed. Where possible, you'll be notified as to why this has happened and how you can resolve the issue.

10.6 If you want to change or cancel a payment

We can't normally change or cancel payment instructions for immediate payments once they have been submitted through the Tide Platform because they are processed immediately.

Direct Debits can be cancelled, through the Tide Platform up to the end of the working day before the date they are due to be made.

If a recurring payment instruction (apart from a Direct Debit) fails to be processed due to insufficient funds in your Tide Business Account for six (6) consecutive times, Tide may cancel that recurring

payment instruction. Tide will notify you if and when such a cancellation takes place. If you wish to reinstate the payment instruction, you will need to set it up again through the Tide Platform.

10.7 When you'll receive incoming payments

For any incoming electronic payments, we will credit your account as soon as we receive the payment (unless we are prevented by a legal, regulatory or security reason or reasonably believe making such payment might cause us to breach a legal or regulatory requirement) and update your balance.

10.8 Limits

There may be limits that apply to your Tide Business Account including a maximum account balance or payment and card transaction limits. Please refer to the limits provided via the Tide Platform.

If you exceed the maximum account balance, you may be contacted by Tide and required to bring your Tide Business Account back to within the maximum account balance limits.

If you exceed your payment and card transactions limits this will be dealt with in accordance with section 10.5.

11. CHEQUE IMAGING DEPOSITS

11.1 You can use Pay.UK's system for the electronic presentation, deposit and settlement of cheques (the "**Image Clearing System**") to deposit a cheque to your Tide Business Account ("**Cheque Imaging Deposit**") by capturing an image of the front and back of a cheque with your mobile device, then uploading the images and associated deposit information in the Tide Platform, where the cheque is:

- a. in sterling;
- b. payable from a UK bank participating in the Image Clearing System;
- c. payable to you and the name on the cheque matches the name on the Tide Business Account you are paying into.

11.2 The following items cannot be deposited using a cheque imaging deposit:

- a. Travellers' cheques;
- b. Bank giro credit;
- c. Electronic vouchers;
- d. Other non-standard cheques.

11.3 You cannot deposit a cheque using the Image Clearing System if you have already tried to deposit this cheque by other means or using the Image Clearing System and it was rejected for any reason.

11.4 You can find information on whether a Cheque Imaging Deposit succeeded via the Tide Platform. If the deposit is successful, that means that the cheque image and the related details you provided were captured correctly. It does not mean that the cheque itself will be paid. Once Tide starts processing the information the cheque may still be rejected if it does not comply with the ClearBank Account Terms or the Tide Terms.

11.5 You can see the status of cheques deposited in the Tide Platform. If the status is changed to "not paid" a short description of the reason will be provided by the issuing bank. We recommend that you keep the original paper cheque until the funds have been paid into your Tide Business Account in case you need to resubmit it.

11.6 If a Cheque Imaging Deposit is accepted and the paying bank agrees to pay the cheque, the payment will be processed within the following timeframes, depending on when you upload the cheque to tide platform:

- a. if you successfully upload the cheque to Tide Platform before 7.00pm on a working day, the funds will normally be credited to the Tide Business Account by the end of the second working day following the upload;
- b. if you successfully upload a cheque to the Tide Platform after 7:00pm on a working day, the funds will normally be credited to your Tide Business Account by the end of the second working day following the upload;
- c. if you successfully upload a cheque to Tide Platform on a non-working day, the funds will be credited to the Tide Business Account by the end of the second working day following the upload.

A day which is a public holiday in Northern Ireland but not in the rest of the United Kingdom will not be a working day for the purposes of a Cheque Imaging Deposit if the cheque was issued by a bank in Northern Ireland.

- 11.7** We limit the value or number of cheques that can be deposited using the Image Clearing System for security reasons. This means that you can deposit only a pre-defined number of cheques per day, a single cheque up to the value indicated on the Tide Platform, or several cheques on the same day with a total value up to the limit stated on the Tide Platform. We may change those limits at any time in line with our risk policy or to comply with our regulatory obligations, but you'll always see the current daily limit on the Tide Platform and/or on the Tide "Support and FAQs" webpage (<https://www.tide.co/en-in/faq>). The Cheque Imaging Deposit may be rejected for any of the reasons set out in the ClearBank Account Terms, or the Tide Terms, or for any of the following reasons:
- a. the cheque does not comply with section 11.2 or 11.3 above;
 - b. the quality of the image of the cheque you have provided does not meet the minimum specification for all the details on the cheque to be legible;
 - c. Incomplete cheques i.e. not signed, not dated, payee name missing etc.;
 - d. the cheque is or appears damaged in the image.

12. ADDITIONAL TIDE BUSINESS ACCOUNTS

- 12.1** These ClearBank Account Terms apply to each of the Tide Business Accounts that you open (the "Additional Business Accounts"), subject to the specific ClearBank Account Terms applicable to the Tide Tax Account, as set out in paragraph 13. References in these ClearBank Account Terms to Tide Business Account are references to Additional Business Accounts, unless stated otherwise.
- 12.2** Should you open a main Tide Business Account and Additional Business Accounts, the Tide Card may be linked to your main Tide Business Account only.
- 12.3** The Additional Business Accounts may not be used for purposes of running another business or limited company or to segregate your business' funds from your customers' funds.

13. TIDE TAX ACCOUNT

- 13.1** Subject to Tide's eligibility criteria, you may be eligible to open an Additional Business Account to set aside money for taxes due ("**Tide Tax Account**").
- 13.2** The Tide Tax Account is a current account with limited function and cannot be used for day-to-day expenditure, third-party payments (except to HM Revenue & Customs ("**HMRC**") or investment activities.
- 13.3** The Tide Tax Account is an Additional Business Account with the sole purpose of paying taxes due to HMRC. No external inbound or outbound transfers will be possible to or from your Tide Tax Account, except to HMRC.
- 13.4** The Tide Tax Account can only be funded by transferring funds from your main Tide Business Account to the Tide Tax Account. You can then pay HMRC directly by selecting one of the prepopulated HMRC accounts. You will not be able to amend the prepopulated HMRC account details or add additional payees from the Tide Tax Account.
- 13.5** In the event that your Tide Tax Account is disabled, you may transfer funds held in your Tide Tax Account to your main Tide Business Account.
- 13.6** Naming of the account as a "Tide Tax Account" is for illustrative purposes only and does not constitute tax advice. For tax advice, you must engage a tax professional.

14. PAYING MONEY INTO AND WITHDRAWING MONEY FROM YOUR TIDE INSTANT SAVER ACCOUNT

- 14.1** Your Tide Instant Saver Account is not a current account, so it cannot be used for everyday use, such as for day-to-day spending or receiving or sending money to other people. This also means that payments, like wages, salary, benefits or pension payments should not be paid into it.
- 14.2** When you open your Tide Instant Saver Account, your main Tide Business Account (excluding your

Tide Tax Account) will be designated as your “Nominated Account”. You cannot use an account provided by another bank or financial institution (a “**Non-Tide Account**”) as your Nominated Account. You may only have one Nominated Account.

- 14.3** We will credit your Tide Instant Saver Account as soon as we receive the transfer from your Nominated Account and update your balance.
- 14.4** We will return any funds received into your Tide Instant Saver Account from an account other than your Nominated Account. There may also be times when we have to stop money coming into your Tide Instant Saver Account for legal or regulatory reasons.
- 14.5** You can make transfers from your Tide Instant Saver Account by bank transfer to your Nominated Account only. You can give us instructions and consent to a transfer from your Tide Instant Saver Account through the Tide Platform, including by providing all the information requested.
- 14.6** As we start processing your transfer instructions as soon as we receive them, it is not possible to cancel your instructions once they have been made. However, if you have instructed us to make a transfer at some time in the future, you can revoke this instruction through the Tide Platform at any time before the day on which the transfer is scheduled to take place. Transfers to and from the Tide Instant Saver Account can be made 24/7, 365 days of the year (or 366 days for a leap year) and transfers will be received into your Nominated Account or your Tide Instant Saver Account, as the case may be, usually immediately and, in any case, no later than the working day following the day on which your transfer instruction is processed by us.
- 14.7** We'll follow your transfer instructions, unless:
 - a. we need to ask you for further information to complete the transfer and you don't provide it to us;
 - b. you don't have enough money in your Tide Instant Saver Account to make the transfer;
 - c. we reasonably believe that you did not give the instruction or that it could be fraudulent or related to criminal activity;
 - d. we think the instructions are unclear;
 - e. we reasonably believe that making the transfer would cause us to breach any law or regulation that applies to us; or;
 - f. you've broken any of these ClearBank Account Terms in a serious way.
- 14.8** Sometimes we or Tide need to make checks or ask you for further information before we can carry out a transfer instruction, which may delay the transfer.
- 14.9** Unless we are prevented by a legal, regulatory or security reason, you'll be notified through the Tide Platform when an instruction hasn't been followed. Where possible, we'll tell you why this has happened and how you can resolve the issue.

15. INTEREST

- 15.1** You won't earn interest on the balance in your Tide Business Account or Tide Tax Account.
- 15.2** The interest rate you receive for the funds held in your Tide Instant Saver Account is set out in your Summary Box and is equal to the applicable Bank of England (“**BoE**”) Base Rate minus a certain percentage as indicated in your Summary Box (the “**Percentage**”), (also referred to as the “**Tide Margin**” in some of the Summary Boxes) plus any promotional or boost rates offered from time to time (“**Promotional Rate**”). The addition of a Promotional Rate may mean that the total interest rate you receive is above the Bank of England Base Rate (gross).
- 15.3** ClearBank places funds held in your Tide Instant Saver Account with the BoE and expects to generate interest from the BoE on those funds. The amount of interest payable by the BoE is variable and, subject to the amount of interest paid by the BoE being sufficient, you will receive interest on funds held in your Tide Instant Saver Account based on the calculation in section 15.2. You will not earn interest on the interest accrued on your Tide Instant Saver Account unless otherwise provided in your Summary Box.
- 15.4** Market conditions may result in negative interest being applied to your Tide Instant Saver Account.

If this happens, instead of earning interest on the funds in your account, interest will be deducted from your Tide Instant Saver Account.

- 15.5** You can find details about the interest rate applicable to your Tide Instant Saver Account in your Summary Box document in addition to details about our obligations to notify you in the event that the applicable interest rate changes.

16. FEES

You authorise us on behalf of Tide to debit your Tide Business Account or your Tide Instant Saver Account (where applicable) for all fees under your Tide Terms as they become payable to Tide.

17. IF SOMETHING GOES WRONG

- 17.1** If you believe that there is an issue with the Tide Platform, Tide Business Account, Tide Tax Account, Tide Instant Saver Account or Tide Card, please reach out to Tide via the member support function on the Tide Platform or by calling us at 0333 121 0266 (available 24 hours a day).
