You undertake that, if your details change or if you no longer authorise a Tide Platform User or a Tide Cardholder to act on your behalf or a Tide Account Reader Employee or Tide Account Reader User to have access to the Tide Account Reader, you will notify us immediately. 4. YOUR TIDE E-MONEY ACCOUNT

- 4.1 Your Tide E-Money Account is an account in which Electronic Money in GBP is stored in exchange for PPT receiving the corresponding funds on your behalf in accordance with the PPT Terms. Your Tide E-Money Accounts are operated by PPT and accordingly the use of the same is subject to the PPT Terms.

4.2 When Electronic Money is stored in your Tide E-Money Accounts, PPT holding the funds corresponding to the Electronic Money is not the same as a bank holding money for you in that:

- (a) PPT must safeguard the funds received, in exchange for Electronic Money that has been issued, meaning that the funds will be protected by being held in a designated safeguarding account and not mixed with any of PPT's own funds and
- (b) PPT cannot and will not use the funds received, in exchange for Electronic Money that has been issued, to invest or lend to other persons or entities;
- (c) your Electronic Money will not accrue interest; and
- (d) your Electronic Money is not covered by the Financial Services Compensation Scheme.

The funds corresponding to Electronic Money will be held in one or more segregated bank accounts separately from PPT's own funds, in accordance with the provisions of the Electronic Money Regulations 2011.

- (j) view the balance of the Electronic Money you hold in your Tide E-Money Accounts.

6. TEAM ACCESS FUNCTIONALITY OF YOUR TIDE ACCOUNT AND TIDE CUSTOMER MANAGER

6.1 TEAM ACCESS

- (a) The Tide Account holder or the E-Money Account holder is the business named in the application form. On opening the Tide Account and Tide E-Money Account, the

individual responsible for opening them (either a company director or a sole trader) shall be the administrator of such accounts (the “**Administrator**” or “**Admin**”) who will be able to provide instructions on tasks and transactions within the accounts. We are entitled to treat them as fully authorised by the business to access and provide instructions with respect to the Services and we are not required to verify their authority regarding instructions they provide. If your business is a limited company with more than one director registered in Companies house and if you are on a Paid Plan, you as the first Administrator can assign Administrator access to other directors of your company who are listed in Companies house. All Administrators who have successfully been added to the Tide E-money Account will have equal full access and rights to independently operate and manage the Tide E-money Account. This includes initiating any transactions, authorising other Admins and Team Members, managing subscriptions, add-ons and plans, etc. Full entitlements list will be made available to you in the Tide Platform before you grant Administrator access. One Administrator can revoke the access of another Administrator only if the latter has been de-registered as company director from Companies House. The number of Administrators that can be authorised depends on your membership plan. Read our [Frequently Asked Questions](#) to understand more on what’s available on your membership plan and how the Admin access is managed.

- (b) Any Administrator may authorise individual persons to have access to the Tide Account and the Tide E-money Account (“**Team Members**”). Administrators and Team Members may be referred together as “**Tide Platform Users**” in this document. The authorization is carried out through the Tide Platform. The exact level of access and entitlements of these individuals are pre-determined based on different roles. For example, you may authorise users with access allowing them to initiate payment orders and to perform other actions (the “**View-Draft-Send-And-Pay**” or “**VDSP**” users); you may request that an individual person is given permission enabling them to use or have a Tide Card issued to them (a “**Tide Cardholder**”) (Tide Cards issued to Tide Cardholders or VDSP users are referred to as “Expense Cards”); you may authorise users with view-only access to the Tide Platform (the “**View-Only Users**”); or you may assign other roles that we have already made available or may make available from time to time. When you assign a role to an individual you are authorising them to perform all actions that are included in this role’s level of access. The level of access will be made available to you when you choose the respective role and before you authorise an individual under it. In some cases, such authorisation may also permit that individual to further delegate access to your account to other individuals. The level of access will be made available to you when you choose the respective role and before you authorise an individual under it. **You must review carefully what rights you grant to users before you authorise them, as such authorisation will be binding to your business and you will be responsible for their activities.** The types of roles and number of individuals that you may authorise depends on your membership plan. For example, you can authorise individuals with the VDSP role only if you are on a Paid Plan. Read our [Frequently Asked Questions](#) to

understand more on what's available on your membership plan, how to add team members and manage their access.

- (c) You as the Administrator who's authorising other individuals must ensure in respect of each Administrator and any other Team Member that you have authorised that:
- information we request regarding them when you instruct their access to the Tide Platform or to a Tide Card (the Expense Card) is accurate and you have the rights and necessary consents in place to share that information;
 - they are provided with a copy of the the Terms and any other terms relating to the use of the Tide Platform and the Services and comply with them as regards their use of the Services;
 - where there is a change to their details previously provided to us, these changes are notified to us;
 - if you no longer wish to authorise a Team Member, you should cancel their access and/or Tide Card (the Expense Card) immediately;
 - if any Administrator has been de-registered from Companies House, you as the remaining Administrator should cancel their access immediately. If during one of our regular checks we establish that an Administrator has been de-registered from Companies House but still has access to the business' Tide E-money Account, we may revoke their access on our own discretion.
- (d) You fully authorise Tide Cardholders to enter into Tide Card Transactions on your behalf, which will debit money from the Tide E-Money Account associated with the relevant Tide Card. It is your responsibility to ensure that you terminate a person from being a Tide Cardholder if you no longer want them to be able to enter into Tide Card Transactions, for example, because they are no longer employed by you. You, as the person who opened the Tide E-money Account of the business and the person who is granting access to other individuals, agree that you are the person who is legally responsible under the Terms for yourself, as an Administrator, and for any other Team Members that you authorise. All Administrators and other Team Members are acting on behalf of the business (limited company or sole trader) and all their acts and omissions shall be binding to the business. In particular you acknowledge that you will be held financially responsible for any transactions initiated by individuals that you have authorised and any fees and charges arising.
- (e) All Administrators and Team Members are subject to client verification and on-boarding checks. We reserve the right to grant access to any Administrator and Team member only if they successfully pass all checks. We reserve the right to revoke or suspend the access of any Administrator or Team Member or depending on the case, to suspend or terminate the entire Tide E-money Account and the Services in case of any breach of these Terms, our Acceptable Use Policy, our Eligibility criteria, our client verification and on-boarding checks or as further provided in clauses Suspension of Services and Termination.

6.2 TIDE CUSTOMER MANAGER

- (a) The Tide Customer Manager tool provides functionality to centralise your customers' and counterparties' data that is already available to us as a result of your historic use of different Tide products, tools and services or any additional data about your current or prospective customers that you choose to add manually. It facilitates the management of interactions, including the sending of invoices, drafting of communications, and initiating payment requests, through a single dashboard.
- (b) As a data controller (as defined in data protection laws and regulations) you shall be responsible for processing all personal data you input in Tide Customer Manager in accordance with the requirements of data protection laws and regulations, including any applicable requirement to provide notice to data subjects of the use of Tide (including where you are a processor, by ensuring that the ultimate controller does so). The collection, use, and processing of personal data via the Tide Customer Manager tool are governed by the terms of our Data Processing Agreement available at www.tide.co/terms.
- (c) You are solely responsible for ensuring that any customer data you may upload to or process through the Tide Customer Manager tool is accurate, lawful, and compliant with all applicable data protection laws, including the General Data Protection Regulation (GDPR).
- (d) Tide does not provide legal advice regarding your regulatory obligations as a data controller under GDPR or other data protection laws or regulations. You should seek independent legal advice to ensure your use of the Tide Customer Manager tool is compliant with all relevant laws and regulations that apply to you.

7. PAYMENTS

- 7.1 Payments are executed by PPT and are subject to the PPT Terms. The following provisions set out how you can instruct a Payment through the Tide Platform.
- 7.2 Tide Platform Users can make a request to enter into a Payment either through the Tide Platform or through a Payment Initiation Service Provider, on your behalf. The request through the Tide Platform can be made by logging onto the Tide Platform and:
 - (a) clicking on the "make a payment" or "pay" button and following the on-screen instructions; or
 - (b) clicking on the "pay an invoice" section of the Tide Platform, uploading the relevant Supplier Invoice and completing the required fields and following the on-screen instructions.
- 7.3 The Fees for Payments are set out in clause 31.5 (Fees).
- 7.4 In order for a Payment instruction from you to be properly executed, you must provide us with the information or Unique Identifier which is necessary for the proper execution of the Payment instruction. If this is incorrect, it could result in the Payment being delayed or the monies transferred being lost. The information could comprise the Beneficiary Bank Account's bank sort code and account number.

- 7.5 In order to complete the request to enter into the Payment, the Tide Platform User will need to confirm the details which have been entered by hitting the relevant button on the relevant part of the Tide Platform and complying with any additional security requirements requested on the Tide Platform.
- 7.6 Once the Tide Platform User has entered or confirmed (as appropriate) the information set out in clause 7.5 by clicking on the relevant button and/or complying with the additional security requirements on the Tide Platform, this will constitute the Tide Platform User providing consent to PPT for the Payment on your behalf for the execution of the Payment. You cannot revoke consent to enter into a Payment unless it is a Scheduled Payment, in which case you can revoke consent on the “make a payment” or “pay” part Tide Platform no later than the end of the Working Day before the agreed day of execution of the Scheduled Payment.
- 7.7 It is essential that each Tide Platform User checks the details of each Payment before providing its consent for the execution of the same as Tide is unable to recall a Payment once it has been executed, even if it is to one of your ‘known’ Beneficiaries.
- 7.8 The request to enter into a Payment shall be deemed to be received at the time at which it is received except that:
- (a) where the request is received on a day which is not a Working Day or is received after 3 pm, London time on a Working Day, we have the right to treat the request as having been received on the next Working Day; and
 - (b) where it is agreed between us and you that a Payment is to be executed:
 - (i) on a specified day; or
 - (ii) on the last day of a specified period; or
 - (iii) on the day on which PPT holds enough money on your behalf to execute the Payment.
- 7.9 The time of receipt of the request is deemed to be the day so agreed unless such day is not a Working Day in which case the request is deemed to have been received on the first Working Day thereafter.
- 7.10 Once the Payment has been completed, you will be able to view the completed Payment on the Tide Platform.
- 7.11 After we receive a request to enter into a Payment, we shall provide the following information:
- (a) a reference enabling you to identify the Payment and, where appropriate, information relating to the Beneficiary;
 - (b) the amount of the Payment;

- (c) the amount of the charges and transfer fees for the Payment payable by you (with a breakdown of such amounts where applicable); and
 - (d) the date of receipt by us of your request to enter into the Payment.
- 7.12 We will provide you with the information specified in clauses 7.11 and similar information relating to all Tide Transactions via PDFs made available on the Tide Platform, free of charge at least once a month. You will examine the confirmations and communications which we send to you within a reasonable time after receiving them and will promptly advise us without undue delay of any apparent mistake or discrepancy. Delay in notification may make correcting any error difficult.
- 7.13 Some Suppliers might accept payment by setting recurring payments to be deducted from your Tide E-Money Account on a regular basis. The amount of the recurring payment and the intervals at which the payments will be deducted is determined by the arrangement between you and the relevant Suppliers and their terms and conditions will apply. If you wish to amend or cancel your recurring payment, you may only do this by contacting the Suppliers directly.
- 7.14 The time period for PPT to execute Payments is set out in the PPT Terms.

8. BILLING

- 8.1 We charge fees for certain services, products, tools and add-ons, either per transaction or as a subscription. Where a fee applies, and unless we tell you otherwise, if we are unable to collect payment of the fee within 5 days of the date payment was due to be collected, we reserve the right to terminate access to any paid features, products and tools and these terms. However, if in our reasonable opinion you are continuing to use any subscription product for which there is a monthly fee and you would benefit from its continued use, we may continue to charge the fee for a maximum of three months in order to maintain service continuity for you, even if that means your account goes into negative balance. We reserve the right to correct that negative balance in accordance with these terms including according to clause 13.
- 8.2 Apart from our standard free membership plan (the “**Free Plan**”), you can choose to upgrade to one of our paid membership plans (the “**Paid Plans**”) which offer additional features and exclusive benefits (all plans are together referred to as “**Tide Membership Plan(s)**”). Please see our Paid Plans Terms for more details on how they work.
- 8.3 Subscription based fees. Where the fees are periodic subscription based (e.g. monthly or annual) rather than per-transaction (for example subscription fees for our subscription-based products, tools and add-ons such as Paid Plans etc.) and unless we tell you otherwise:
 - (a) the fee for the first period will be prorated to your use start date (i.e. If you subscribe to a product, add-on or tool on July 15, a partial fee is debited immediately, with the full fee charged on or around August 4). After that, subscription fees are billed monthly in advance, typically on or around the 4th of each month.
 - (b) If you subscribe to a tool or add-on that requires a monthly fee, you agree to pay the relevant charges. Subscriptions renew automatically each month unless canceled. Cancellation or downgrade will be treated as effective only from the beginning of the

next billing period (calendar month) following your election to opt out, so any subscription fees already paid will not be reimbursed.

- (c) We may offer discounted or free trial periods (“Discounted Promotions”) for eligible members for our subscription based products. Eligibility is determined by Tide and displayed in your Tide app profile or communicated to you. If eligible, the promotional discount applies for the specified period. To take up an offer you must subscribe or upgrade to the relevant service, tool or add-on. After the discounted period expires, your subscription automatically becomes paid unless you cancel beforehand. In certain cases, we may activate a free trial on your behalf to let you test the service, and in that case, once it ends, we'll ask if you'd like to continue with a paid subscription. Discounted Promotions are nontransferable and may be modified or withdrawn at any time without notice. Attempts to abuse or manipulate a promotion will result in disqualification. Tide may revoke discounts if: (i) The reward was obtained fraudulently, (ii) The member breaches any terms, or (iii) a technical or operational error occurred.
- (d) if these Platform Terms of Use or any of the product specific terms are terminated by Tide, we will reimburse the periodic fees for any paid features, products or tools to you on a pro rata basis only if the termination was not due to serious or repeated breach of these Platform Terms of Use (including the [Acceptable Use Policy](#)) and/or any product specific terms.

- 8.4 Authorisation for Direct Debit. You authorise Tide to debit your Tide Account for all fees as they become payable (including any transactional fees, or periodic/subscription-based fees, including unpaid loans or money required to correct any negative balance on other accounts you hold with Tide).

9. ISSUING CUSTOMER INVOICES AND RECEIVING MONEY IN EXCHANGE FOR THE ISSUANCE OF ELECTRONIC MONEY

- 9.1 You can issue a Customer Invoice by entering the “invoicing” section of the Tide Platform and following the on-screen instructions. You will need to enter the following information:
- (a) details of what the invoice relates to;
 - (b) the amount of the invoice;
 - (c) the details of the Customer including their name and email address.
- 9.2 At the time of writing these Terms, you are only able to issue a Customer Invoice in GBP. This may change in future.
- 9.3 The Services allow PPT to receive money on your behalf in GBP and issue the corresponding amount of Electronic Money to your Tide E-Money Account.
- 9.4 Third Parties (including Customers) which want to pay you or send money to you, can use the Unique Identifiers set out in the PPT Terms.
- 9.5 It is essential that you enter the correct information when issuing invoices. You must check all the information on each Customer Invoice prior to confirming that the Customer Invoice is

correct and sending it to your Customer, including the details of the Unique Identifiers which will be used by your Customer to pay you. If a Third Party enters the incorrect Unique Identifiers and either:

- (a) PPT does not receive the money; or
- (b) PPT receives the funds but with the incorrect Unique Identifier.

then neither we nor PPT are responsible for any losses you incur.

9.6 Once payment has been received and the corresponding Electronic Money has been issued to your Tide E-Money Account, you will be able to reconcile the Electronic Money issued against Customer Invoices issued (if relevant).

9.7 A payment coming into one of your Tide E-Money Accounts will not be credited if:

- (a) the Tide E-Money Account has reached its maximum Account Limit – see clause 17 for more information; or
- (b) the amount of money being received is above the relevant payment limit – see clause 17 for more information;
- (c) the sender has provided incorrect/invalid Unique Identifiers when instructing the payment; or
- (d) we suspect the payment to be fraudulent;
- (e) it is from a Restricted Country or a region that is outside the list that you selected when signing up to these Terms; or
- (f) it is from a country which is not a Restricted Country but receipt of money from that country does not fit your profile; or
- (g) the sender of monies has failed one of our compliance checks, such as a politically exposed person check or a sanctions check.

9.8 You may receive payments larger than the limit imposed or from a country which does not fulfil your profile subject to a number of checks. You must inform us prior to receiving such a payment, allowing us enough time to conduct the required checks. You agree to provide us with all the information and documentation we require.

9.9 Cash Deposits are made via the Tide Card with partners of PPT pursuant to the PPT Terms.

10. TIDE CARD

10.1 The Tide Cards are issued by PPT and the issuance and use of the same are subject to the PPT Terms. The Fees for the issuance and use of the Tide Cards are set out in clause 31.5 (Fees).

12. TIDE CARD PURCHASE

- 12.1 The Tide Cards are issued by PPT and accordingly Tide Card Purchases are subject to the PPT Terms.
- 12.2 We may instruct PPT, or PPT may decide themselves, to block Tide Card Purchases and ATM Withdrawals in Restricted Countries, including, for the avoidance of doubt, card-not-present Tide Card Purchases from merchants based in those Restricted Countries. We may block Tide Card Purchases and ATM Withdrawals in the Restricted Countries for any reason but most likely it will be to protect our members from the increased fraud and security risks associated with those countries. Accordingly, we recommend that you carry another method of payment with you when travelling outside the United Kingdom to assist you, if your Tide Card Purchases or ATM Withdrawals are blocked.

13. YOUR BALANCE AND NEGATIVE BALANCES

- 13.1 You acknowledge that balances and available funds reported on the Tide Platform are only approximate real-time balances rather than the settled balances in your Tide E-Money Account. A real-time balance may not take into account pending debits and credits. Tide will provide you with information on pending debits and credits as soon as it has that information.
- 13.2 If for any reason you have a negative balance in any of your Tide E-Money Accounts, you agree to immediately send the required amount of money to correct the negative balance, such amounts being due without the need for previous notification. Failure to send us the required amount of money within a reasonable period of time shall be deemed a material breach of these Terms in accordance with clause 33.3(a). In addition, we may:
- (a) exercise our right to automatically redeem your Electronic Money in one of your other Tide E-Money Accounts in accordance with clause 19 (Our Right to Compensation) of these Terms;
 - (b) initiate a chargeback procedure for any specific transaction which led to your Tide E-Money Account having a negative balance;
 - (c) close or suspend any or all of your Tide E-Money Accounts;
 - (d) report you to any credit reference agencies; and/or
 - (e) take debt collection measures including but not limited to mandating a debt collection agency or solicitors or to pursue the claim in court.

- 14.2 Where we cease use in accordance with clause 14.1, we shall inform you of the same and inform you of our reasons for doing so. Where we are unable to inform you before ceasing such use, we shall do so immediately afterwards, unless we are prohibited from doing so by law.
- 14.3 The requirements in clause 14.3 include, but is not limited to, for the avoidance of doubt:

 - (v) ensuring that the computer and e-mail account(s) and mobile phone he/she uses to communicate with us are secure and only accessed by the Tide Platform User, as the computer, e-mail address and mobile phone may be used to reset his/her Security Code or to send information relating to the security of the Tide Platform;
 - (vi) if at any time he/she thinks that his/her Security Code has been lost, stolen or any other person knows his/her Security Code, informing us via the member support function on the Tide Platform; and
 - (vii) never using any functionality that allows the Security Code to be stored by the mobile or other device he/she uses to gain access to the Tide Platform.
 - (b) each Tide Cardholder complying with the obligations set out in the PPT Terms.
- 14.4 All Tide Transactions are processed by automated methods, and anyone who obtains access credentials to the Tide Platform or access to a Tide Card could use it to enter into Tide Transactions without your permission. If you, a Tide Platform User and/or a Tide Cardholder notices misuse, theft or unauthorised use of:
- (a) the Tide Card or a PIN or any other activity that makes you suspicious, you must (if available) freeze the Tide Card or cancel and reorder the Tide Card via the Tide

Platform and/or (if not available) contact us using the member support function on the Tide Platform. For lost, stolen or damaged cards, you can contact us by calling 0333 121 0266 (available 24 hours a day);

- (b) the Tide Platform or the Security Code or any other activity that makes you suspicious, you must contact us using the member support function on the Tide Platform;
- (c) If you suspect identity theft or theft of Electronic Money, we suggest that you contact your local police as well.

Appendix 1 - Paid Plans Terms

19 September 2025

These Paid Plans Terms provide additional terms governing the use of our Paid Plans (as defined below). They should be read together with the Tide Platform Terms of Use. Any matters not specifically governed by these Paid Plans terms will be dealt with in accordance with the provisions of the Tide Platform Terms of Use.

If there is any inconsistency between these Paid Plans Terms and any other document we provide you with, these Paid Plans Terms will apply. Any capitalised terms used here but not defined shall have the meanings given to them in the Tide Platform Terms of Use.

1. Introduction

1.1 The Tide “**Smart**”, Tide “**Pro**” and Tide “**Max**” (previously Tide “Cashback”) membership plans (each referred to as a “**Paid Plan(s)**”) are provided to you by Tide and offer a variety of benefits tailored to support your business needs. These benefits are accessible through a monthly or annual subscription fee, with the details of each plan outlined in clause 2 below. Starting from April 1, 2025, our Cashback plan will transition to Max. Any mention of the Cashback plan on the Tide Platform will be understood as a reference to the Max plan. For clarity, members who haven’t upgraded to one of the Paid Plans are automatically assigned our standard free membership plan referred to as the “**Free Plan**”.

1.2 The Tide “Smart”, “Pro” and “Max” membership plans are only available to Tide Members who are limited companies or sole traders. Some of the features available on the “Smart” plan will be different to those available on “Pro” or “Max” plan. Some of the features offered under the respective Paid Plan may not be available to all members due to eligibility requirements.

1.3 From April 1, 2025, the Paid Plans will include benefits related to other Tide add-ons and services. The use of these add-ons and services will be governed by their respective dedicated terms. For example, with the Pro and Max plans, you’ll also gain access to selected Tide Accounting add-ons, as outlined in clause 2, with their use governed by the Tide Accounting Terms. Additionally, the Max plan includes access to our Credit Score Insights add-on, which is subject to the Credit Score Insights Terms. Any products, tools, or add-ons that may be introduced as benefits under the Paid Plans in the future will also be subject to, and governed by, their specific terms set out in the applicable appendix to this document.

- The features and add-ons available in the “Cashback” membership plan are available in the FAQ page (<https://www.tide.co/business-current-account/cashback/>).

2.1.4 The Admin role is available only to directors of limited companies. Read our [FAQs](#) and refer to clause 9 and 10 of our Tide Platform Terms of Use to understand how the different roles work (what are the access levels of Admin and VDSP users, how to add them to your Tide Account, how to manage their access).

2.1.5 Legal Service Helpline

We have a financial arrangement with Irwin Mitchell LLP who provide a legal helpline to you. We pay Irwin Mitchell LLP for the services they provide. They are independent from us and will provide you with impartial and confidential advice, limited to general legal support only and as specified to you by them over the telephone. In general, this will be non-written advice and as is reasonably possible to provide on a call. The Legal Service Helpline cannot help you with the initiation of legal proceedings

or other similar action and generally does not review documents. Tide makes no representation and accepts no responsibility for the services provided to you by Irwin Mitchell LLP.

2.1.6 What happens when you cancel your Paid Plan, or you downgrade to another Paid Plan?

Cancellation or downgrade will take effect on the first day of the calendar month immediately following your cancellation or downgrade. If you cancel or downgrade to another plan all the features and benefits which are no longer covered by your new Paid Plan (including if you cancel and switch to our Free Plan) will be subject to the [standard fees](#) applicable to them or you will lose access to them. For example:

- you will be charged the standard fees for transfers and Expense Cards;
- you will not be able to open any more Additional Business Accounts unless you downgraded to Smart or Pro and you have not yet exhausted their limit for Additional Business Accounts. Those Additional Business Accounts which you already have and which are beyond your new plan's allowance (0 on the Free Plan, 1 on Smart, 2 on Pro) will be charged a monthly fee;
- the access of Admin and VDSP users will be reduced to view-only (see FAQs for more details);
- you will be charged the standard fee for the Tide Accounting add-ons;
- you will lose access to Credit Score Insights;
- you will be charged the standard fees for card transactions in a currency other than pounds sterling.
- you will lose access to the Legal Service Helpline, our premium support and the respective rewards and features specific for the plan.

If you want to avoid any of the standard monthly fees, you need to separately cancel the respective product or service. For example, after you cancel or downgrade your plan, we will start charging you fees for Additional Business Accounts and Expense Cards regardless of whether you use these services. We will also start charging you the monthly fee for Tide Accounting which was included in your Pro or Max plan regardless of whether you have activated or use the add-on.

2.1.7 Upgrading your plan: Your Paid Plan can be upgraded (for example from “Smart” to “Pro”) at any time. When you do this, you will immediately pay the difference between the subscription fee of your current Paid Plan and the subscription fee of the new Paid Plan for the remainder of your monthly or annual subscription period. Any additional features will also be added to your account on a pro-rata basis immediately. For example, if you upgrade to “Pro” monthly subscription from a “Smart” monthly subscription on 15 February 2022, you will be billed based on the following formula: $[(\text{Fee for “Pro”}) - (\text{Fee for “Smart”})] \times [\text{Time left in the billing period (from 15 February until 01 March)}] / [\text{Full billing period (01 February until 01 March)}]$. On or around 4 March, you will then be charged the full “Pro” subscription fee for March and you will get the full “Pro” features.

2.1.8. Please familiarise yourself with the applicable [FAQ page](#) containing important additional details about your Paid Plan, as it forms part of the Paid Plan Terms and Conditions. We may amend the FAQ pages and we may add features from time to time without notice.

3. Subscription Fees

The “Smart” plan costs £12.49 per month + VAT or £124.99 per year + VAT. The “Pro” plan costs £24.99 per month + VAT or £249.99 per year + VAT. The “Max” plan costs £69.99 per month + VAT and is currently not available as an annual subscription.

4. Cashback terms

When you upgrade to “Max” you will automatically be enrolled in the Max Reward Programme (the “Programme”).

This Programme will enable you to earn 0.5% cashback on all eligible card transactions. We might sometimes offer promotional cashback rates. If we do, we will tell you about any additional terms and conditions that apply to such promotional rates at the time of the offer.

- tax payments
- payments to government institutions and services (e.g. property, land, company or vehicle registration and license fees, as well as parking fees or other administrative fees or charges)
- payments for securities and payments to brokers or dealers.

Important to note: The above list is non-exhaustive and may be subject to change from time to time. Merchants or the merchant banks get a specific code based on what they sell or the services they provide. This code is called a Merchant Category Code (MCC). We use the MCC to work out whether you can earn cashback on a transaction. Tide does not control what type of code a merchant gets and we’re not able to change this code. This means that in some cases, a merchant might sell something that seems eligible for cashback, but because of the MCC, the transaction isn’t eligible.

We’ll calculate your cashback at the end of each calendar month and your cashback will be paid during the next calendar month (for example, for payments made in August 2022, cashback will be paid in September 2022). Card transactions will count towards cashback for the month they are made. For the month in which your Paid Plan subscription is being activated or cancelled, the transaction has to occur in the period of the month during which your subscription is active. If a transaction is made before month-end but the payment is deducted from your account in the next calendar month, it’s possible the cashback to be paid out in a couple of instalments. We aim to make the cashback payment within 14 working days after the end of each month.

If we find out that any cashback has been given or calculated incorrectly, we reserve the right to reclaim or deduct payments from your account, including with respect to card payments for anything that you later cancel or return for a refund. If your account is terminated or disabled for any reason, then any cashback payable will be deemed to be forfeited. We reserve the right to withhold or reclaim any cashback we believe has been obtained fraudulently.

Cashback can only be earned on your Tide Account which holds the Max Plan and not on other business accounts you may hold with Tide. Additional card holder card transactions associated with the same account will also be counted towards the Programme.

If you cancel or downgrade your Max subscription before your cashback is paid, we’ll pay the total cashback owed to the account you hold. If you no longer hold a Tide account, you won’t get any cashback.

If we change or terminate the cashback specific terms, such changes won't apply to card transactions that you have already made with your Tide card before the changes or termination came into effect.

Appendix 2 - Construction Cashback Boost Terms

18 September 2025

These terms provide additional terms governing the use of our Construction Cashback Boost. They should be read together with the Tide Platform Terms of Use. Any matters not specifically governed by these terms will be dealt with in accordance with the provisions of the Tide Platform Terms of Use.

If there is any inconsistency between this Appendix and Tide Platform Terms of Use, this Appendix will apply. Any capitalised terms used here but not defined shall have the meanings given to them in the Tide Platform Terms of Use.

1. Introduction

The Construction Cashback Boost ("Boost") is a subscription-based benefit that provides eligible members with 1% cashback on qualifying construction-related spend made using their Tide Card. In exchange for a monthly subscription fee, members who subscribe to the Boost will automatically earn cashback on eligible transactions, subject to these terms.

2. How does it work?

2.1. For the purposes of the Boost:

- **Construction Spends** are transactions made with a Tide Card at merchants primarily engaged in construction, building materials, hardware, home improvement, and related services. This includes, but is not limited to, purchases at hardware stores, building supply merchants, construction contractors, and home improvement retailers.
- **Cashback:** A credit equivalent to 1 % (one percent) of the total value of eligible construction spend, applied to your Tide Account.

2.2. Members must actively subscribe to the Boost and pay the monthly subscription fee to earn cashback. Cashback applies only to transactions classified as Construction Spend as defined above and not excluded based on clause 2.3 or 2.4. **The maximum cashback amount available to any eligible member shall not exceed £200 in aggregate in any given calendar month**, irrespective of the number or value of qualifying transactions made during that period.

2.3. Cashback will not be awarded for:

- Transactions that are returned, refunded, or reversed.
- Cash withdrawals, balance transfers, fees, charges, or interest payments.
- Transactions not classified under the applicable construction-related Merchant Category Codes ("MCCs").

2.4 Merchant Category Codes (MCCs) are four-digit codes assigned to merchants by card networks to identify the primary goods or services they provide. We use the MCC to work out whether you can earn cashback on a transaction. For the purpose of this Boost, Tide has selected a fixed, exhaustive list of MCCs that correspond to

construction-related spend, covering hardware, building materials, home improvement, construction contractors, and related merchants. This list captures the vast majority of relevant transactions. However, there may be occasional cases where a merchant's MCC does not match its actual business type, or where a merchant uses a different or incorrect MCC. Tide does not control what type of code a merchant gets and we're not able to change this code. This means that in some cases, a merchant might sell something that seems eligible for cashback, but because of the MCC, the transaction isn't eligible.

2.5 All cashback amounts are deemed inclusive of any applicable taxes. Members are solely responsible for assessing, reporting, and paying any tax liability that may arise in connection with the Boost, including taxes on cashback received or subscription fees. Tide will have no responsibility for any such tax obligations or reporting requirements.

2.6. The Construction Cashback Boost costs £8.99 + VAT per month.

3. Cashback payout.

We'll calculate your cashback at the end of each calendar month and your cashback will be paid during the next calendar month (for example, for payments made in August 2025, cashback will be paid in September 2025). Card transactions will count towards cashback for the month they are made. For the month in which your Construction Cashback Boost subscription is being activated or cancelled, the transaction has to occur in the period of the month during which your subscription is active. If a transaction is made before month-end but the payment is deducted from your account in the next calendar month, it's possible the cashback to be paid out in a couple of instalments. We aim to make the cashback payment within 14 working days after the end of each month.

If we find out that any cashback has been given or calculated incorrectly, we reserve the right to reclaim or deduct payments from your Tide Account, including with respect to card payments for anything that you later cancel or return for a refund. If your Tide Account is terminated or suspended for any reason, then any cashback payable will be deemed to be forfeited. We reserve the right to withhold or reclaim any cashback we believe has been obtained fraudulently.

If you cancel or downgrade your Boost subscription before your cashback is paid, we'll pay the total cashback owed to the main Tide Account you hold. If you no longer hold a Tide Account, you won't get any cashback.

If we change or terminate the cashback specific terms, such changes won't apply to card transactions that you have already made with your Tide card before the changes or termination came into effect.

Appendix 3 - Tide Accounting Terms

1 July 2025

These Tide Accounting Terms provide additional terms applicable to your use of the Tide Accounting tool. They should be read together with the Tide Platform Terms of Use. Any matters not specifically governed by these Tide Accounting Terms will be dealt with in accordance with the provisions of the Tide Platform Terms of Use.

If there is any inconsistency between these terms and any other document we provide you with, these terms will apply.

Any capitalised terms used here but not defined shall have the meanings given to them in the Tide Platform Terms of Use.

2. Introduction

Accounting (also referred to as Tide Accounting) is an accounting and tax solution providing tax estimates and insights for Tide members.

Accounting is specifically designed to accommodate the distinct regulatory and reporting requirements of different business structures. Accordingly, functionality is customized based on whether the Tide Member is operating as a sole trader or a limited company (i.e. Accounting for sole traders and Accounting for limited companies). By using the tool, you confirm that you have selected the correct business type and understand that access to features will be tailored accordingly. We are not responsible for any inaccuracies or omissions resulting from incorrect business type selection.

Accounting can be bundled with Tide's invoicing add-on, Invoice Assistant, through Admin Extra which includes Accounting for sole traders or for limited companies as well as Invoice Assistant. For clarity, these terms govern the use of Accounting under Admin Extra.

If you activate Admin Extra, you must also review the [Invoice Assistant Terms](#), as they govern your use of the Invoice Assistant add-on.

Features & Eligibility

Accounting includes self-assessment tax estimates, VAT return submissions, and bookkeeping tools.

It also offers additional features such as:

- Tax Account;
- Accountant access;
- Multi-account connectivity (more than one Tide & Non-Tide Accounts synced with Tide Accounting) and other features.

To use Accounting for Self-assessment you must be a Sole Trader (excluding those under the Construction Industry Scheme). For VAT Manager: you must be a VAT-registered business using the VAT Cash Accounting Scheme, but not the VAT Flat Rate Scheme. Additional eligibility details are in our VAT Manager FAQs.

Your eligibility for Accounting determines whether you can access Admin Extra. If you do not qualify for Accounting, these bundles are unavailable to you. However, you may still subscribe to Invoice Assistant as a stand-alone service.

2. How does Tide Accounting work?

To activate Tide Accounting, you simply need to select the subscription option on the Tide website or select Tide Accounting in the app, go through the activation journey and accept these Tide Accounting Terms.

Tide Accounting uses Member Data to provide you Tide Accounting and related services, including tax estimates and financial reports. “**Member Data**” means any information and other data entered or uploaded by you while using Tide Accounting as well as any data entered or uploaded by you while using other Tide products such as your Tide Account or Tide Invoicing and which is used within the features of Tide Accounting (that would include transaction data and financial information available to Tide). You acknowledge and agree that to provide Tide Accounting to you, we will share your Member Data with Sage Global Services Limited or Sage (UK) LTD (collectively “**Sage**”), so that they can process this data on your behalf to provide the Tide Accounting service to you. Sage provides accounting software solutions and features to Tide that enable Tide to provide members with Tide Accounting. You consent that all data shared by you with Tide (including all Member Data), may be shared with Sage in connection with the provision of Tide Accounting to you. If you no longer want us to use your information, we will stop providing Tide Accounting to you but may still use your data or information (including Member Data) where we have lawful grounds to do so, for example because we need to retain records for regulatory purposes.

To be able to use the VAT Manager, you need to be set up correctly to use the Government’s Gateway services. For information on how to do that, check out the instructions from gov.uk.

If you choose to grant access to Tide Accounting to your accountant, you would be entitling your accountant to access your information under Tide Accounting as well as to perform bookkeeping tasks. The accountant that you authorise will be fully entitled to perform all actions and rights which you have granted to them through the Tide Platform and all their actions or omissions will be binding to your business. You must review carefully what rights you will be granting before you proceed. Further information about who can be added as your accountant and what actions they can perform can be found in our [Tide Accounting FAQs](#). For clarity, if you authorise another Admin or VDSP team member as part of your Paid Plan, their entitlements will also cover any Tide Accounting subscription you have.

3. What are your obligations when using Tide Accounting?

You shall only use Tide Accounting in compliance with these Tide Accounting Terms. In particular:

- you must only use Tide Accounting for internal purposes in connection with the business you operate and not for the benefit or on behalf of your customers, partners or other third parties;
- you are solely responsible for the accuracy, quality, reliability, integrity and legality of any Member Data and you are the data controller of this data. To the extent that Tide processes personal data of third parties on your behalf, e.g. information about your employees, customers, or other third-parties, Tide will be your data processor and will process Member Data in accordance with your instructions and Tide’s Data Processing Agreement (DPA) with you that already governs your overall use of the Tide Account (available at www.tide.co/terms). The DPA forms an inseparable part of the Terms of Use and these Tide Accounting Terms and shall be embedded herein by reference;

- as data loss is an unavoidable risk when using any technology, you're responsible for maintaining the necessary number of copies or backups of the Member Data entered into Tide Accounting;
- if we permit multi-user access to Tide Accounting to your employees, accountants or other professional advisors, you are also responsible for (a) any access rights granted to such users and any data or information that they input into Tide Accounting and (b) any breaches of these Tide Accounting Terms by any such users;
- you must notify Tide immediately if you become aware, or reasonably suspect, that the security of your Tide Account or access to Tide Accounting has been compromised;
- you must not use Tide Accounting in any unlawful manner, for any unlawful purpose, or in any manner inconsistent with these Tide Accounting Terms, or act fraudulently or maliciously;

In particular, you must comply with the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017, Bribery Act 2010, the General Data Protection Regulation, the Data Protection Act 2018, the Consumer Rights Act 2015, and the Criminal Finances Act 2017. We do not provide any advice or recommendations relating to any such laws, rules or regulations;
- you are obliged to follow instructions that Tide provides to you with respect to your use of Tide Accounting, whether such instructions are provided via the Tide Platform, email, or otherwise;
- you must not do anything that could damage or materially impair our systems or security, or the systems or security of Sage, or Tide Accounting generally or which could interfere with any other party's use or enjoyment of Tide Accounting. In particular, you will (a) not knowingly introduce any Malicious Code into Tide Accounting, and (b) use established best industry practices to identify, screen, and prevent the introduction of any Malicious Code into, and remove all Malicious Code from, Tide Accounting. If we become aware of any such activities, we may (a) immediately suspend or terminate your use of Tide Accounting with or without notice and/or (b) report the matter to the relevant law enforcement authorities and share your identity and the identity of anyone else involved.

In these Tide Accounting Terms, the reference to "Malicious Code" means any code or other element that does or could in any way disable, damage, allow unauthorised access or in any way interfere with Tide Accounting, any Tide or Sage system, hardware, software, information, or data, including any Trojan horse, trap door, back door, virus, ransomware, worm, time bomb, or cancelbot.

When using Tide VAT Manager or when using Tide Accounting to prepare for self-assessment or corporate income tax filing:

- it is your sole responsibility to collect, report, remit and pay the correct applicable value-added or other tax to the proper tax authority;
- due to rapidly changing tax rates and regulations that require interpretation by your qualified tax professionals, you bear full responsibility to determine the correct rate for each invoice and the overall applicability of the output generated by the Tide VAT Manager and to confirm its accuracy.

Although Tide strives to ensure that data and information contained in the Tide Platform, Tide Accounting, or other materials, documentation, or data are current, Tide is dependent on third parties, such as state and local governmental agencies, to timely update and provide information that affect such data and information. You are responsible for your own tax policies and tax reporting positions, and for conducting your own due diligence. You are encouraged to conduct due diligence and seek the assistance of qualified tax counsel or accounting professionals on matters requiring professional advice.

Except for liability for death or personal injury or for fraud or fraudulent misrepresentation or for any liability that cannot be excluded or amended by law, AND TO THE FULLEST EXTENT PERMISSIBLE PURSUANT TO APPLICABLE LAW, IN NO EVENT SHALL TIDE'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THESE TIDE ACCOUNTING TERMS OR TIDE ACCOUNTING, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EXCEED THE TOTAL AMOUNT PAID BY YOU TO TIDE PURSUANT TO THESE TIDE ACCOUNTING TERMS IN THE TWELVE (12) MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM. The essential purpose of this provision is to limit the potential liability of Tide arising out of Tide Accounting and these Tide Accounting Terms whether for breach of contract, negligence, or otherwise. All domain registrations are valid for 12 months and are automatically renewed as long as your Get Online subscription is active.
- 2.3. Website hosting and website building tool: The website building tool is a web-based service and allows you to create, customise and maintain an online website (for the purposes of these terms referred to as “**your website**”).
- 2.4. Email address: The email address function allows you to create up to 3 email mailboxes to send and receive email which are linked to the domain you registered. Each email account will be allocated a storage limit of 5 GB.

Refer to our Frequently Asked Questions for further details on how each of these features works.

3. Subscription Fees

Get Online costs £15 per month + VAT.

4. Fair Use, Storage, Domain specifics and other limitations

- 4.1. The services under Get Online are subject to fair usage. We reserve the right to, based on our own discretion either suspend the services without notice or to increase the subscription fees if you violate the fair usage thresholds of 30GB of storage and 2TB bandwidth. Violating the fair usage also includes:
 - 4.1.1. Using the service purely as a storage and/or hosting service;
 - 4.1.2. Remotely accessing the service using automated methods;
 - 4.1.3. Serving copyrighted or other content of an illegal nature.
- 4.2. We do not guarantee specific website performance metrics such as speed, search engine rankings, or uptime.
- 4.3. We do not support outbound mass mailing as a standard offering. As standard practice we limit users from sending mail to a large number of recipients in a 24-hour period. This limit is restrictive on the first day of usage and becomes more lenient over time. If you reach this limit you may experience error messages such as "Daily maximum exceeded". This limit is subject to change without notice, should the service be compromised.
- 4.4. Our partners are resellers of a domain name registrar so your domain is registered through our partners, and they handle its setup and management for you. As neither Tide nor our partners are a dedicated domain name provider, we can't provide all of the services of a domain provider. If you wish to keep a domain you buy through Get Online after you cancel your subscription, or if you wish to point a domain you buy through Get Online to a website our partners do not host, you'll need to transfer the domain out. A domain can be transferred to another registrar subject to exclusions determined by the Internet Corporation for Assigned Names and Numbers (ICANN), including but not limited to a court order by a court of competent jurisdiction imposed over the domain; dispute over the identity of the registered name holder or administrative contact; no payment for previous or current registration periods, etc. In all such cases, however, the domain name must be put into "Registrar Hold" status by the Registrar of Record prior to the denial of transfer. Contact us if you would like to execute a domain transfer.

Appendix 8 - Credit Broking Terms with Funding Options Limited

28 March 2025

These Terms and Conditions apply to all Tide members seeking a credit quote through Funding Options Limited, now part of Tide. Referred to also as the “Terms of Service of Funding Options Limited,” these provisions govern the credit broking service offered by Funding Options Limited via the Tide Platform. References to “we,” “us,” and “our” pertain to either Funding Options Limited or Tide, as applicable. These Credit Broking Terms should be read in conjunction with the Tide Platform Terms of Use, which govern any matters not explicitly addressed within this document.

If there is any inconsistency between these terms and any other document we provide you with, these terms will apply. Any capitalised terms used here but not defined shall have the meanings given to them in the Tide Platform Terms of Use.

1. Introduction

- 1.1. Funding Options Limited is incorporated in England & Wales with its registered office at 4th Floor, The Featherstone Building, 66 City Road, London, EC1Y 2AL (company number 07739337), authorised and regulated by the Financial Conduct Authority (firm registration number 727867), and registered with the Information Commissioner's Office (reference number Z2992318).
- 1.2. Along with the applicable terms you should also read [Funding Options' Privacy Policy](#).
- 1.3. We are a credit broker, not a lender. We are also a “designated finance platform” under The Small Business, Enterprise and Employment Act 2015, which means that if your application for finance from certain designated banks is unsuccessful, the bank must provide us with certain information related to that application. We receive that information for the purpose of passing it on to alternative Finance Providers (as defined below herein) for the purpose of facilitating a conversation between you and any Finance Providers who might potentially provide financing to you and thus expand your options of funding. Before we share any information to Finance Providers we will contact you to obtain your consent for us to pass on the information or we will provide you with a form which you can submit directly to the respective Finance Provider.
- 1.4. **Finance Providers** are financial institutions, lenders, or other entities that offer credit or funding solutions, including loans, credit lines, and other financing options. In the context of these Credit Broking Terms, a Finance Provider refers to any third-party organization with whom we collaborate to facilitate credit offerings for our members. The decision to provide credit, as well as the terms and conditions of such credit, remains solely at the discretion of the Finance Provider.

2. How does it work and what service limitations apply

- 2.1. Our Service is intended for your own business-related purposes only. We do not provide debt counselling or debt advice. If you'd like support in this area, you may find contacting the Business Debtline useful. Our credit broking service is not intended as advice or to be relied upon by you in any way, including as the basis for making or not making any decision, and you should obtain your own independent financial, accounting, tax and/or legal advice concerning your activities in connection with the Service and any finance application and/or agreement. We cannot guarantee that our service will be successful for you, neither are we obliged to provide our service to you. Our service is based on information from third parties over which we have no control, and may contain inaccuracies or errors. Where you

have not made us aware of your specific needs, it is your responsibility to ensure that any options presented through the service meet your requirements.

- 2.2.** Content and information provided as part of the Service may not be timely or correct, and will change without notice, meaning that it is for your general information and use only.
- 2.3.** You use and download information from the service at your own risk and should use software to detect and disinfect viruses in any information you use and download. The availability of third party sites, links, services or information via the Service does not constitute any recommendation, advice, endorsement or publication by us and we are not responsible for any such sites, links, services or information provided by any third party. We reserve the right to change any aspect of the service at any time without notice or to suspend access to the Service, or end it.

3. Commission that we receive

- 3.1.** While the Service is free of charge to you, we will receive commission from Finance Providers for introductions we make to them, typically as a fixed percentage of the amount you borrow. The Finance Providers we work with could pay commission at different rates, and for certain lenders we have some influence over the interest rate, and this can impact the amount that you pay under any agreement you may choose to enter into. Before you enter into a regulated credit agreement with a Finance Provider, you may ask us to disclose the amount of any commission or fee or other remuneration we will receive from the lender. Where we do not know the precise amount, we will disclose to you the likely amount. Should you have any questions relating to the above, please feel free to contact us.

4. Your usage and responsibilities

- 4.1.** By using the credit broking service, you agree to notify us promptly of any changes in the details you have provided to us. You shall ensure that all information you provide to us is complete, true, up-to-date and accurate in all respects. You are solely responsible at your own cost and expense for creating backup copies and replacing any information you provide via the Service.
- 4.2.** You agree that we and the Finance Providers we work with may carry out identity verification and credit checks on you and your owners or directors. You and your owners or directors acknowledge that credit reference agencies link together the records of you and anyone that you have advised is a financial associate (e.g. someone with whom you have a joint credit account) including previous and subsequent names of parties to the account. Links between financial associates will remain on yours and their credit reference files until such time as you or your associate successfully files for a disassociation with the credit reference agencies. We and any Finance Provider may take into account information about yours and your owners' or directors' financial associates in yours or their credit reference.
- 4.3.** You agree to keep your username and password secure and when they are used to log-in we will assume that you are the person giving instructions and you will be liable for them unless and until you notify us that this is no longer the case. You are responsible for any activity through the credit broking service arising out of any failure to keep your password secure. We may refuse or disable your access at our sole discretion without notice or explanation where it is lawful to do so.
- 4.4.** If at any time you wish to cease using our service, you may contact us to request deactivation of your account. Within a reasonable time of this notification, we will remove

any third-party data access you may have given us. Historical data will be maintained by us as described below. Note that such disablement may interfere with the overall access to the Tide Platform and your ability to use any of Tide's services, products, tools and add-ons.

- 4.5.** You agree not to use our credit broking service in a way that harms our reputation, and you agree to comply with all applicable international and domestic laws, rules, and regulations. These may include requirements set out by governments, regulators, payment systems or other third parties. In particular, (but without limitation), you must comply with all relevant money laundering, bribery, data protection and consumer rights legislation.
- 4.6.** We will make reasonable efforts to provide support for the Service during office hours by email on support@fundingoptions.com, or by telephone on 0333 344 1015.
- 4.7.** You will not use the Service to:
- collect any information of other users from the credit broking service for the purpose of sending unsolicited communications outside it;
 - create a database of information obtained from our service otherwise than for your own records;
 - transfer any information obtained through our credit broking service to any third party except where expressly permitted by us;
 - use automated scripts to collect information from or otherwise interact with our credit broking service;
 - use the service in any unlawful manner or in any manner that could harm the service or the servers on which it is hosted;
 - register any person or entity on, or otherwise use, the service without that person or entity's prior written authorisation;
 - impersonate any person or entity, create a false identity in relation to the Service or falsely state or otherwise mislead or deceive us;
 - remove any copyright or trade mark notice(s) from any material on or obtained via the Service.

5. Data Protection

Funding Options Limited will process your personal data in accordance with the provisions of our [Privacy Policy](#).

As part of providing our Service to you, we share data provided by you with our panel of Finance Providers. They will share back to us information about your application such as its current status, outcome and potential credit limit. Please be informed that our panel of Finance Providers are independent data controllers who will be processing your personal data separately from Funding Options and in accordance with their own data protection practices.

6. Client money

For the avoidance of doubt, Funding Options does not hold or in any way handle any client monies whatsoever.

7. Amendments and Termination

We will generally give you at least one (1) month's prior notice of any changes to these terms. In some cases, we may not notify you in advance of a change being made, for example:

- if the change benefits you (e.g., we introduce new features that improve our Service);

- if we make a change to comply with law, rule or regulation or related guidance and we're not reasonably able to provide advance notice; or
- if there are minor changes to Service or the way the service operates that do not affect its quality, the functions or your rights under these terms.

Unless you've told us otherwise before any change takes place, we'll assume that you've accepted the change. If you do tell us that you do not accept any change, your notification will be deemed to be a notice that you wish to terminate these terms and the use of the Service on the date upon which the changes are due to take effect (or any other date that you request in advance of the changes taking effect).

These Credit Broking Terms remain in effect indefinitely. They apply each time you start a credit quote form application with us. These Credit Broking Terms may be terminated on the same grounds as the Tide Platform Terms of Use. If the Tide Platform Terms of Use are terminated for any reason, these terms will also be automatically terminated. However, the termination of these Credit Broking Terms alone will not result in the termination of the Tide Platform Terms of Use. If you wish to explicitly terminate these Credit Broking Terms, you may do so by contacting us through the Tide platform or at hello@tide.co.

8. Important

Any matters not expressly governed by these terms will be subject to the provisions of the Tide Platform Terms of Use, including, but not limited to, those relating to Liability, Suspension of Services, Indemnity, and Intellectual Property.
