3. SCOPE OF THIS AGREEMENT

3.1. Your Tide Card is an e-money prepaid card and not a credit, charge or debit card.

3.2. Your Tide Card has been issued by us pursuant to our licence from Mastercard. The Tide GBP E-Money Account is an electronic money product and the electronic money associated with it is provided by us and distributed and administered by Tide as agent of PPT. Your Tide Card is linked to a specified Tide GBP E-Money Account. If you have an account accessible via the Tide Platform (including for example an electronic money account) in a currency other than GBP, your Tide Card will not be linked to this account. This is important to note in respect of any foreign transaction fees you may incur. We are regulated by the Financial Conduct Authority for the issuance of electronic money (FRN 900010). Mastercard is a registered trademark of Mastercard International Incorporated. Your rights and obligations relating to the use of this Tide Card are subject to this Agreement between you and us; you have no rights against Mastercard or its respective affiliates. If you experience any difficulties in using the Tide Card you should contact Customer Services. The Tide Card remains our property.

3.3. This Agreement is written and available only in English and we undertake to communicate with you in English regarding any aspect of your Tide Card, Tide GBP E-Money Account or PPT Payments.

3.4. You agree that we may communicate with you by e-mail and/or SMS and/or via the Tide Platform for issuing any notices or information about your Tide GBP E-Money Accounts, your Tide Card or PPT Payments and therefore it is important that you ensure you keep your e-mail address and mobile phone number updated via the Tide Platform.

3.5. If you wish to make use of services provided by an Authorised Third Party Provider on your Tide GBP E-Money Account, you may do so provided that you have signed up to use the Tide Platform and your Tide GBP E-Money Account is active. We advise that before using an Authorised Third Party Provider, you ensure that the Authorised Third Party Provider is authorised by a Regulator to provide their services. In the UK, the Financial Conduct Authority's register (available at <https://register.fca.org.uk/>) will tell you whether a company is authorised. You must provide your explicit consent or share your Tide Platform credentials with the Authorised Third Party Provider each time an access to your Tide GBP E-Money Account is required for them to provide you with their services. You should always consider the implications of sharing your Tide Platform credentials and your personal information.

3.6. If an Authorised Third Party Provider requests access to your Tide GBP E-Money Account to provide you with their services using your Tide Platform credentials, we will assume that you have given consent to do so. Please note we are obliged to provide access to your Tide GBP E-Money Account if it is requested by an Authorised Third Party Provider and can only refuse access in certain circumstances.

3.7. If you do not wish to use services provided by an Authorised Third Party Provider on your Tide GBP E-Money Account, you simply refuse to provide your consent or refuse to share your Tide Platform credentials with an Authorised Third Party Provider.

4.1. To open a Tide GBP E-Money Account, apply for a Tide Card and/or be able to execute PPT Payments, the Applicant must manage a UK registered Non-Limited Business or Limited Organisation and be a UK resident.

4.2. An Account Manager may open an additional Tide GBP E-Money Account for the same Non-Limited Business or Limited Organisation or a different Non-Limited Business or Limited Organisation for which they are a director.

4.3. We will open your Tide GBP E-Money Account and issue your Tide Card to you on the basis of the Information that has been provided by the Applicant. You must ensure that the Applicant provides accurate Information and tells us of any changes as soon as possible so that our records remain correct.

4.4. If we discover that the information we hold about you is incorrect, we may have to suspend access to the Tide GBP E-Money Account, suspend or cancel your Tide Card and/or your ability to enter into PPT Payments until we can establish the correct information, in order to protect us both.

4.5. It is your responsibility to keep us updated of changes to your details.

5. RECEIVING AND ACTIVATING A CARD

5.1. The Tide Card will be posted to the Applicant's registered company address (for Limited Organisations) and the Applicant's trading address (for Non-Limited Businesses).

5.2. Tide Platform Users may apply for Team Cards via the Tide Platform which may be posted to the trading address of the Institution.

5.3. When the Tide Card is received, it must be signed by the Tide Cardholder immediately and should then be activated via the Tide Platform.

5.4. Once the Tide Card has been activated, the Tide Platform will give the Tide Cardholder the option to reveal the PIN. The PIN should never be revealed to anybody other than the Tide Cardholder. We will not reveal the PIN to a third party.

5.5. The PIN can be changed at any UK ATM. When selecting or changing the PIN, the Tide Cardholder must not select a PIN that may be easily guessed, such as a number that:

5.5.1. is easily associated with the Tide Cardholder, such as their telephone number or birth date; or

5.5.2. is part of data imprinted on the Tide Card; or

5.5.3. consists of the same digits or a sequence of running digits; or

5.5.4. is identical to a previously selected PIN.

5.6. You are responsible for all the Tide Cards issued, the use of your Tide GBP E-Money Account and actions undertaken by all Tide Cardholders under this Agreement and any fees or charges that these Tide Cards may incur.

6. USING THE CARD AND CARD EXPIRY

6.1. The Tide Card can be used at any Merchant to make purchases in-store, via the internet or over the phone and can be used to obtain cash through ATMs (fees will apply, see the Tide Terms for more information). A Tide Cardholder can authorise a Tide Card Transaction at any Merchant by entering the PIN or other security code, if the Merchant does not accept chip and PIN authorisation, the Merchant may allow the Tide Cardholder to authorise the Tide Card Transaction by signature of the receipt. A Tide Card Transaction can also be authorised by tapping the Tide Card against a Contactless enabled reader. A Tide Cardholder can also authorise a transaction via Apple Pay. A Tide Cardholder may be required to undergo additional authentication steps to authorise certain Tide Card Transactions. Please be aware that you may not usually stop a Tide Card Transaction once it has been authorised as at that point it is deemed to be received by us. We may refuse to execute a Tide Card Transaction if

we suspect that the Tide Card Transaction is unlawful or fraudulent. We will treat the Tide Card Transaction as authorised and genuine if:

6.1.1. the PIN or other security information personal to the Tide Cardholder is used; or

6.1.2. the Tide Card is used and the Tide Cardholder has authorised the Tide Card Transaction by signature of the receipt.

6.2. The Tide Card is a prepaid card, which means that the Available Balance will be reduced by the Full Deductible Amount, including additional ATM charges if any. The Tide Cardholder must not use the Tide Card if the Full Deductible Amount exceeds the Available Balance.

6.3. Due to security safeguards, Merchants that accept the Tide Card are required to seek authorisation from us for all of the Tide Card Transactions that are made by the Tide Cardholder. There are some circumstances where Merchants may require the Tide Cardholder to have an Available Balance greater than the value of the Tide Card Transaction they wish to make. The Tide Cardholder will only be charged for the actual and final value of the Tide Card Transaction they make. Merchants request this as they may need to access more funds than the Tide Cardholder initially planned to spend. For example:

6.3.1. hotels, rental cars, petrol stations (in case of using a self-service petrol pump, instead of paying to the cashier); and

6.3.2. internet Merchants – certain internet Merchant sites will, on registration or at checkout stage, send a request for payment authorisation to verify if funds are available. This will temporarily impact the Available Balance. Also, please bear in mind that many sites will not deduct payment until goods are dispatched so please be aware of this when checking the Available Balance to make sure sufficient funds are available to cover all purchases.

6.4. The Tide Card cannot be used in situations where it is not possible to obtain online authorisation that the Tide Cardholder has sufficient balance for the Tide Card Transaction. For example, but not limited to, Tide Card Transactions on trains, ships, and some inflight purchases.

6.5. When you use the Tide Card at a self-service petrol pump (“Pay at Pump”), you will receive a notification via the Tide App for a pending charge of up to £120 (the amount may vary depending on the fuel station you use - please check our FAQs for details). This is a temporary hold, until the final charge for the purchased fuel is calculated, but the amount needs to be available in your Tide GBP E-Money Account at the time of using the self-service petrol pump, otherwise you will not be able to use the Pay at Pump service. Sometimes, the confirmation of the amount actually spent and the collection of the final charges can take up to an hour. You will receive another notification via the Tide App after the final amount has been collected, and the remaining pending charge has been released.

6.6. The Tide Card should not be used as a form of identification.

6.7. The Tide Card may not be used for any illegal purpose or in any manner prohibited by law, nor for gambling, for any adult entertainment or for Quasi Cash transactions.

6.8. We may ask you to surrender any Tide Cards at any time for a valid reason in accordance with the provisions in paragraph 16 of this Agreement.

6.9. If a retailer agrees to give a refund for a purchase made using the Tide Card, the funds will be added to the Available Balance of the Tide GBP E-Money Account when we receive the funds from the retailer.

6.10. The Tide Card can be used to make Tide Card Transactions in currencies other than pounds sterling, the amount deducted from your Tide GBP E-Money Account will be converted to pounds sterling on the day we receive details of that foreign currency transaction. We will use a rate set by Mastercard, which will be available on each Working Day and changes in the exchange rate shall take effect immediately. Exchange rates can fluctuate and they may

change between the time a Tide Card Transaction is entered into and the time it is deducted from your Available Balance.

You can find out the exchange rate applied to a Tide Card Transaction in your transaction history on the Tide Platform. We will charge an additional foreign transaction fee for certain foreign currency Tide Card Transactions. Please see Tide Terms for more information.

6.11. The expiry date of the Tide Card is printed on the front of the Tide Card. The Tide Cardholder will not be able to use their Tide Card once it expires. We may send the Tide Cardholder a replacement Tide Card if requested by the Tide Cardholder (fees may apply, see the Tide Terms).

6.12. Any Available Balance remaining on the Tide GBP E-Money Account at Tide Card expiry will remain yours for a period of six years from the expiry date. Within this period, any Tide Platform User may at any time transfer any Available Balance on the Tide GBP E-Money Account to a UK bank account via Faster Payment (subject to Account Limits). 8.2. Subject to the issuance timings, fees as detailed in the Tide Terms and a daily maximum cash deposit amount, Tide Cardholders can add funds to their Tide GBP E-Money Account using cash by visiting any of the Cash Deposit Partners premises and using their Tide Card. Once cash has been accepted by the Cash Deposit Partner, PPT shall transfer funds corresponding to the amount of GBP cash accepted by the Cash Deposit Partner, less our fees, which are set out in the Tide Terms, into the Tide GBP E-Money Account associated with the Tide Card used by the Tide Cardholder. PPT or Tide may at any time block your access to all of your Tide GBP E-Money Accounts or suspend or terminate access to Cash Deposit Partners in order to prevent financial crime without any prior notice to you.

8.3. A payment coming into the Tide GBP E-Money Account may not be credited to the Tide GBP E-Money Account if:

8.3.1. the Tide GBP E-Money Account has reached the Account Maximum Balance or has exceeded the Account Limits; or

8.3.2. the funds exceed maximum cash deposit amounts that is permitted; or

or

8.3.6. to do so is prohibited by any law.

8.4. The funds may be sent back to the sender or Tide Cardholder (where applicable) without notifying the Account Manager if paragraph 8.3 applies.

AUTHORISATION FOR PAYMENTS AND STOPPING PAYMENTS

8.14. It is each Tide Platform User's responsibility to ensure correct Payment Details are provided when making any PPT Payments or setting up a payee. You are responsible if a Tide

Platform User gives us incorrect instructions or mistakenly instructs us to make the same PPT Payment more than once, but we will try to help you get the money back. We may not always be able to do this, but we will do all we can. We will charge you a fee for tracing, recalling or cancelling a PPT Payment. We will tell you how much it is before we start the recovery process. If we cannot get the money back, you can request the relevant information we have about the PPT Payment to help you reclaim the money. your Tide GBP E-Money Account to the same position as if the incorrect Tide Card Transaction and/or PPT Payment had not been made. However, this will not apply if:

If we are unable to recover the funds, you can request the relevant information we have regarding the transaction to help you reclaim the payment

amount. For legal reasons, we are obliged to provide this information on receipt of a written request, except where the law prevents us from doing so; or

15. AUTHORISED PUSH PAYMENT (APP) FRAUD

15.1. If you fall victim to an APP fraud, you may be eligible for reimbursement under the FPS Reimbursement Rules and/or CHAPS Reimbursement Rules, which apply to UK Faster Payments and CHAPS payments made on or after 7 October 2024. Payments made before this date or through other methods are not covered. The maximum reimbursement is in the amount of £85,000 (or any other amount set by the FPS Reimbursement Rules or CHAPS Reimbursement Rules from time to time), applied across all linked APP fraud claims.

15.2. To be eligible for reimbursement:

- (a) You must be a Consumer;
- (b) You must be compliant with the Consumer Standard of Caution (unless at the time the payment was authorised you were considered vulnerable which had a material impact on your ability to protect yourself from the scam), namely:
 - (i) consider any interventions provided by us or a Competent National Authority;
 - (ii) report the scam via the Tide Platform or by calling 159 promptly upon learning of it or suspecting it;
 - (iii) comply with information requests from us and Tide; and

- (e) the payment in question should not be for an unlawful purpose;
- (f) the payment should be made via Faster Payments or CHAPS to a UK account not controlled by you;
- (g) the payment should be sent to the intended account, but either: (i) it did not reach the intended recipient, or (ii) it was used for an unintended purpose;
- (h) the payment should be made on or after 7 October 2024 and must be reported as scam in any case no later than 13 months after it was made;
- (i) the payment should not be sent to or received by accounts with credit unions, municipal banks, or national savings banks;
- (j) any other criteria determined by the FPS Reimbursement Rules should be complied with.

15.3. If your claim is successful, you will be reimbursed for payments made as part of the APP Scam up to the maximum value in clause 15.1 which is the maximum amount reimbursable also for all linked APP fraud claims. We reserve the right to deduct an excess of £100 (or such other amount determined by the FPS Reimbursement Rules or CHAPS Reimbursement Rules from time to time) per reimbursement claim from the amount reimbursable to you. Reimbursement is made usually within five Working Days but may take up 35 days if further investigation and/or information is required from you.

15.4. If your claim does not meet the criteria for reimbursement, we will notify you in writing.

15.5. If you are unhappy with the outcome, you may file a complaint—see clause 20 for details.

If we give you two months' notice of changes to this Agreement which relate to the availability of a new service or functionality, you will be deemed to accept such changes if you chose to use the new service or functionality before expiry of the two months' notice period. However, in the event you do not cancel during this period then you will be deemed to have accepted them and the changes will apply to you.

16.3. There are some situations where we can make changes to this Agreement and we do not have to tell you in advance. These are changes you probably expect because of the nature of the product or service, or that you won't mind about because they are favourable to you. We do not have to tell you personally in advance when any of the following happen:

16.3.1. if the change is in your favour, if we reduce your charges, if we make this Agreement fairer to you, or if we introduce a new service or feature from which you can benefit.

16.3.2. we make a change because a change in law or regulation says that we have to by a particular date, and there isn't time to give you notice.

16.4. If any part of this Agreement is inconsistent with any regulatory requirements then we will not rely on that part but treat it as if it did actually reflect the relevant regulatory requirement. If we need to make operational changes before we can fully comply with the new regulatory requirement, we will make those changes as soon as reasonably practical.

We will update our Agreement to reflect the new regulatory requirements when they are next reprinted.
