

APPENDIX

Federal Acquisition Regulation and Defense Federal Acquisition Regulation Supplement Flowdown Provisions for Suppliers

To the extent the materials being supplied by the Seller (alternatively referred to as “Supplier” herein) are in support of contracts between C&D Technologies, Inc. (“C&D”) and the U.S. Government, the following terms apply and supersede any conflicting language in the C&D Technologies, Inc. Terms and Conditions of Purchase.

C&D Technologies, Inc. is required to include the Federal Acquisition Regulation (“FAR”) and Defense Federal Acquisition Regulation Supplement (“DFARS”) clauses listed below, as applicable, in its purchase orders for materials supplied and work performed in support of C&D’s U.S. Government contracts. The FAR and DFARS clauses referenced below are incorporated herein by reference, with the same force and effect as if they were given in full text. Supplier shall substitute “Supplier” for “Contractor” and “C&D Technologies, Inc.” for “Contracting Officer” or “Government” throughout each clause, as applicable. To the extent that a clause does not apply to a particular purchase order, as provided in the clause and the respective notes included below, it is self-deleting. The full text of a clause may be accessed electronically at: <http://farsite.hill.af.mil/vffar1.htm> or <https://www.acquisition.gov/far>. C&D reserves the right to amend this Appendix to add or remove clauses pursuant to C&D’s requirements under its U.S. Government contracts.

DPAS Requirements. The individual purchase orders issued under this Agreement will note whether the purchase order is a Rated Order certified for national defense, emergency preparedness, and/or energy program use. If the order is a Rated Order, the Supplier is required to follow all the requirements of the Defense Priorities and Allocation System regulation (15 C.F.R. Part 700). Supplier must fill Rated Order(s) by the required delivery date specified in the purchase order. See FAR 52.211-15, Defense Priority and Allocation Requirements (APR 2008).

Changes. C&D may, at any time, make changes within the general scope of purchase orders issued under this Agreement, in the event that a corresponding change is issued by C&D’s customer. See FAR 52.243-01, Changes – Fixed-Price (AUG 1987).

Stop Work. Supplier shall adhere to any stop work notices provided by C&D in the event a corresponding stop work order is issued by C&D’s customer. See FAR 52.233-3 Protest After Award (AUG 1996), see also FAR 52.242-15, Stop-Work Order (AUG 1989).

Termination for Convenience. C&D may, at any time, terminate a purchase order issued under this Agreement for its convenience, in whole or in part, if the corresponding scope of work in C&D's agreement with its customer is terminated for convenience. See FAR 52.249-1, Termination For Convenience Of The Government (Fixed-Price)(Short Form) (APR 2012).

Information Systems Security. If the individual purchase order is for operationally critical support or for which performance will involve covered defense information, Supplier is required to provide adequate security on all covered contractor information systems. To provide such security, Supplier must implement information security protections, including compliance with the security requirements in National Institute of Standards and Technology (NIST) Special Publication (SP) 800-171, "Protecting Controlled Unclassified Information in Nonfederal Information Systems and Organizations." See DFARS 252.204-7012, Safeguarding Covered Defense Information and Cyber Incident Reporting (DEC 2019).

Quality and Sourcing. Supplier is required to comply with certain quality and material restrictions, including material sourcing, to ensure C&D's compliance with its customer's requirements.

The following clauses apply to all purchase orders issued by C&D to Supplier:

52.203-17, Contractor Employee Whistleblower Rights (NOV 2023)
