

In Italy, when friends and family have dinner, the food is served in four rounds, presented at the middle of the table for everyone to share. The different dishes are usually prepared with a few quality ingredients and together they add great variety and flavour. People usually call this a tasting menu, we simply call it dinner.

We are never in a hurry when we eat because, for us, this is the highlight of the day. It's where we catch up with each other and solve all the problems in the world.

So even if you are here for the first time, on a date or here in business, we will serve you as a family. Buon appetito!
