# CICCIO'S

ITALO-  
AMERICANO

## IN ITALY WE ALWAYS SHARE

*Many italians from the Mezzogiorno, southern Italy, migrated to America during the poverty. These working class heroes, known as italian americans, brought with them their love of food. To them, the dinner was the highlight of the day, usually surrounded by family and friends. Several dishes, few quality ingredients, served in the middle of the table to share. Some call it family style dinner, we call it Ciccio's.*

## START ~~WITH~~ ANTIPASTI
