FLEXIBILITY

Ever wanted to spend an extra day in a city so you could have that special dessert one last time? Or leaving as soon as you get there because it's just not your vibe? With a Hop-on Hop-off Pass you can have your cake and eat it too. Making **last-minute changes** is **hassle-free** and won't cost you a cent. It's your choice, your way.

Use **MyTrip** (our travel planning tool) after you've purchased your Pass, to plan and switch out your coach days, and no longer worry about having to pay extra fees. Because Europe is best enjoyed stress-free!

COACHES

We have an epic private fleet of coaches waiting for you. They're **modern and air-conditioned** with reclining seats and plenty of legroom so you won't feel cramped like you would on public transport. A true first-class experience!

They are equipped with an **onboard entertainment system** so you can watch great movies from your phone or tablet. Or just hook up to the WiFi and post all those FOMO-inducing photos on Instagram. There's

plenty to keep you entertained so you won't be twiddling your thumbs. Oh, and the views are pretty grand too.

One of the biggest perks of these coaches is the **door-to-door service**. You'll be dropped off and picked up from our recommended accommodation partners and save plenty of time and cash on unnecessary transport getting to and from stations. You'll also skip having to lug your bags around town figuring out which road to turn down. And you can't put a price on that!

CREW

Your Guides

You're going to meet plenty of these **legends on your trip**. They're like walking European encyclopaedias and will go out of their way to make sure they have an answer to all your questions. They go through months of training to learn about all the destinations you'll be visiting. They are always beyond excited to help you make your trip the best ever. You'll love them because they're travellers, just like you!

Your Drivers

These guys love Europe so much that they never tire (see what we did there) of driving the same scenic roads. Always a bundle of joy, don't be surprised if they break into song mid-journey or share a few jokes.

The only thing they love more than Europe is their coaches, and you're likely to see them shining some chrome at sunset with the biggest smile on their faces.

The coolest thing about using a Hop-on Hop-off Pass is the freedom of choice you'll have on your trip. You have a say in everything, so you can design the journey you always imagined.

From who you're going to spend time with to what you'll be doing day-to-day, this is where your adventure comes to life!

YOUR TRAVEL MATES

We believe the biggest myth about solo travel is that you'll be on your own the whole time. You won't. At all. There are **thousands of travellers** on our network every season. From history buffs to adrenaline junkies and foodies to culture vultures. You'll come across them all. Some will instantly become BFFs, others won't get past the small talk at the service stop. And that's OK!

The beauty of a Hop-on Hop-off Pass is that you can **choose who you travel with** at all times. Pick your new best friends and set out to create the shared memories you'll never forget. That unique connection is what brings us together.

@PRETTYULTRAVELER

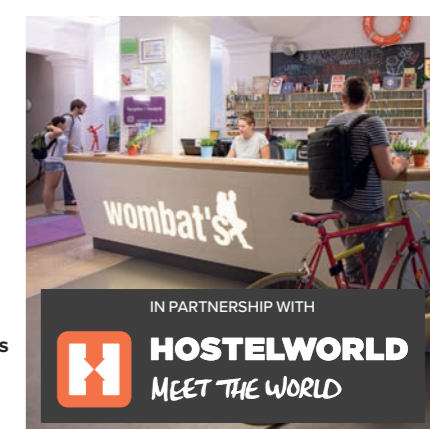

YOUR ACCOMMODATION

With accommodation up to you to book, you have a variety of options when choosing where to rest your head at night. From modern hostels to idyllic campsites, and five-star hotels to your long lost cousin's family home - your options are endless.

But, if you love convenience, then we have some good news for you. We hand-pick **one great place to stay** per destination so you don't have to.

This is also where the coach will **pick you up and drop you off**. They're mostly vibey hostels that have a combination of great city-centre locations, excellent ratings, variety of room types and free WiFi. What's more? They're filled with other travellers! We recommend them for a reason.

If you're keen to join us there, **book your beds through MyTrip** and get 5% back to use on a future Busabout trip. Visit busabout.com/bedcred for more info.

YOUR ACTIVITIES

The only way to **truly experience Europe** is by... experiencing it! Have a go at making some sangria and paella in Spain, jump out of a plane in the Alps, or dress to the nines and go to the Moulin Rouge.

We have you covered on all of these and loads more!

Your guide will give you a **run down on the optional activities** we offer, while on the coach to your next destination.

They're optional for a reason, so if all you want to do is sit in a park and watch the locals go about their lives, you can do that instead. We won't judge!
