Frequently Asked Questions

1. What do I need to bring with me?

Please bring photo ID (Passport, Driving Licence, BRP) to verify your identity.

2. What should I wear on my first day?

Wear something comfortable and warm, as we will be walking around the warehouse, including all chambers like ambient, chill, banana chamber, and freezer, to show you how everything works. This is also part of the health and safety introduction. Hi-viz and safety boots will be provided.

3. What are the temperatures like in the different chambers?

The temperatures in the various chambers are controlled. In the chill area, it's around 2°C, in the banana chamber, it's between 14°C to 18°C, in the freezer, it's -25°C, and in the ambient area, the temperature is moderate, above 18°C.

4. Is there a canteen available?

Yes, there is a canteen at each of our sites which provides hot and cold food. There is also access to fridges and microwaves. Free tea and coffee is available from the machines.

Avonmouth Questions

1. What time do I need to arrive on my first day?

Be punctual and arrive by 8 AM. Plan your journey accordingly, as there is usually more traffic in the morning. If you are late, we might not be able to continue with your induction according to our schedule and will likely need to reschedule your induction for the next available term. Please let us know if you cannot make it as soon as possible at the number 07800918795.

2. Where do I park?

The site has an internal parking lot. Use the staff parking line. When you arrive, use the intercom option "reception" to connect with someone who will ask you a few questions about the purpose of your visit, etc. Remember to wait until the barrier is fully raised and observe the 10-mph speed limit.

You can use any available parking bay, and if you need easy access for any reason, we have disabled access parking bays. Make sure to place your badge visibly on the front windshield. Additionally, we also have bike and pushbike shelters. Just remember you are putting them there at your own risk, so make sure you can secure them.

3. Where do I go after I have arrived?

When you arrive, head straight to the reception, which is the entrance on the right side of the building. The doors are remotely/access card controlled, so don't worry, someone from the reception will open them for you.

Register at the reception, sit comfortably, and wait for the trainer. If you arrive early, our warehouse has a canteen with free coffee, and all facilities like toilets are around and available.

4. Is there any public transport?

Yes, you can use the FIRST bus line 41, and our company also provides private transport through the sponsored Zeelo Bus use the link for more details:

5. How long will the induction be?

The induction will start at 8 AM and end at 2 PM, including a 30 minute break and short breaks as needed for refreshments.
