Frequently Asked Questions

1. What do I need to bring with me?

Please bring photo ID (Passport, Driving Licence, BRP) to verify your identity.

2. What should I wear on my first day?

Wear something comfortable and warm, as we will be walking around the warehouse, including all chambers like ambient, chill, banana chamber, and freezer, to show you how everything works. This is also part of the health and safety introduction. Hi-viz and safety boots will be provided.

3. What are the temperatures like in the different chambers?

The temperatures in the various chambers are controlled. In the chill area, it's around 2°C, in the banana chamber, it's between 14°C to 18°C, in the freezer, it's -25°C, and in the ambient area, the temperature is moderate, above 18°C.

4. Is there a canteen available?

Yes, there is a canteen at our site which has vending machines. There is also access to fridges and microwaves. Free tea and coffee is available from the machines.
