

Seeds of Hope

Your wish come true, it's what we do!

A chance to make a wish for yourself, your family,
a colleague, or even your local community!

The last 12 months have been a challenge for us all,
but you've all been amazing, so we want to say thank you,
we want to look to the future with hope, we want to grant your wishes!

We can't stretch to paying off your mortgage or sending you to
Barbados(!) but here are some ideas to get you thinking...

- Treating a family member to tea and cake to make up for lost time
- Gifting a colleague the technology they need to connect in a virtual world
- Bringing people together in your community with new picnic benches

To submit your wish, you just need to visit

The deadline for submitting wishes is Sunday 25th April
so start thinking about how you'd like to spread some joy!

We will announce the wishes we will grant in May,
when Uplift 2021 continues.
