

.....

The details provided will only be used to contact you if you win, and we'll securely dispose of your details once they're no longer needed for the purposes of this prize draw.

RAISING
PLENTY IN **2020**

Get creative with the well-known guessing game.

Sweets in the jar? Mystery item in the box? Weight of the baby?

Whatever you choose, find a prize, use this form and ask for a donation to take part.

A few things to note:

1. Please make customers aware of the statement at the bottom of the guessing sheet.
2. Fill in the sheet on behalf of the customer, this avoids sharing other customers contact details and also cuts down on physical contact through passing a pen.
3. Store this sheet securely until you have picked and notified the winner then dispose of it securely.
4. When planning your 'Guess the' competition you must fill out a 'prize draw' form. This can be found in the raffles guidance document on the fundraising pages of How Do I and the FLP Intranet.
5. Ensure you state any exclusions, i.e. 'You must be 18 or over' if the prize includes alcohol.
