

Thanks to a Special Group of Heroes!

To all my employees,

Over the past few weeks, as our community has been dealing with the stress of the COVID-19 epidemic, they've continued to depend on us for their plumbing, heating, cooling, and electrical needs. I'm so proud of you. What you do is essential for peoples' health, safety, and comfort. By answering the calls, stocking the trucks, and going to consumers' homes to open their drains, fix their kitchen and bath leaks, repair their heating and cooling problems, resolve their electrical issues and much more, you are getting it done. Your commitment in the face of uncertain times is amazing.

One of our community programs is "Tom Drexler Heroes," where we recognize and honor those who go over and above. Today I recognize every one of you in the Tom Drexler family for your hard work and dedication in these trying times.

Thanks and God Bless You - Heroes Every One!
