PLUMBING

WARRANTY TEMPLATE

WHAT IS A PLUMBING TEMPLATE IS USED FOR:

A warranty template outlines the parts and labor responsibilities you offer the customer.

WHAT IT LOOKS LIKE

A warranty template will include:

JOB DETAILS

Include all relevant information related to the job.

GENERAL WARRANTY

Every service company should have a statement that provides confidence to customers.

LABOR WARRANTY

This is the amount of time you agree to honor call backs (for free or a fee) for install and repairs.

PARTS WARRANTY

Insert all manufacturer warranty information that is relevant to the customer.

ITEMS NOT COVERED

It's equally as important to let the customer know specifically what work is not covered.

PERMITS AND CODES

State who is responsible for obtaining permits for work that requires it.

DOWNLOAD THE TEMPLATE

Fill out the form below and download this **free template** to start using for your business today.
