Infinity Labs Named No. 721 on the 2026 Inc. 5000 List, the Most Prestigious Ranking of America's Fastest-Growing Private Companies

Company Recognized for 476% Three-Year Revenue Growth, Earning a Place Among the Nation's Most Successful Independent Businesses

Dayton, OH – Infinity Labs proudly announces it has been ranked No. 721 on the [2026 Inc. 5000 list](#), the annual list of the fastest-growing private companies in America. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. Past honorees include companies such as Microsoft, Meta, Chobani, Oracle, and Patagonia.

According to Infinity Labs CEO, Dr. Kenneth Edge, "Being named to the Inc. 5000 is a tremendous honor and an important milestone for Infinity Labs. Our growth is a reflection of the trust our customers place in us, the strength of the partnerships we've built, and, most importantly, the extraordinary talent and commitment of our people. As we continue to grow, we remain focused on what has brought us here: solving our nation's most complex challenges with speed, ingenuity, and purpose. This recognition reinforces that our mission-driven approach is resonating, and we're incredibly excited about the opportunities ahead to expand our impact across the national security community."

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

"Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still," says Mike Hofman, editor-in-chief of Inc. "Their growth reflects more than strong financial performance—it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement."

Headquartered in Dayton, OH, Infinity Labs specializes in transforming national defense through elite talent and tailored technology solutions in Modeling, Simulation & Analysis, Cyber, Advanced R&D, Digital Engineering, and Training Solutions.
