ROKU 9.90

Roku is a Japanese gin. The name Roku means "6" in Japanese in reference to the 6 Japanese botanicals used in distillation. Each rook botanical is harvested in accordance with the Japanese concept of "shun", the tradition of enjoying each ingredient at its best, only harvested once they have reach the peak of flavour perfection. **Served with tonic, lemon & dried junipers**

HENDRICKS 10.50

Divinely smooth with character and a balance of subtle flavours, whose infusions of cucumber and rose petals create a wonderfully refreshing gin with a delightfully oral aroma. **Served with tonic & fresh cucumber**

STAR OF BOMBAY 10.20

Star of Bombay is created through a slower distillation process giving increased extraction of the essential oils and flavours of the botanicals for increased richness and complexity. **Served with tonic & fresh orange**

TANQUERAY SEVILLE 10.20

Tanqueray Flor de Sevilla is a unique distilled gin made with Sevilla orange essences and other fine botanicals. Inspired by Charles Tanqueray's original recipes and the ripening oranges growing on the trees in sun-drenched SEVILLE, the result is a perfect balance of the uniquely bittersweet taste of Seville oranges balanced with the complexity of Tanqueray London Dry Gin. **Served with tonic & fresh orange**

LOUCHE LEMON GIN 9.60

Louche Lemon Decadence Gin from That Boutique-y Gin Company features a punchy combo of Amalfi and Sorrento lemon peels at its heart. This tasty rascal is brimming with essential oil from distillation, meaning that it will louche (go cloudy) when mixed with tonic water. Immensely refreshing stuff. The label also features a relaxed though sophisticated lemon, lounging around like a cat who has got the cream through devious means. You could almost say it looked particularly... Louche. **Served with tonic & fresh lemon**

BROOKLYN 10.20

Founders Emil Jättne and Joe Santos set out to make a high-quality, small-batch, American gin using fresh ingredients and traditional methods. The distilling process takes three days to complete just 300 bottles. The flavour is fresh and complex, with juicy citrus notes that enhance both classic and contemporary gin serves. **Served with tonic, lime & orange**

MERMAID PINK GIN 10.20

The Isle of Wight Distillery has created a vibrant variation of it's excellent Mermaid Gin, boasting a delightfully sweet flavour profile and rosy hue thanks to an infusion of Island strawberries! These tasty strawberries make for an intriguing juxtaposition with the botanicals already in the mix, including the subtly savoury rock samphire, the herbaceous Boadicea hops and the zesty Sicilian lemon. **Served with tonic and fresh strawberries**

BATHTUB 9.90

Made using the traditional method of Cold Compounding (or in layman's terms – infusing). Very high quality copper pot-still spirit is infused with ingredients including juniper, orange peel, coriander, cassia, cloves and cardamom, with the length of the compounding period controlled entirely by periodic sampling. **Served with tonic and fresh lime**
