REPORT FROM THE CHAIR

During the past twelve months our community has continued to be affected by the COVID-19 pandemic. One positive that has resulted is that more people are playing golf and club membership numbers have increased in Tasmania by 3% to approximately 11500 golf club members: 82% males and 18% females. The challenge and opportunity that this presents, is to retain and engage these new players and support golf clubs into the future. How we do this poses the question as to "what do we want golf in Tasmania to look like in the future?" This is not a question that can be answered easily as we all have different views and needs, along with the requirements of the broader community.

However, it is relevant and for golf to grow we need to consider the now diverse opportunities and golf formats for people to experience golf, and where that leads and how do we, as a golfing community sustain the increased activity.

Although the percentage of women players has increased slightly, the overall number of females participating is of concern. As part of GA's Vision 2025, Even Par Workshops have been conducted by Simon Weston over the past year in all regions resulting in clubs developing action plans to increase female participation both in golf and governance positions. We are confident these plans will have a positive effect.

This year has seen the Golf Tasmania (GT) Board focus on renewal, strategy and sustainability for golf in Tasmania. We have engaged with Golf Australia (GA) in development of a National Strategy for golf: the focus of that strategy, which will be released in coming months is that ALL GOLF IS GOLF, a game for all ages. I would encourage all clubs and members to become involved and participate in the webinars that will occur in coming weeks. It is an exciting time for the development of ideas and future planning with the focus on growing the game!

A review of the GT constitution has been undertaken as part of our strategic plan: the purpose being to update and align the constitution to ensure it correctly reflects the One Golf Services Agreement and the roles of GT and GA. The One Golf Services Agreement has provided Tasmanian golf with many benefits. This year has seen the addition of two new staff: David Stein was appointed as the Victoria/Tasmania State Manager: His role is a conduit for the GT Board to GA staff and to provide support to the GA staff who work in Tasmania. In addition, Courtney Docking has been appointed as a 0.6 Participation Officer to work with Simon Weston in the golf development area. We welcome both these staff members and look forward to working with them.

Whilst being part of the One Golf Services Agreement, it is most important that as a small state and isolated from the mainland, we need to maintain our relevance and identity and make sure we are not forgotten. There have been many opportunities to do this, during the past year, and an important role of the GT Board is to continue to strongly identify our uniqueness and promote participation for our members in Tasmania.

Due to COVID-19 many events were unfortunately cancelled again this year. This has limited the opportunities for representatives for travel to interstate events, and it is hoped next year will see a return to normality.

REPORT FROM THE CHAIR

The Tournaments Rules and Rating Committee has been tasked with a review of events and pennant. There has been a decline in participation of state events in recent times, the reasons for which need to be identified and addressed if possible. It maybe that we need to create new and different event types. Member clubs need to embrace events including juniors and novice events. Advertising of all competitions requires improved communication to ensure as many people have access to event information across the state and not just the online entry form.

Congratulations to the winners of state events this year and to all those who competed. Thanks also to the volunteers, referees, staff and golf clubs involved. A review of course ratings commenced to ascertain if there were any differences between 9 and 18-hole courses. This work is ongoing.

It was pleasing to note the formation of the new NWGT district association which occurred in late 2020, amalgamating the men and women's associations. Thank you and well done to all involved: It is a positive step to reduce fragmentation and duplication and enhance combined events in the North-West. This recognition is in line with the protocols as encouraged by Golf Australia under the One Golf Strategy and of the Federal Government Community Sports and Recreation guidelines.

Access to financial reporting and communication between GT and GA has again been a strong focus this year. On behalf of the GT Board, I would like to acknowledge and thank James Sutherland CEO GA, David Greenhill and David Stein and all GA staff who have openly communicated and worked tirelessly this year to provide support and assistance whenever it was needed.

Stuart Eaton and Simon Weston have continued to deliver high quality golf services in a professional way. Their roles have grown this year, and both have embraced the opportunities. They have worked co-operatively with the GT Board and me as Chair and I know the entire Board is appreciative of their efforts and commitment.

Appreciation and gratitude is extended to the Tasmanian Government for their continued generous financial and administrative assistance to both GT and member clubs. We are very fortunate to have the interest of the Government to help grow and support golf in this state.

In what has been another challenging year, I express my gratitude to the GT Board members, Chris Bell, Debra Brinkley, Trevor Cordwell, Bev Holman, John Milbourne, Alison Sully and Fleur King for the support and work they have done and do to promote the interests of Tasmanian golf clubs and golfers. During the year Trevor Cordwell and Debra Brinkley resigned for personal reasons. Thank you for giving your time, energy and passion to progress the interests of golf.

I would like to acknowledge the contribution and extend my gratitude to retiring board member Chris Bell, who over the past 6 plus years has been a board member and Chair of the Tournaments Rules and Ratings Committee. Chris has spent many, many hours, preparing, conducting and refereeing events at state level.

REPORT FROM THE CHAIR

The success of these events are a result of Chris' passion and commitment. It is hoped he will continue his involvement with state events.

On behalf of the GT Board, I extend a huge thank you to everyone involved in golf in Tasmania. I commend everyone for their participation. We have a great opportunity to work together to further grow golf in Tasmania.

My best wishes to the Tasmanian Golfing community. Good Golfing!!

CHAIR

TREASURER'S REPORT

For the period 1 July 2020 to 30 June 2021 Golf Tasmania Incorporated (GT) recorded a small deficit of \$1,267.00 (2020: \$5,627 surplus).

During the financial year, GT operated entirely under the OneGolf model, having fully transitioned and engaged Golf Australia to undertake all activities in Tasmania on its behalf in accordance with the OneGolf services agreement.

GT and Golf Australia Limited ("GA)" entered into this service agreement on the 1st March 2018. GA from that time is responsible for the provision of services related to the operation, administration, management, promotion, and regulation of golf throughout Australia, including the employment of all persons necessary to achieve a national strategy. All employees of GT were either transferred to GA or paid out their entitlements. Assets and liabilities of GT were transferred to GA, excluding the Queen St property, cash holdings and grant funding for the 2018 financial year.

As a result, Golf Tasmania Incorporated paid GA a OneGolf services fee of \$361,237 for the period 1 July 2020 - 30 June 2021 (2020: \$349,008), with the 3.5% increase due to greater membership numbers between periods of measurement.

COVID-19 pandemic has continued to impact communities and businesses throughout the world including Australia and the operations of GT. During the pandemic, the Government restrictions arising from COVID-19 has resulted in a number of restrictions for the industry across Australia. The Board is continuing to monitor the situation. The scale, timing and duration of potential impacts on the Association are unknown due to the uncertainty of the pandemic.

The balance sheet of GT remains in a strong position with net assets of \$1,220,069 represented in majority in the Golf House property and cash and cash equivalents. It should be noted that on the 2 August 2021 GT revalued its land and buildings located at 2 Queen Street, Bellerive, replacing the previous valuation in 2015. The valuation deemed to reflect the value of land and buildings as at the 30 June 2021. The total and buildings were valued at \$725,000 up from \$485,080 in 2015.

DEVELOPMENT REPORT

2021 has been a very strong year in terms of participation in Tasmania. Clubs are seeing new members joining and GolfLink rounds have increased significantly from past years. This is very positive news for the industry as a whole.

MYGOLF

From a junior golf perspective, MyGolf continues to grow with more young people now being involved in golf than past years. There were 21 golf clubs/facilities offering MyGolf in the past 12 months. Through June 2021, 40% of the MyGolf participants were female. This is a very positive sign that more young girls are playing and enjoying golf. There were a total of 855 MyGolf registrations for 2020/21. The target this year is 1,113 and we are well on track to reach or surpass this by June 30, 2022.

MYGOLF SPORTING SCHOOLS

MyGolf Sporting Schools is a Federal Government funded initiative that provides funding to schools to offer sport to their students. There are 35 sports available to schools. Golf is often among the most requested sports in Tasmania. In fact golf is sometimes the most requested sport in Tasmania.

During 2020/21 we delivered 47 school programs across the entire state. This means that over 9,000 children experienced golf many for the first time.

GET INTO GOLF

Get into Golf is the new adult introductory programs aimed at introducing more adults to golf. Since launched in July 2020 the response has been over whelming with very strong numbers.

Get into Golf has 4 categories available:

- Get into Golf General (all men & women)
- Get into Golf Women
- Get into Golf Seniors (over the age of 55)
- Get into Golf All Abilities

2020/21 in Tasmania there were 762 people registered in Get into Golf programs. There were 168 programs delivered across the state at 18 different clubs/facilities. 79% of all participants were female.

VISION 2025

Vision 2025: Even Par Workshops have been delivered in Hobart and Launceston with initially 10 clubs involved. These workshops are aimed at bringing more women/girls into golf. Not just playing the game but in leadership positions on boards. The feedback has been positive & we will continue to work with these clubs in to the future.

The workshop series is being offered on the North West Coast from August 2021.

Simon Weston continues to travel the state and meet with club representatives to discuss club support and participation initiatives. During these meetings, various topics are covered including Vision 2025, Get into Golf, MyGolf, grant writing assistance etc. These club visits are a good opportunity for Simon to understand each clubs individual circumstances. Golf Australia is available to meet with your club to advise/guide clubs at any time.

DEVELOPMENT REPORT

2021/22 will be another busy year and the registration/participation numbers show that golf continues to grow in popularity with more people of all ages playing the game. If you would like to discuss anything development/participation related please contact Simon Weston.

HIGH PERFORMANCE REPORT

The Tasmanian High Performance program continued to be interrupted by the COVID-19 pandemic throughout late 2020 and 2021, however there were intermittent opportunities for athletes to engage in camps, tournament experiences and address the key objectives of the Tasmanian High Performance program.

The key objectives of the High Performance program throughout the 2020/21 period remain as outlined below – a continuation of what has been introduced over the past two years:

- Continue to develop and deliver an effective HP program for Tasmanian athletes
- Set an appropriate tournament schedule for Tasmanian HP athletes in line with their current level
- Upskill the cohort of Tasmanian based teaching professionals
- Expose Tasmanian HP athletes to physical & mental requirements of elite golf
- Implement local and interstate camp structure

Three camps were held in Tasmania for the High Performance squad throughout the 2020/21 financial year which were interspersed with online learning opportunities. The 2020 High Performance squad induction was hosted online, with all athletes and the coaching team taken through the requirements of being a high performance athlete. In person camps took place in both Hobart and Launceston in December January and June (2021 induction) utilising the Tasmanian High Performance coaching team.

Individual Performance Plans (IPP's) with athletes were conducted online and these outlined athlete goals, areas for improvement and the path to achieve this. Richard Cooney, our head coach has been involved in all aspects of each athlete's development.

The High Performance team continues to work with all athletes in the High Performance squad and is as follows:

High Performance Manager Matt Cutler Head Coach Richard Cooney Exercise Physiologist Andrew Bonsey Biomechanics Ryan Lumsden Sports Psychology Emma Harris Women's Pathway Stacey Peters Development Manager Simon Weston Athlete mentor Mark Schulze

OPERATIONS REPORT

WORLD HANDICAP SYSTEM

Golf's two international governing bodies, The R&A and the United States Golf Association (USGA), have worked together with the world's major handicapping authorities to develop a single handicap system for the game Golf Australia is one of the organisations that has been closely involved.

www.golf.org.au is the only authorised website that will display your handicap record when the World Handicap System went live in Australia on 30 January, 2020.

COURSE RATING

In 2009 Golf Australia adopted the USGA Course Rating System which is considered world's best practice.

The system fundamentally establishes a scratch (or course) and bogey rating and sees the actual measured length of a course being replaced by effective playing length which assists in reflecting what a golfer encounters during a round.

The rating of all Golf Tasmania's member courses under the system was completed in 2011. However, a number of member clubs were visited by ratings teams during 2019 to assess adjustments (additional courses and amendments to established courses).

Golf Tasmania thanks Gary Knight, Terry Ranson and the rating teams for their dedication to course rating in this state.

RULES ACCREDITATION

The R&A's Rules Education programme consists of a three-tiered approach with the aim of graduating delegates through the stages to develop their Rules knowledge. The seminars are tailored to provide basic instruction for those newer to the game, as well as meeting the demands of more experienced officials looking for tournament specific guidance.

There are three levels:

- Level 1 Rules Seminar (presented online via www.randa.org)
- Level 2 Rules Seminar
- Level 3 Tournament Administrators and Referees Seminar

At each stage, there is the opportunity to sit an appropriate exam. The exams are recognised throughout The R&A's jurisdiction. Ideally, delegates should successfully complete each stage before progressing to the next level, attaining and building a comprehensive Rules knowledge in the process. It is also vital that practical experience is obtained in order to become an effective exponent on the Rules, refereeing and running competitions.

MAJOR SPONSORS

To Coca-Cola Amatil, Fuji Xerox Business Centre, Hostplus, Communities, Sport and Recreation and Events Tasmania for their financial support of our major championships throughout the state.

To our supporting sponsors such as Adina Watches and Fresh Freight Tasmania we offer our sincere thanks for your continued support and assistance throughout the year.

2021 MEN'S AND WOMEN'S TASMANIAN OPEN CHAMPIONSHIPS

Josh Fuller continued his hot streak while Kelsey Bennett made it a double for the New South Wales crew at the Tasmanian Open at Kingston Beach in February.

Fuller, 19, came to Hobart off the back of a victory in the Concord Cup in Sydney over three rounds, and he barely broke stride in carding four rounds in the 60s to win the men's title by five shots at 14 under.

Josh Fuller (NSW) and Kelsey Bennett (NSW)

He shot rounds of 68-66-69-67 in his win.

South Australian Jack Buchanan played in the final group and was the closest competitor to Fuller at nine under par. When Buchanan went eagle-birdie to start the back nine he had moved within three shots, but Fuller moved away again.

Buchanan shot 68 and did nothing wrong, but he had conceded four shots at the start of the day and it proved to be too much to cover.

The 21-year-old Bennett's domination of the women's event was even more comprehensive; she started with a 10-shot lead and kept it through the final day, ultimately shooting a 68 to finish at eight under par, after earlier rounds of 73-68-67. She was 10 shots ahead of another New South Wales player, Belinda Ji.

2020 MEN'S AND WOMEN'S TASMANIAN AMATEUR CHAMPIONSHIPS

Louis Dobbelaar (QLD) and Mackenzie Wilson (TAS)

Mackenzie Wilson won her home-state championship for the first time, while Louis Dobbelaar prolonged his winning habit by taking out the Tasmanian Amateur championships at Mowbray in November.

Tasmania Golf Club junior Wilson, 17, dominated the women's event, taking a four-shot lead into the final round and ultimately winning by 10 from Sarah Johnstone, another Tasmanian who plays out of Ulverstone Golf Club.

Wilson's 74-74-70-70 left her at even par for the 72 holes, a personal best but a single shot away from her target for the week of getting into red numbers.

Dobbelaar, 19, has previously won two Queensland Amateurs, the New Zealand Amateur and the Port Phillip Amateur in Melbourne making him one of Australia's best rising male players.

Dobbelaar was five shots ahead at the start of the final day and carded a one-under par 71 to go with his earlier rounds of 67-65-70. It left him eight shots ahead of last year's winner, another Queenslander Will Florimo, the runner-up.

Queensland's Sam Howse took out the Tasmanian men's handicap title with Wilson also winning the women's handicap championship.

2021 BOYS' & GIRLS' TASMANIAN AMATEUR CHAMPIONSHIPS

Hallie Meaburn continued to mimic the feats of her famous grandmother in winning the Tasmanian Junior Amateur at Tasmania Golf Club in January.

Meanwhile, Queenslander Kai Komulainen completed a set of wins in consecutive weeks, winning the boys' title after taking the South Australian Junior Masters the week prior.

Hallie Meaburn (TAS) and Kai Komulainen (QLD)

Seventeen-year-old Royal Hobart member Meaburn's win is historically significant, since she is the granddaughter of Lindy Goggin, one of Tasmania's -- and Australia's -- greatest amateur golfers. Professional star Mathew Goggin is an uncle.

Meaburn carded 75-74-75-72 at Tasmania Golf Club to seal her win by two shots, her 72 in the afternoon being the low round of the day in the girls' competition.

She beat Haruhi Nakatani of Queensland by two shots.

Komulainen, 15, from Emerald Lakes on the Gold Coast, franked his hot form from Adelaide by shooting 74-77-73-71 to win the boys' title by a shot from Queenslander Harry Takis.

2021 TASMANIAN JUNIOR MASTERS

Haruhi Nakatani (QLD) and Kai Komulainen (QLD)

Haruhi Nakatani from the Surfers Paradise Golf Club won the girls' division of the 2021 Tasmanian Junior Masters while fellow Queenslander Kai Komulainen was putting the finishing touches on his brilliant campaign in Tasmania.

The 14-year-old Nakatani dominated the opposition by a massive 15 strokes with rounds of 66-71-70-72, a 13 under par total of 279.

Nakatani's nearest rival, fellow Queenslander Sarah Hammett, placed second on two over par 294 with scores of 72-74-73-75.

Tasmania Golf Club's Mackenzie Wilson was the leading Tasmanian placing third on three-over-par 295 with 73-77-76-69.

The 15-year-old Komulainen won his second Tasmanian event in five days – and his third in a fortnight including the SA Junior Amateur in Adelaide. The Emerald Lakes junior shot nine-under-par rounds of 70-70-68-71, 279 to win the championship by one stroke from Victoria's Michael Song.

Song returned 68, 70, 73 and 69 for his eight-under total of 280. Queensland's Harry Takis rounded out the top three at four-under-par with 75, 69, 70 and 70.

2021 MEN'S TASMANIAN SENIOR AMATEUR CHAMPIONSHIP

Launceston's Shayne Walker won his first Men's Tasmanian Senior Amateur at the Mowbray Golf Club in February. Walker defeated Prospect Vale Golf Club's Robbie Berne on the first hole of a sudden-death play-off after the pair finished the event locked on six-over-par. Walker shooting rounds of 71-76-72 while Berne carded 74-70-75 for his 54-hole total of 219.

Shayne Walker (TAS)

Local member, Terence Clark, finished the event tied for third at seven-over with Victoria's Gregory Rhodes after recording a final round of two-under 69. Local member and six-time champion Michael Leedham and New South Wales' Lester Peterson rounded out the top five with nine-over-par totals of 222.

Clark was far too strong in the 60-64 age group category and 54-hole net championship with scores of 74-71-66, a total of 211. The 63-year-old won the handicap championship by three strokes from Launceston Golf Club member Peter Blackwell. Walker collected the 55-59 age group title while local members Tony Pyszkowski and Murray Lethborg claimed the 65-69 and 70+ brackets.

2020 BARCLAY SHIELD

Elderslie Golf Club

Elderslie secured its third victory in the Barclay Shield conducted at the Devonport, Riverside and Royal Hobart Golf Clubs in September.

For the first time in the history of the event, regional finals were introduced to determine who would emerge victorious. With Julie Hannibal, Angela Cripps, Sandra Spicer and Cheryl Butler narrowly winning the 18-hole team foursomes event with a net score of 140½.

The ladies from Elderslie took out the Southern regional final and state title by half a stroke from Orford Golf Club on 141.

Orford Golf Club was represented by Helen Fox, Margie Playsted, Anne Mason and Libby Brown.

New Town Bay, and Royal Hobart Golf Clubs rounded out the top four teams finishing with 142½ and 148½ respectively.

Prospect Vale's Elizabeth Barker, Debbie Davey, Deidre Panton and Katrina Archer won the Northern regional final with 150½ and placed fifth in the state-wide standings.

While Seabrook Golf Club's Hannah Mackey, Jean Samec, Pen Evetts and Kathy Woolley won the North West regional final with 152½ and finished sixth overall.

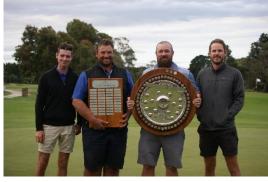

2021 MEN'S & WOMEN'S CLAREMONT SHIELD

Royal Hobart Golf Club's Joey Bower, Josh Hill, Richard Kube and Paul Read fired to win a ninth Claremont Shield in March.

The tournament was keenly contested at Royal Hobart with one stroke separating the host club and Kingston Beach following Saturday afternoon's foursomes round. Both of Devonport's pairings of Peter Nielsen and Grady Boxhall, and Joel Lunson and Greg Leedham combined for one-over-par rounds of 71. However, as tournament condition dictate, only one of the rounds counted to the team's overall final total. The performance of Matthew Glover and David Pretyman's from Kingston Beach ensured their club was positioned well following the second round with two-over 72.

Kingston Beach was followed by Launceston, Royal Hobart and the Southern Metropolitan Golf Association in equal third place all on three-over-par 73.

However, Royal Hobart was too strong on Sunday in the singles event with three of the four team members figuring in the top ten on the final individual leader board. Read, the best performed of the quartet and contributing to the team's total with rounds of 70 and 70, an even-par total of 140. Bower and Hill rounded out the best three for the club with one-over and four-over-par respectively, ensuring the club first place on eight-over-par.

Royal Hobart Golf Club

Wynyard Golf Club, the 2007 champions, were runners-up on the final leader board at 23-over-par. Best for Wynyard Golf Club was Craig Hancock who placed equal seventh on the final individual leader board on four-over-par after rounds of 70 and 74, a total of 144.

The Devonport, Launceston and Ulverstone Golf Clubs all placed equal third with Kingston Beach sixth.

There was some consolation for the host club with Devonport collecting the Eric Bourke Memorial shield with a handicap total of 490½.

Launceston Golf Club's Greg Longmore took out the individual 36-hole gross prize with rounds of 70 and 69, a one-under-par total of 139.

Not to be outdone, Royal Hobart's team of Lindy Goggin, Debbie Taylor, Hallie Meaburn, and Zibeth Daubenton ensured a clean sweep for the host club. But it was nervous times for the team after trailing joint overnight leaders Launceston and Prospect Vale by three strokes following the foursomes round.

Launceston's pairing of Jorjah Bailey and Pip Leedham, and Prospect Vale's Tammy Hall and Lily Caelli combined for seven-over-par 80. While Ulverstone Golf Club were

also poised to strike in third place with Taliah Mowat and Sarah Johnstone carding a nine-over 82.

It took the grandmother and granddaughter combination of Goggin and Meaburn to steady the ship for Royal in the foursomes with a ten-over-par round of 83. However, Royal were again too strong in the singles and completed the double for the club with Meaburn, Goggin and Daubenton all figuring in the top ten.

Meaburn the best for Royal with a fourover-par 77, followed by Goggin at eightover 81 and Daubenton on 11-over 84. Royal Hobart, with a total of 325, winning the inaugural title by nine strokes from the Prospect Vale Golf Club on 334.

Best for Prospect Vale Golf Club was Hall who placed equal third on the final individual leader board at seven-over-par 80. Ulverstone Golf Club's Sarah Johnstone took out the individual 18-hole gross prize with a round of three-over 76.

Royal Hobart Golf Club

Prospect Vale Golf Club collected the women's Eric Bourke Memorial Shield with a handicap total of 301½.

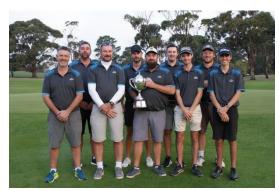

2021 THYNE TROPHY & NORTH VS SOUTH PLATE

Golf Southern Tasmania tasted success winning the men's Thyne Trophy at the Claremont Golf Club in May.

The team of Joey Bower, Hunter Gillard, Matthew Glover, Josh Hill, Andrew Isles, Richard Kube, Bryan Sackley and Josh Spaulding proved too strong finishing undefeated for the tournament.

Golf Southern Tasmania overcame Southern Country 6-1 in Saturday's afternoon round and followed up with a tight 5.5-1.5 win over Northern Golf on Sunday morning.

The confident Golf Southern Tasmania outfit secured the 2021 Thyne Trophy title Sunday afternoon with a hard fought 4.5-2.5 victory over 2019 champions North West Golf Tasmania.

Golf Southern Tasmania

Northern Golf finished second with North West Golf Tasmania third and Southern Country fourth in the final standings.

Best players for Golf Southern Tasmania were Bower, Glover, Sackley and Spaulding, who all finished undefeated for the tournament. North West Golf Tasmania Cameron Allen, Southern Country's Matthew Cross and Northern Golf's Matt Marston were also undefeated.

Meanwhile, the Northern ladies dug deep to once again emerge victorious over their Southern counterparts in the North vs South Plate.

Leading four matches to one after the first day of foursomes at Pittwater Golf Club, the 2019 champions hung on in Sunday morning's singles matches.

North

Northern wins went to Jorjah Bailey, Jackie Poke, Tailah Mowat, Amanda Smith, Alexandria Hansen and Sharon Crowden. While the South's wins went to Lindy Goggin, Sally Eastwood, Leeza Walker and Sue Frith.

Independent auditor's report to the members of Golf Tasmania Inc.

Opinion

We have audited the financial report of Golf Tasmania Inc. which comprises the balance sheet as at 30 June 2021, the income and expenditure statement, and notes to the financial statements, including a summary of significant accounting policies, and other explanatory notes.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Entity as at 30 June 2021 and its financial performance in accordance with Australian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Accounting Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter - COVID-19

We draw attention to Note 9 of the financial report, which describes the ongoing effects of the COVID-19 pandemic across the world and the environment which the association operates. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Report

The Association's board of management is responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the Association Incorporation Act [Tas] and the Association's constitution, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Association's board of management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters

Liability limited by a scheme approved under Professional Standards Legislation.

related to going concern and using the going concern basis of accounting unless the Association's board of management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether
 due to fraud or error, design and perform audit procedures responsive to those risks,
 and obtain audit evidence that is sufficient and appropriate to provide a basis for our
 opinion. The risk of not detecting a material misstatement resulting from fraud is higher
 than for one resulting from error, as fraud may involve collusion, forgery, intentional
 omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including
 the disclosures, and whether the financial report represents the underlying transactions
 and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Financial Statements

Golf Tasmania Inc For the year ended 30 June 2021

1. Summary of Significant Accounting Policies

The financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act Tasmania. The committee has determined that the association is not a reporting entity.

The financial report haves been prepared in accordance with the requirements of the Associations Incorporation Act Tasmania and the following Australian Accounting Standards:

AASB110: Events after the Reporting Period

No other applicable Accounting Standards, urgent Issue Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accrual basis and is based on historical costs.

a) Revenue

Tasmanian Affiliation Fees are recognised as revenue in the reporting period as the performance obligations are met and the service is rendered to members throughout the year. The entity derives revenue from the transfer of services over time under AASB 15 and AASB 1058. In 2021, the method of reporting National Affiliation fees has been amended and is now presented through balance sheet accounts (Refer note 3) due to the assessment of fees being managed under an agency transaction basis.

b) Property

Property includes Land and Buildings. All Property, except for freehold land, is initially measured at cost and is depreciated over their useful lives on a straight-line basis. Depreciation commences from the time the asset is available for its intended use.

The useful lives for each class of depreciable assets are as follows:

Class of Asset Useful Life

Buildings - 5-20 years

Freehold land and buildings are carried at their recoverable amounts, based on periodic valuations by the Directors. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal.

At the end of each reporting period the carrying amount of property is reviewed by Directors to ensure it is not in excess of the recoverable amount. If there is an indication of possible impairment, the recoverable amount of any affected asset(or group of related assets) is estimated and compared with its carrying amount. The recoverable amount is the higher of the asset's fair value less costs of disposal and the present value of the asset's future cash flows discounted at the expected rate of return. If the estimated recoverable amount is lower, the carrying amount is reduced to the estimated recoverable amount and an impairment loss is recognised immediately in profit or loss.

2. Significant Events

Golf Tasmania Inc and Golf Australia Limited ('GA') have entered into a service agreement commencing on the 1st March 2018. GA from that time are responsible for the provision of services related to the operation, administration, management, promotion, and regulation of golf throughout Australia, including the employment of all persons necessary to achieve a national strategy. All employees of Golf Tasmania Inc were either transferred to GA or paid out their entitlements. Assets and liabilities of Golf Tasmania Inc were transferred to GA, excluding the Queen St Property, cash holdings and grant funding for the 2018 financial year. The agreement has impacted the comparability of cost categories in the Income and Expenditure Statement and recorded assets and liabilities in the Balance Sheet.

9. COVID-19

The Coronovirus (COVID-19) pandemic continues to impact communities and businesses throughout the world including Australia and the operations of Golf Tasmania. During the pandemic, government restrictions arising from COVID-19 has resulted in a number of restrictions for the industry across Australia. The Board of Management are continuing to monitor the situation. The scale, timing and duration of potential impacts on the Association are unknown due to the uncertainty of the pandemic.

Board of Management Declaration

Golf Tasmania Inc For the year ended 30 June 2021

The Board of Management have determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The Board of Management of the Association declare that:

- The financial statements and notes present fairly the entities' financial position as at 30 June 2021 and their performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements; and
- 2. In the Board of Management's opinion there are reasonable grounds to believe that the entities will be able to pay their debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Management:
