

# History & Australian Representatives – Toyota World Junior Teams Championship

## History

“TOYOTA Junior Golf World Cup Supported by JAL” is the world's only junior golf championship in which 24 international teams qualified to participate.

The tournament encourages each team member to play with a patriotic spirit during the competition, while providing them with the opportunity to develop international friendship during the event.

In addition to the international competition, the tournament committee's goal is to assist in developing junior golf for future of this global game.

Girls' and Boys' teams of four players (aged 18 years or under) play 72 holes stroke play with the best three scores recorded. The event was boys' only until 2015. Girls' were added to the event in 2016.

Australia and New Zealand are allocated one boys' team and one girls' team for the championship. From 2016, the Junior Trans Tasman Cup (played in conjunction with the Australian Junior Championship) was used as the basis for team selection.

## Honour Roll & Venue

Year	Winner	Runner Up & Score	Australia's Pos. & Score	Venue
