

History & Australian Representatives – APGC Senior Teams Championship

History

The Asia-Pacific Senior Teams Championship is conducted by the Asia-Pacific Golf Confederation and is conducted in conjunction with the APGC Senior Amateur.

It is open to golfers 55 (male) and 50 (female) years and over and is contested over 54-holes stroke play.

Prior to 2008 teams consisted of three (3) players with the best two (2) scores from each round counting towards to the team total. From 2008, participating countries could nominate a team comprising a maximum of six (6) players, with the best four (4) scores from each round counting toward the team total.

In 2022, for the first time a women's event was introduced and played in conjunction with the men's event. Three (3) women per team were selected with the best two (2) scores to count whilst the men's event was adjusted to a four (4) person team with the best three (3) scores to count.

Note - *Indicates the player won the overall individual event.
