#### **REPORT FROM THE CHAIR**

The past year has seen a period of review, consolidation and planning by the Golf Tasmania (GT) Board and its committees. We have worked with Golf Australia (GA) to review the current OneGolf Service Agreement which expires in December 2022, to develop a new State Services Agreement that will provide positive outcomes for the future of golf in Tasmania. Whilst there have been some deficiencies in the initial OneGolf Agreement signed in 2018, the advantages to Tasmanian golf far outweigh the shortfall. It is important that we as a state maintain our relevance to ensure that golf in this state and our identity is enhanced by any future agreement and relationship with GA.

Following on from the previous year has been the progressing of the National Strategy and Balanced Scorecards. The intention is to detail and link the activities of GT with those of the National Strategy in a measurable and accountable way.

Golf Development has blossomed and continues to grow. Support provided to golf clubs has also increased. A review of state events has been undertaken and is ongoing. The focus has been to increase and promote participation in events. Tasmanian rounds of golf played was 0.2% less than played in 2021 but 28% higher than played in the COVID affected 2020.

GT has committed to the R&A's Women in Golf Charter that aims to enable more women and girls to maximise their potential at all levels in the sport. So far, nine clubs across the country have been recognised as signatories to the Women in Golf Charter. Of those nine clubs, seven are in Tasmania. What a wonderful achievement! Thank you to all those involved in making this commitment.

GT contributed \$10,000 to the Australian Golf Foundation (AGF) and has committed a further \$10,000 in the coming year to provide scholarship opportunities for young girls to receive club memberships and professional coaching over a 12 month period. GT has also committed to increasing the capitation fees next year by \$1.00 with all funds being raised from the increase, directed to the AGF. It is important for the future of golf that we try to grow female participation as currently the participation rate is around 17% compared to 83% for men.

The important role of the district associations needs to be acknowledged. Their contribution and commitment to organising local, state and junior events is sometimes taken for granted, where it should not be. Thank you to everyone involved. Your efforts and contribution are invaluable and appreciated. Northern Golf has continued to promote and develop golf and hold wide ranging successful events to promote golf in their area and between districts. North West Golf Tasmania is progressing events following their amalgamation in the previous year. Golf in the south has seen Golf Southern Tasmania review and create some innovative events particularly for juniors, whilst the Southern Country Golf Association has continued to conduct well established events. It is still hoped as part of the goal of reducing fragmentation that the future of golf in southern Tasmania will see one administrative body.

This year saw the resumption of events post COVID-19. Congratulations to the winners of state events this year and to all those who competed. Thanks also to the volunteers, referees, staff and golf clubs involved. It is vital these events be supported by clubs and members as otherwise the events could not be held. State events need to be shared around the state with clubs being prepared to occasionally forgo the usual club activity to allow these events to be optimally run.

#### **REPORT FROM THE CHAIR**

GA/GT staff members, Stuart Eaton, Simon Weston, Courtney Docking, and Damon Burley have again continued to deliver high quality golf services in a professional way. As Courtney was unable to continue in the role of Participation Officer we welcomed Damon to this position early in 2022. Their support and commitment is highly regarded and very much appreciated by the GT Board members and myself as Chair. To GA "mainland" staff thank you for your support and commitment to golf in this state. This year has been a very positive year in terms of communication, reporting and planning. In particular, a special thank you to David Stein (Vic/Tas State Manager) and David Greenhill (Senior State Services Manager) for the countless hours you have provided to the GT Board and the Tasmanian golfing community

Appreciation and gratitude are extended to the Tasmanian Government for their continued generous financial and administrative assistance to both GT and member clubs. In addition to the annual grant, the Tasmanian Government has generously provided \$30,000 for the Tasmanian Open to be held in February 2023. We are very fortunate to have the interest of the Government to help grow and support golf in this state. The Tasmanian Open will see professionals participate for the first time for many years.

I express my gratitude to the GT Board members, Bev Holman, Fleur King, Stuart McGrath-Kerr, John Milbourne and Alison Sully for their commitment and support in promoting the interests of Tasmanian golf clubs and golfers. Thank you for giving your time, expertise and passion. I hope you have enjoyed your time on the Board this year.

On behalf of the GT Board, I extend a huge thank you to everyone involved in golf in Tasmania and commend everyone for their participation. We all have a great opportunity to be part of growing the game that is for life, for all ages and is fun.

My best wishes to the Tasmanian Golfing community. Good Golfing!! And remember, all golf is golf.

#### TREASURER'S REPORT

For the period 1 July 2021 to 30 June 2022 Golf Tasmania Incorporated (GT) recorded a profit of \$10,686 after last year having a small deficit of \$1,267.00. This profit was mainly due to an increase in affiliation fees for Tasmania. In the year 2021 we collected \$361,236 in affiliation fees compared to \$376,906 this financial year. It is encouraging to note that the majority of Tasmanian golf clubs have paid their affiliation fees within the appropriate timeframe which has resulted in this positive outcome for these accounts.

During the financial year, GT operated entirely under the OneGolf model, having fully transitioned and engaged Golf Australia to undertake all activities in Tasmania on its behalf in accordance with the OneGolf services agreement.

GT and Golf Australia Limited (GA) entered into this service agreement on the 1 March 2018. GA from that time is responsible for the provision of services related to the operation, administration, management, promotion, and regulation of golf throughout Australia, including the employment of all persons necessary to achieve a national strategy. All employees of GT were either transferred to GA or paid out their entitlements. Assets and liabilities of GT were transferred to GA, excluding the Queen Street property, cash holdings and grant funding for the 2018 financial year.

As a result, GT paid GA a OneGolf services fee of \$376,907 for the period 1 July 2021 - 30 June 2022 (2021: \$361,237), with the 4.1% increase due to greater membership numbers between periods of measurement.

It should be noted that GT donated \$10,000 this financial year to the Australian Golf Foundation to support the Junior Girls Scholarship Program. Tasmania had 5 clubs and 25 girls participate in this program. Each club received \$2,000 to be used only for 24 weeks of professional lessons.

#### **DEVELOPMENT REPORT**

#### **MyGOLF - AUSTRALIA'S NATIONAL JUNIOR PROGRAM**

Nationally there were 27,168 registrations for the 12 months to June 30. This represents a new high and shows that junior golf participation continues to grow. There were 8,306 female registrations nationally which represents 37% of the total participants.

In Tasmania we achieved 1,166 total registrations with 434 being female. These are both new highs in Tasmania and gives us great momentum moving forward.

It has been another strong year for MyGolf in Tasmania. It is very pleasing to see how high the female registration rate is. I believe that this will continue to grow.

#### **MyGOLF SPORTING SCHOOLS**

MyGolf Sporting Schools is a Federal Government funded initiative that provides funding to schools to offer sport to their students. There are 35 sports available to schools. Golf is often among the most requested sports in Tasmania.

During 2021/22 there were 33 school programs delivered across the entire state. This means that over 8,000 children experienced golf many for the first time.

These numbers are down from last year due to the Department of Education restrictions on external visitors to school in Term three and four (2021). School based programs allow local clubs to increase their participation in club based MyGolf programs.

#### GET INTO GOLF - AUSTRALIA'S INTRODUCTORY ADULT PROGRAM

Get into Golf continues to build momentum with more adults taking up golf through this program.

Nationally there were 11,205 with 9,418 of these females. In Tasmania there were 876 registrations including 753 females. 16 Tasmanian golf clubs offered Get into Golf programs in the 12 months to June 30.

#### **VISION 2025**

Golf Australia has committed to the R&A's Women in Golf Charter that aims to enable more women and girls to maximise their potential at all levels of the sport.

Golf Australia is now encouraging Australian golf clubs and facilities to become signatories of the R&A's Women in Golf Charter, publicly stating their commitment to improving the sport for women and girls.

Nationally there have been 13 clubs recognised as signatories to the Women in Golf Charter. Of these, seven are in Tasmania. This is something to be proud of as a state.

Having more women and girls involved at all levels of golf is something that we should all be aiming for.

#### **DEVELOPMENT REPORT**

#### **AUSTRALIAN GOLF FOUNDATION – JUNIOR GOLF SCHOLARSHIP PROGRAM**

The Scholarship program has grown considerably over the past two years, from 37 funded clubs and 226 girls in the inaugural pilot year (2021) to 117 clubs and 683 girls in 2022. In 2023, we are aiming to have over 1,000 scholarship holders spread across the country.

Adhering to Golf Australia's strategic plan for women and girls through our Women and Girls Engagement Strategy, this program is designed to foster a deep love of golf by creating a strong bond between girls (aged 10-16) and their golf club/facility.

Encouraging and supporting junior program participants to continue their golfing journey beyond their initial introductory steps and to obtain a handicap, this program will in turn help to reduce drop-out rates of teenage girls in golf.

#### **DAMON BURLEY, PARTICIPATION OFFICER - TASMANIA**

Golf Australia employed Damon Burley in April as a new Participation Officer. Damon's focus is to have more Australian's playing more golf in all its forms. With a focus on junior golfers.

Damon is based on the North/West Coast but services clubs across the state.

Royal Hobart Golf Club junior development day participant.

#### HIGH PERFORMANCE REPORT

The Tasmanian High Performance program continued on the path set in previous years throughout the 2021/22 period. The key objectives of the High Performance program throughout the 2021/22 period can be seen below, with continued athlete and coach development a key feature, as well as the support of athletes at the talent ID (Tier 4 level) to create a stronger cohort of Tasmanian elite level players.

- Continue to develop and deliver an effective HP program for Tasmanian athletes
- Set an appropriate tournament schedule for Tasmanian HP athletes in line with their current level
- Upskill the cohort of Tasmanian based teaching professionals
- Expose Tasmanian HP athletes to physical & mental requirements of elite golf
- Implement local and interstate camp structure

A number of camps were held in Tasmania for the High Performance squad throughout the 2021/22 financial year. Head Coach, Richard Cooney led these camps with the support of the service team listed below. Adding Scott Laycock to the coaching team has been of great benefit to the athletes as he can also speak to the requirements of being a Tour player given his extensive career over several years. The 2022 High Performance squad completed an athlete induction in line with Golf Australia's national HP requirements, along with Sport Integrity Australia's online requirements of High Performance athletes.

With the world opening up post pandemic, we wanted to give the HP athletes the opportunity to compete, as they had missed out on this for an extended period. Throughout late 2021 and 2022 athletes were sent to events both domestically and internationally. Every member of the Tier 3 squad was sent on an international trip in order to gain experience competing in another country and test themselves against stronger opposition. Athletes were sent to Singapore and USA. Each member of the Tier 4 squad was sent on at least one domestic trip with a minimum of two tournaments to compete in. Again, these are invaluable experiences where athletes learn to travel and deal with the challenges this brings.

The High Performance team continues to work with all athletes in the High Performance squad and is as follows:

High Performance Manager Matt Cutler
Head Coach Richard Cooney

Assistant Coach Scott Laycock/Nick White

Exercise Physiologist Andrew Bonsey
Biomechanics Ryan Lumsden
Sports Psychology Emma Harris
Women's Pathway Stacey Peters
Development Manager Simon Weston
Athlete mentor Mark Schulze

#### WORLD HANDICAP SYSTEM

During the 2021/22 financial year, the Golf Australia Handicap App established itself amongst club members as a core component of the golfing experience. Launched in April 2021, the app's popularity saw it finish the financial year with 225,738 downloads (a growth of 102,844 over the 12-month period). Engagement with the app has grown on average to over 21,000 unique customers per day. Combined with <a href="https://www.golf.org.au's">www.golf.org.au's</a> handicap record page, Golf Australia's handicapping digital platforms are now generating an average of approximately 50,000 unique daily customers. This delivers valuable engagement with Australia's club golfers, as well as a strong outlet for golf to tell its story.

#### **COURSE RATING**

In 2009 Golf Australia adopted the USGA Course Rating System which is considered world's best practice. The system fundamentally establishes a scratch (or course) and bogey rating and sees the actual measured length of a course being replaced by effective playing length which assists in reflecting what a golfer encounters during a round.

The rating of all Golf Tasmania's member courses under the system was completed in 2011. However, a number of member clubs were visited by ratings teams during 2021-22 to assess adjustments (additional courses and amendments to established courses).

Golf Tasmania thanks Gary Knight, Terry Ranson and the rating teams for their dedication to course rating in this state.

#### **RULES ACCREDITATION**

The R&A's Rules Education programme consists of a three-tiered approach with the aim of graduating delegates through the stages to develop their Rules knowledge. The seminars are tailored to provide basic instruction for those newer to the game, as well as meeting the demands of more experienced officials looking for tournament specific quidance.

#### There are three levels:

- Level 1 Rules Seminar (presented online via www.randa.org)
  - ➤ A focus on the Player's Edition of the Rules of Golf. This one-day seminar is taught by experienced instructors from many national associations and federations. It is also available online as the Rules Academy.
- Level 2 Rules Seminar
  - ➤ This consists of a two-and-a-half day seminar conducted by the national governing body. The seminar looks at the more important playing Rules in detail.
- Level 3 Tournament Administrators and Referees Seminar
  - This three-day seminar is conducted by The R&A. It is held annually, usually in February in St Andrews, and it is The R&As leading seminar. Additional TARS courses are held around the world to meet demand. The purpose is to give guidance and practical advice on running tournaments and refereeing, including sessions on course set-up, course marking, pace of play, suspension of play and starting and recording.

#### **OPERATIONS REPORT**

At each stage, there is the opportunity to sit an appropriate exam. The exams are recognised throughout The R&A's jurisdiction. Ideally, delegates should successfully complete each stage before progressing to the next level, attaining and building a comprehensive Rules knowledge in the process. It is also vital that practical experience is obtained in order to become an effective exponent on the Rules, refereeing and running competitions.

#### **MAJOR SPONSORS**

To Fuji Xerox Business Centre, Hostplus, Communities, Sport and Recreation and Events Tasmania for their financial support of our major championships throughout the state.

To our supporting sponsors such as Adina Watches and Fresh Freight Tasmania we offer our sincere thanks for your continued support and assistance throughout the year.

#### 2022 MEN'S AND WOMEN'S TASMANIAN OPEN CHAMPIONSHIPS

South Australia's Caitlin Peirce shot a new Kingston Beach golf course record nine-under-par 62 to win the 2022 Women's Tasmanian Open.

The Royal Adelaide member and current women's Tasmanian amateur champion won the title by a massive eleven strokes, finishing 10-under for the tournament.

Tasmania Golf Club's Mackenzie Wilson

was the leading local after fighting her way into second place on one-over-par following a final round even-par 71.

Victoria's Keeley Marx placed third just one stroke behind Wilson on two-over-par, with WA's Sheridan Clancy and Queensland's Yuuki Takada equal fourth on three-over.

Queensland's Samuel Slater won the 2022 Men's Tasmanian Open following a final round of five-under-par 66.

At 15-under-par, the Brisbane Golf Club member won the crown by one stroke from Victoria's Toby Walker from the Heidelberg Golf Club on 14-under.

Sam Howse, also from the Brisbane Golf Club, placed third on 11-under-par and

Samuel Slater (Queensland)

was followed by fast finishing Phoenix Campbell on 10-under and James Mee eightunder.

Royal Hobart Golf Club's Joey Bower was the leading male Tasmanian in sixth place on five-under-par.

#### 2021 MEN'S AND WOMEN'S TASMANIAN AMATEUR CHAMPIONSHIPS

Queenslander Lewis Hoath and South Australian Caitlin Peirce triumphed in their respective 36-hole matches to win the Tasmanian Amateur titles in November of 2021.

Hoath, from RACV Royal Pines Resort, defeated fellow Queenslander and good friend Joel Stahlhut 5&4 to add to his 2019 South Australian and Queensland Amateur titles.

Caitlin Peirce (South Australia) & Lewis Hoath (Queensland)

Hoath's victory was set up by a back nine blitz that turned the match on its head.

Since his last win, Hoath has finished runner-up twice - at the 2020 Riversdale Cup and the 2021 South Australian Amateur Classic.

In the women's final, Peirce got the better of Queensland's Sarah Hammett 2&1 in a match that ebbed and flowed throughout.

Hammett had the ascendancy on the pair's first time around the course, but Peirce wrestled back the momentum and made a charge that blew out her lead.

The damage was done at that stage and the South Australian held on from there - a par to halve the 35th hole ensured that she would take her first state amateur title back to Royal Adelaide.

Bridport's Matthew Brain took out the Tasmanian men's handicap title with a 4&2 victory over South Australia's Charlie Nobbs. While Launceston's Jorjah Bailey defeated Royal Hobart's Mackenzie Thomas 3&1 to win the corresponding women's handicap championship.

The Men's Tasmanian Senior Masters final was also a tight affair as Shayne Walker of Launceston Golf Club defeated Prospect Vale Golf Club's Robbie Berne 1-up to win the title.

#### 2022 BOYS' & GIRLS' TASMANIAN AMATEUR CHAMPIONSHIPS

Joseph Buttress (Western Australia) & Yuuki Takada (Queensland)

West Australian Joseph Buttress and Queenslander Yuuki Takada won their respective Tasmanian Junior Amateur titles in convincing fashion at the Devonport Golf Club in January.

Buttress, a member of the West Australian Golf Club, triumphed by seven strokes in the boys' championship with rounds of 71, 66, 70 and 69 across the two days to card four-under par for the tournament.

He finished ahead of Queenslander Dujuan Snyman who continued his good form from his victory at the South Australian Junior Masters last week. Three shots behind Snyman, in third place, was Tasmanian Hunter Gillard.

Takada, from Southport Golf Club, was dominant to win the girls' championship by eight strokes with rounds of 73, 71, 71 and 75 to be six-under par.

Tasmanian Jorjah Bailey finished runner-up, while Queensland's Ilani Short finished in third at four-over par.

#### **2022 TASMANIAN JUNIOR MASTERS**

West Australian Joseph Buttress and Queenslander Haruhi Nakatani claimed the Tasmanian Junior Masters titles at Ulverstone Golf Club on the Apple Isle's north coast.

Buttress played consistent golf to shoot rounds of 72, 70, 71 and 73 to finish two-under par and clinch his second trophy of the week after he triumphed in the Tasmanian Junior Amateur.

The Western Australian Golf Club member finished three strokes ahead of Queenslander Dujuan Snyman who stormed home with a stunning four-under par final round of 68 to finish runner-up for the second time this week.

Eight shots back from Snyman in third place was fellow Queenslander Andrew Park.

Meanwhile, Nakatini left the remainder

Joseph Buttress (Western Australia) & Haruhi Nakatani (Queensland)

of the field in her wake as she tore up the course to win by a remarkable 19 strokes.

The Surfers Paradise member covered her scorecard in red numbers as she shot rounds of 71, 75, 65 and 69 to finish 12-under par for the tournament.

Second place went to Victorian Amelia Harris at seven-over, while Queenslander Amy Hodgkins rounded out the places at eight-over.

#### 2022 MEN'S TASMANIAN SENIOR AMATEUR CHAMPIONSHIP

Launceston Golf Club's Shayne Walker and Jacquelin Morgan from New South Wales won their respective Tasmanian Senior Amateur championships at Mowbray in February.

For Walker, from Launceston Golf Club, it signalled back-to-back victories.

The 56-year-old defeated Brad Dowling of Queensland on the second hole of a

Shayne Walker (Launceston)

sudden-death play-off with a par to take out the title.

The pair finished the 54-hole tournament on two-over-par 215 after Walker carded rounds of 69, 72 and 74, and Dowling recording 72, 75 and 68.

Queensland's Ian Frost placed third on the final leader board with four-over-par rounds of 72, 71 and 74.

Jacquelin Morgan (New South Wales)

Local member Terence Clark and Queensland's Stephen Deane rounded out the top five with six-over and eight-over-par respectively.

Morgan led the women's championship from start to finish.

Morgan won comfortably with 10-over-par rounds of 73, 78 and 75, 12 strokes in front

of her nearest rivals, Tammy Hall of Prospect Vale and Helen Pascoe of Victoria, tied for second on 22-over-par.

Prospect Vale's Lindsay French and Deidre Panton placed fourth and fifth on the final tally.

#### **2021 BARCLAY SHIELD**

Bridport comfortably secured its first victory in the 45-year history of the Barclay Shield conducted at Mowbray Golf Club in September of 2021.

Golf Tasmania Inc.

We have finalised the audit of the Golf Tasmania Inc. for the year ended 30 June 2022.

Auditors are encouraged by the Australian Auditing Standards to issue a management letter at the completion of each audit, as a means to advise management of any matters noted during the course of the audit.

Our audit work involves the review of only those systems and controls adopted by the Association upon which we wish to rely for the purposes of determining our audit procedures. Accordingly, our examination may not have identified all the control weaknesses that may exist. Furthermore, our audit should not be relied on to disclose defalcations or other similar irregularities, although their disclosure, if they exist, may well result from the audit tests we undertake.

We wish to advise that we have not encountered any matters during the course of our audit that we believe should be brought to your attention.

Should you wish to discuss the above please do not hesitate to contact myself or Sean Cruz of this office.

Yours sincerely

#### a) Revenue

Affiliation Fees are recognised as revenue as performance obligations are met and the service is rendered to members throughout the year.

#### b) Property

Property includes Land and Buildings. All Property, except for freehold land, is initially measured at cost and is depreciated over their useful lives on a straight-line basis. Depreciation commences from the time the asset is available for its intended use.

The useful lives for each class of depreciable assets are as follows:

#### Class of Asset Useful Life

Buildings - 5-20 years

Freehold land and buildings are carried at their recoverable amounts, based on periodic valuations by the Directors. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal.

At the end of each reporting period the carrying amount of property is reviewed by Directors to ensure it is not in excess of the recoverable amount. If there is an indication of possible impairment, the recoverable amount of any affected asset(or group of related assets) is estimated and compared with its carrying amount. The recoverable amount is the higher of the asset's fair value less costs of disposal and the present value of the asset's future cash flows discounted at the expected rate of return. If the estimated recoverable amount is lower, the carrying amount is reduced to the estimated recoverable amount and an impairment loss is recognised immediately in profit or loss.

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GOLF TASMANIA INC.

#### Opinion

We have audited the financial report of Golf Tasmania Inc. which comprises the balance sheet as at 30 June 2022, the income and expenditure statement, and notes to the financial statements, including a summary of significant accounting policies, and other explanatory notes.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Entity as at 30 June 2022 and its financial performance in accordance with Australian Accounting Standards.

#### Basis for Opinion

We conducted our audit in accordance with Australian Accounting Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Those charged with governance is responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the Association Incorporation Act [Tas] and the Association's constitution, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Association's board of management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Association's board of management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report; whether
  due to fraud or error, design and perform audit procedures responsive to those risks,
  and obtain audit evidence that is sufficient and appropriate to provide a basis for our
  opinion. The risk of not detecting a material misstatement resulting from fraud is higher
  than for one resulting from error, as fraud may involve collusion, forgery, intentional
  omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of
  accounting and, based on the audit evidence obtained, whether a material uncertainty
  exists related to events or conditions that may cast significant doubt on the Entity's ability
  to continue as a going concern. If we conclude that a material uncertainty exists, we are
  required to draw attention in our auditor's report to the related disclosures in the
  financial report or, if such disclosures are inadequate, to modify our opinion. Our
  conclusions are based on the audit evidence obtained up to the date of our auditor's
  report. However, future events or conditions may cause the Entity to cease to continue
  as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including
  the disclosures, and whether the financial report represents the underlying transactions
  and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
