

# History & Australian Representatives – Nomura Cup

## History

The Asia-Pacific Team Championship is conducted by the Asia-Pacific Golf Confederation and is a biennial competition rotated among the Asia-Pacific region.

Each team, which consists of four male players, plays 18 holes of stroke play for four days. In each round, the total of the scores from each team constitutes the team score for the round. The four-day (72-hole) total is the team's score for the championship. From 2023, the teams have been reduced to three (3) per country with the best two (2) scores each day to count.

The winning team receives the Nomura Cup, which was named after Shun Nomura, the former Vice-President of the Japan Golf Association who donated the Cup.
