GOLF VICTORIA

President's Report

This report is for the 2020 year. It was an extraordinarily difficult year by any measure.

At the year's beginning there were catastrophic fires in Eastern Victoria (and very significant parts of New South Wales).

For the remaining months, Victoria (and the rest of Australia) grappled with the COVID-19 global pandemic and the public health responses of the Commonwealth and State governments.

Tragically, the pandemic has led to millions of deaths globally, with many deaths in Australia, particularly in Victoria.

The normal operations of all organisations (whether for profit or not-for-profit) were disrupted or curtailed for substantial periods. This impacted their owners and/or stakeholders and affected adversely the well-being of the communities and the people they serve.

For Victorian golf clubs and golf facilities and Victorian golfers, there were many weeks when because of public health regulations, golf simply could not be played (when this prohibition did not apply elsewhere in Australia).

For longer periods, golf could only be played, and facilities used, if applicable public health regulations were strictly observed.

These regulations modified the normal operations of golf clubs and golf facilities and affected golfers' enjoyment of the game by requiring changes to their normal golfing practices.

As these changes were occurring, Golf Australia staff with responsibility for Victoria liaised regularly with government to express golf's views about the need for the regulations and how they were to apply. As well, there were discussions with government about funding assistance and grant programmes. There was regular communication with golf clubs and golf facilities about these matters.

While the frequency of regulatory change presented many challenges in carrying out these tasks (especially in the early weeks of the public health response to the pandemic), it is appropriate for me to record Golf Victoria's thanks to those staff members of Golf Australia who carried out this work tirelessly to assist Victorian golf clubs and facilities wherever possible.

Towards the end of the year, when some level of normality returned to the operations of golf clubs and golf facilities in Victoria, it was encouraging to see significant increases in the demand for their use.

It is very much hoped that this demand can be maintained.

Not only will it help clubs and facilities recover some of their lost revenues, but it will underscore the benefits of the game to the golfing community and encourage, hopefully, new participants.

Nevertheless, and as noted in the Review of Operations, the pandemic played enormous havoc throughout the year with most regular golfing events conducted by clubs, or by Golf Australia on Golf Victoria's behalf, and this reality made the 2020 golfing year a very disappointing one for so many golfers who love the game.

“
It was encouraging to see significant increases in the demand for their use.

Despite the pandemic and the regulatory responses mentioned earlier, it was at least possible for most of the year for construction work to continue on the very important Australian Golf Centre Project at Sandringham Golf Links.

It is most pleasing to note that the works for improving, upgrading and modernising the golf course, along with the works for creation of the driving range and target greens, were completed by the end of the year. The construction works for the two-storey Australian Golf Centre building and nearby driving range bays for public use were also progressed significantly during 2020.

Completion is now anticipated to occur in July 2021.

As noted in last year's Annual Report, the Australian Golf Centre building will comprise administrative offices, a lecture theatre, meeting rooms, education spaces, storage facilities, a golf service centre, a public café, indoor high-performance training, exercise and rehabilitation facilities and areas for exhibiting and displaying photographs, books and historical and heritage items and memorabilia.

A primary objective of the Australian Golf Centre Project is to house the national head office staff of Golf Australia (and those staff members with responsibility for delivering services in Victoria under Golf Victoria's One Golf arrangements with Golf Australia) and the national and Victorian based staff of PGA of Australia. Having the two organisations working together in the same building should drive much improved collaboration on many fronts and improve operating performance and efficiencies for the long-term benefit of Australian golf.

I observed in my President's Report last year that because of the unexpected and very significant operating loss reported by Golf Australia for its accounting year ended 30 June 2019, and the reduced but still sizeable operating loss reported by Golf Australia for its accounting year ended 30 June 2020, a comprehensive review of Golf Australia's operating plans and structures was required. The need to achieve savings and efficiencies and improve significantly Golf Australia's financial performance through far more prudent management was also noted.

When Golf Victoria (along with South Australia, Queensland, Tasmania and the Northern Territory) agreed to join One Golf, the core promise from Golf Australia to Golf Victoria was that Golf Victoria's members (and the members of the golfing bodies in the other One Golf jurisdictions) would receive services to the standard and extent they had enjoyed before that time. Plainly, Golf Australia's capacity to do this depends on improving its financial performance and financial position.

Despite the incredibly disruptive year caused by the pandemic, which has affected business as usual for everyone, it is very heartening to be able to report that throughout the year Golf Australia's board and staff have worked very hard to improve every aspect of Golf Australia's partnership with the One Golf jurisdictions as well as focusing on the importance of improving Golf Australia's operating performance and financial position.

Golf Australia anticipates reporting a substantial operating profit for the 2020/2021 financial year. This is an encouraging development after the significant amount of the operating losses in the two preceding financial years. It is acknowledged that part of this turnaround will be due to COVID assistance programmes (sponsored at the Commonwealth and State level) and savings arising from the cancellation of some events. Towards the end of the year Golf Australia's board appointed James Sutherland as Golf Australia's new CEO giving confidence about a renewed management focus on One Golf deliverables and the growth of the game.

The Review of Operations in 2020 notes the sad passing during 2020 of some greats of Victorian golf. It is also very sad to record the recent passing of Golf Victoria life member, Michael Fitchett, and long-standing Golf Victoria referee at state and national level, Dr Bill Young. Their respective contributions to Victorian golf over a very long time were enormous and Golf Victoria's sincere condolences are extended to their families.

I take the opportunity of thanking the Golf Australia staff and my fellow Golf Victoria directors for their support in 2020 and for all that they do to advance the interests of Golf Victoria's members and the game of golf.

In closing, and in this brave new COVID world, it would be remiss of me if I did not say that as the 2021 golfing year progresses, I urge everyone to stay safe at Victoria's golf clubs and golf facilities by practising the recognised COVIDSafe

behaviours for as long as that may be necessary. Coronavirus, sadly, is still present in Australia and we must remain vigilant and play our part to mitigate its spread as far as possible.

In concluding my report, may I express my gratitude to each of my fellow Golf Victoria directors for their support during the year and, more importantly, for all they do to further the interests of Victorian golf clubs and golfers.

REVIEW OF OPERATIONS

Vic Open

The 2020 ISPS Handa Vic Open was once again played at 13th Beach Golf Links and produced two worthy champions.

For the second consecutive year we welcomed the European Tour (men) and LPGA Tour (women), with the international stars joining Australia's top talent from the ISPS Handa PGA Tour of Australasia and the ALPG.

The event was broadcast live on the ABC and simulcast on Fox Sports throughout the week, with 16 hours of play showcased across Australia and around the world.

The event attracted 1.8 million unique viewers across the Golf Channel, with 2.4 million LPGA.com views during the event week and 4.5 million social media impression across the LPGA social media accounts alone.

The women's championship was won by Korea's Hee Young Park following a three-way play-off over four holes with compatriots Hye-Jin Choi and So Yeon Ryu. All three had completed the 72-holes in eight under par.

Australia's Min Woo Lee produced four rounds in the 60s to beat New Zealand's Ryan Fox by two strokes in the men's championship. Min Woo joined his sister Minjee, a previous Vic Open winner, as the tournament's champion.

Membership

Participation

80,922
MEN

Total membership numbers for men for 2019 were 84,041 representing a decrease of 3,119 over the previous year.

20,859
WOMEN

Total membership numbers for women for 2019 were 21,733 representing a decrease of 874 over the previous year.

A significant proportion of the reduced membership numbers for men was due to Yarrowonga Mulwala Golf Club Resort and Murray Downs Golf & Country Club electing in 2020 to transfer their affiliation from Golf Victoria to Golf NSW.

District Associations & Affiliated Clubs

AFFILIATED GOLF CLUBS WITHIN VIC

As of 2020, there were 411 affiliated golf clubs within Victoria including 263 country clubs. Murchison, Tallygaroopna and Underbool Golf Clubs all went into recess in 2020, while Yarrowonga Mulwala Golf Club Resort and Murray Downs Golf & Country Club decided, as noted above, to affiliate with Golf NSW. Murrayville Golf Club reaffiliated with Golf Victoria. Yarra Valley Golf Club transferred its membership to the Victorian Golf League.

There were 15 District Golf Associations in 2020, with all previous separate men's and women's districts now being amalgamated.

In Memoriam

Sadly, four great contributors to Victorian golf passed away in 2020.

KEVIN HARTLEY

One of Australia's finest amateur golfers, Kevin Hartley, passed away in December 2020.

Kevin won the 1958 Australian Amateur Championship at Royal Adelaide Golf Club and the 1969 Victorian Amateur Championship. He also represented Australia in four Eisenhower Cups from 1964 to 1970, with the 1966 event probably being the highlight when Australia won the event in Mexico City. It was reported that after playing Hartley, Deane Beman (who went on to a very successful US pro career and became Tour Commissioner) remarked "What the hell are you doing here? You're one of the best players in the world".

Kevin won the highly prestigious Ivo Whitton Trophy for scoring averages an unprecedented 12 times and the Riversdale Cup 10 times where over the years he won against the best 'locals' including Doug Bachli, Tom Crow, Bill Britten, Don Reiter, Alan Reiter, Bob Shearer, Stewart Ginn and Ian Stanley.

Hartley's mastery of Riversdale was truly shown when Hartley ran a very close second to David Graham in the 1970 Victorian Open finishing ahead of the rest of the best Australian pros including Peter Thomson and Kel Nagle.

Hartley was given "Legend" status as a result of selection in the Victorian Team of the 20th century – a team of six amateurs and six professionals and was inducted into the Victorian Hall of Fame in 2013.

Known as 'The Dart' for his accuracy on the course, he came to prominence in 1950 when he won the Victorian Boys' Championship at Medway, his home course. He played with the greats of his era including Jack Nicklaus and Gary Player.

Kevin Hartley

TOM CROW

In January 2020, Tom Crow passed away at the age of 88. Tom was a unique sporting talent.

He first distinguished himself as a cricketer, particularly as a fast left arm bowler, before golf became his sport of choice.

In a glittering amateur career Crow won more than 20 Club Championships at Kingston Heath, Royal Melbourne and Royal Sydney, was the only amateur to win the Victorian Close Championship at Kew in 1953 and won the 1958 Victorian Amateur Championship at Royal Melbourne, where his 63 on the West

Course in qualifying lowered the course record by four strokes.

Crow also won the 1961 Australian Amateur Championship at Royal Melbourne, where he defeated fellow Victorian golf Hall of Fame member, Eric Routley, 3 and 2 in the final. This was followed by victories in the Riversdale Cup in 1961 and 1962. To top all of this off, Crow also represented Australia in the Eisenhower Cup in 1962 in Japan and 1964 in Italy.

As amazing as Crow's playing career was, he may probably be best known and remembered as a golf club designer and innovator being the person who founded Cobra Golf and transformed it into an equipment giant that

endures as one of the most recognisable brands in golf.

He had a moment of inspiration while admiring the 'big cats' on Sydney Harbour. Watching the majesty of a catamaran skipping across the waves got Crow thinking. The double-hulled sailing boats possessed lower resistance to pass through water as well as great stability.

Their efficiency intrigued Crow as to whether his favoured sport of golf could benefit from their design characteristics. Crow always wanted a club that didn't 'dig' into the ground – something that would get the ball airborne quickly.

Some years later after founding Cobra Golf, Crow developed the 'Baffler', a troubleshooting club with the loft of a 5-wood that featured thick railed-brass soleplates. With about 5 degrees of 'bounce', the leading edge skipped across the turf rather than digging into it – much like the hulls of the catamarans on Sydney Harbour.

The Baffler revolutionised golf in the late-1970s, firstly at the professional level and then by making the game easier for less-accomplished amateurs. Its commercial success validated Crow's move to California where he had founded Cobra.

That Crow was able to build Cobra Golf into a company worth three-quarters of a billion dollars is one of the greatest success stories in the history of Australian golf.

WILLIAM (BILL) CASSIDY

Bill Cassidy passed away in April 2020, also aged 88 years.

Bill had a much appreciated and long association with Golf Victoria as a state rules referee in a range of Victorian events and Pennant golf after attaining accreditation in the inaugural state level course in 1993.

Bill went on to officiate at national and state events which in his case included six Australian Opens, countless Victorian Opens and Melbourne Pennant finals.

As part of the 2018 Victorian Golf Industry Awards Night, Bill's outstanding contribution to Victorian golf over this 25-year period was formally recognised.

MICHAEL WOLVERIDGE

2020 also saw the passing of world renowned golf course designer Michael Wolveridge who was involved in the design of more than 200 courses in 23 countries.

Wolveridge created his business with famous English Golf architect Commander John Harris and was initially called South Pacific Golf. He soon invited Peter Thomson to join the pair in 1964 with its name changing to Harris Thomson Wolveridge.

When John Harris died in 1976, the firm, Thomson Wolveridge continued to grow,

expanding to become Thomson Wolveridge Perrett in the late 1990's. Their office became the largest in Australia with both consultancy and new projects from all over the world filling their books.

Courses where Wolveridge worked as a designer include Royal Adelaide, Kooyonga, Victoria, Kingston Heath, Capital, The National and Moonah Links.

Michael was also instrumental in setting up the Society of Australian Golf Course Architects, is a past President of that Society, bringing together professionals with an established a code of ethical and design guidelines that ensures the betterment of golf course design.

Victorian Golf Industry Awards

Unfortunately, the COVID-19 pandemic forced the cancellation of the 2020 Victorian Golf Industry Awards.

Whilst there was no official recognition in 2020, volunteers continue to be the backbone of many clubs and assist in the conduct of many Victorian golf programmes and events.

Golf Victoria sincerely thanks all its wonderful volunteers for their continued support, dedication and contribution to the game.

REVIEW OF OPERATIONS

Championships & Events

The COVID-19 pandemic resulted in the cancellation of many Victorian events in 2020 however the Victorian Men's and Women's Amateur Championships were played with Harrison Crowe (St Michael's, NSW) and Kirsten Rudgeley (Mt Lawley, WA) taking out the coveted titles.

In an attempt to at least contest Victoria's premier state titles in an unprecedented year, the Victorian Men's and Women's Senior Amateur Championships were moved to December and for the second time played concurrently on the same course at the same time. Jane Wall (Barham) and James Lavender (Northern) prevailed – Lavender following a 5-hole sudden death play-off with Kevin Naismith (Southern).

In Victoria's premier junior events, Joshua Robards (Newcastle, NSW) and Jeneath Wong (Metropolitan) won the Victorian Junior Amateur, while Abel Eduard (Kew) and Tiana Wanigasekera (Commonwealth) won the Junior Vic Open titles.

In Victoria's premier team competitions, three rounds of the Victorian Pennant competition were played before the season was ultimately cancelled due to the pandemic, while the

Country Weeks Teams Matches also fell victim to COVID.

Golf Victoria is resolute in ensuring the promotion of women's golf, and 2020 saw an increased women's field size for the Port Phillip Open Amateur which serves as the qualifying rounds to the Victorian Amateur. It is hopeful in the near future that this will result in a more balanced men's and women's field composition.

An additional significant change to the 2020 event programme which ultimately did not eventuate due to COVID-19, was weekend scheduling of the Women's Sand Greens Championship, the Women's Vic Par 3s, and the Women's Country Championships. Golf Victoria and Golf Australia aspire to transform our sport to one which is highly engaging, fully inclusive and accessible to as many women as possible, so moving the

events to the weekend will ensure they are played at times that are most commonly accessible for our community.

With COVID-19 playing havoc to many events, it provided an opportunity to trial different formats. A hugely successful initiative was the playing of the Vic Junior Pennant competition virtually. The format allowed teams to play at their home course, with scores submitted each week to determine the winner of the weekend contest.

Golf Victoria thanks those clubs who hosted our events during 2020, and thanks the many wonderful volunteers who played a part in making them so enjoyable for those involved.

A full list of Victorian event winners can be found on pages 19 to 24.

REVIEW OF OPERATIONS

High Performance

The COVID-19 pandemic has affected most significantly all Victorian golfers. Indeed, Victorian golfers have been impacted more than any other golfers in Australia with the closure of golf courses and practice facilities both in March/April and, again, for several months later in the year. Victorian high performance golfers have not escaped these disruptions.

Prior to the shutdown, in the high performance area the year began in a promising manner for a number of Victorian golfers, with high performance squad member, Andre Lautee taking medallist honours at the Australian Amateur Championship in Brisbane. Internationally, Lucas Herbert had the biggest win of his young professional career winning the Dubai Desert Classic on the European Tour, entrenching himself inside the top 100 in the Official World Golf Ranking. Gabi Ruffels finished runner-up at the US Women's Amateur, almost defending the title she won in 2019. This helped Gabi reach a career high World Amateur Golf Ranking of six.

Lukas Michel was the only Australian amateur golfer to travel internationally during the COVID border closure – to compete at the Masters Tournament at Augusta, Georgia. Whilst he missed the cut it was an experience Lukas will cherish and from which he will learn.

Victoria's rookie professional athletes had mixed success throughout 2020, with international Tours stop-starting throughout the pandemic hit year. All international professional tours decided on two-year wraparound schedules, meaning that players could not lose their cards in 2020, but

conversely there would be no Tour Schools for players to gain tour status in 2021. Both Zach Murray (Europe) and Brett Coletta (Korn Ferry USA) ended 2020 needing some good results in 2021 to guarantee they keep their cards and in Brett's case graduate to the PGA Tour (top 25 on Korn Ferry standings).

The high performance programme made a number of staffing changes early in 2020, employing Daniel Whyley, Stuart Leong, Elissa Orr and Travis Harrison on varying casual contracts. It was felt important to broaden the coaching group and the addition of these coaches complemented head coach Dean Kinney and the sports science staff on the Victorian high performance team.

As a team the athletes and support staff spent the lockdown period meeting weekly virtually, with presentations and online learning a key feature of continuing staff development and knowledge. The team was fortunate that in between lockdowns and from September onwards, to have use of the newly developed Australian Golf Centre pitching area to practise. The AGC is a phenomenal facility and promises to be a great home for Victoria's programme in 2021 and beyond once the facility is fully completed and opens in the second half of 2021.

REVIEW OF OPERATIONS

Development

Technical Services

The COVID-19 pandemic saw the wider introduction of online rules courses throughout 2020.

Over 30 courses for Victorian officials were conducted which covered various topics including the Rules of golf, course set up and competition terms.

Nearly 250 staff and officials from Victorian clubs participated in the online seminars which will enhance their skills in the conduct of competitions at their club or district.

“

Nearly 250 staff and officials from Victorian clubs participated in the online seminars which will enhance their skills

Game Development

Unfortunately the ability to assist clubs in their undertaking of the national participation programmes of MyGolf and Get into Golf was stifled through the restrictions and the uncertainty of the COVID-19 landscape. In addition, all School Sport Victoria events and Sporting School opportunities were either cancelled or severely curtailed.

Whilst the roll out of participation programmes was interrupted significantly in 2020, anecdotally, and once it was possible for play to recommence, the number of people playing golf, including new golfers or returning golfers, was at its highest levels for considerable time.

REVIEW OF OPERATIONS

Development

Club Support

In 2020 the Victorian development team provided considerable support to clubs and districts in disseminating timely and regular information about the constantly changing requirements and constraints affecting the playing of the game through the COVID-19 pandemic.

Through necessity, the team delivered a high level of club help services via online platforms such as Zoom and MS Teams. This new-found ability to engage with clubs via these methods not only provided clubs with more of an understanding of the services that are available from development staff, but also, through this capacity to connect, enabled the development team to gain a greater understanding the immediate needs of clubs.

A multitude of webinars and topical information was available for our clubs and as such we were able to provide a higher level of club governance services

such as ensuring sustainable platforms are set for future MyGolf and Get into Golf programmes.

The team also continued to facilitate strategic plans, assisted with constitutional changes via endorsed templates, and assisted in other areas such as the delivery of club board and / or committee position descriptions and terms of references for sub-committees.

Vision 2025

The Victorian development team has also heightened the awareness and capability of clubs to continue to look to the future and recognise the importance of women in our game.

The 'Even Par' programme continued during 2020, in addition to a range of resources and opportunities for club boards and committees to enhance women's opportunities. A further highlight was the continuance of the Girls' Golf Camp, which was held virtually, with some brilliant innovation and opportunities for the girls participating to connect with each other and maintain their passion for the game.

Victorian Golf Foundation

Throughout 2020 the number of Victorian Golf Foundation grants was limited as a result of many programmes not being conducted due to COVID-19.

VGF funding continues to support programmes directed towards junior golf development and women's participation initiatives, as well as the regional academies of sport.

GOLF VICTORIA

Financial Report

Notes To The Financial Statements

For the year ended 31 December 2020

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of all significant accounting policies adopted in the preparation of this financial report. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) BASIS OF PREPARATION

(i) Special purpose financial report

Golf Victoria Limited (the "Company"), a not-for-profit entity, is a company limited by guarantee where statutory members guarantee its liabilities to the extent of \$10. The registered office of the Company is C/- Golf Australia Unit 21, 328 Reserve Rd Cheltenham Victoria 3192. In the directors' opinion, the Company is not a reporting entity because there are no users dependent on general purpose financial reports.

This is a special purpose financial report that has been prepared for the sole purpose of complying with the Corporations Act 2001 requirements to prepare and distribute a financial report to the members and must not be used for any other purpose.

The financial report has been prepared in accordance with the recognition and measurement principles of all applicable Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001. It contains the disclosures that are mandatory under the Accounting Standards and those considered necessary by the directors to meet the needs of the members.

The financial report is authorised for issue by the directors on 25 May 2021. The directors have the power to amend and reissue the financial report.

(ii) Historical cost convention

The financial statements are presented in Australian dollars, which is the company's functional currency. The financial report has been prepared on a historical cost basis, unless otherwise stated.

(iii) New standards and interpretations not yet adopted

Certain new accounting standards and interpretations have been published that are not mandatory for 31 December 2020 reporting periods and have not been early adopted by the company. The Company's assessment indicates that there are no new Australian Accounting Standards or interpretations that have been issued but are not yet effective with an expected material impact on the Company's financial report in the period of initial application.

The principal accounting policies adopted are set out below.

(b) REVENUE RECOGNITION

Revenue is recognised for the major business activities using the methods outlined below.

(i) Government grants

Where Government grants are received with specific performance obligations attached to the grant that stipulate the manner in which the grant is to be acquitted, the entity recognises revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service to the government and/or third-party beneficiaries. The grant is recognised in the Balance Sheet as a liability until the conditions attached to the grant are met. Non-Government grants are recognised as revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service to the third-party beneficiaries.

(ii) Affiliation and membership fees

Affiliation and membership fees are recognised as revenue as performance obligations are met and the service is rendered to members throughout the year.

(iii) Interest income

Interest income is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

(iv) Other income

Other income is recognised in the year in which it is received.

(c) INCOME TAX

Golf Victoria is exempt from income tax under section 50-45 of the Income Tax Assessment Act 1997. Golf Victoria assesses and determines its exemption on an annual basis in accordance with relevant legislation.

(d) IMPAIRMENT OF ASSETS

The carrying values of assets are reviewed for impairment at each reporting date, with the recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired. The recoverable amount of plant and equipment is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Impairment exists when the carrying value of an asset or cash-generating units exceeds its estimated recoverable amount. The asset or cash-generating unit is then written down to its recoverable amount.

GOLF VICTORIA

Financial Report

(e) CASH AND CASH EQUIVALENTS

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) TRADE RECEIVABLES

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less loss allowance. Trade receivables are due for settlement no more than 30 days from the date of recognition. Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for doubtful receivables is established when there is objective evidence that Golf Victoria will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short term receivables are not discounted if the effect of discounting is immaterial. The amount of the change to the provision is recognised in the Profit & loss statement. The entity applies the AASB 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets.

(g) PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the profit or loss during the reporting year in which they are incurred.

Depreciation is calculated using the straight-line method to allocate the cost or revalued amounts of the assets, net of their residual values, over their estimated useful lives, as follows:

- Vehicles 5 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting year.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss. When revalued assets are sold, it is entity policy to transfer any amounts included in other reserves in respect of those assets to retained earnings.

(h) TRADE AND OTHER PAYABLES

These amounts represent liabilities for goods and services provided to the entity prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(i) PROVISIONS

Provisions for legal claims and service warranties are recognised when: Golf Victoria has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the balance sheet date.

(j) GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the Balance Sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

(k) FINANCIAL INSTRUMENTS

Golf Victoria Limited's principal financial instruments comprise cash and term deposits. The main purpose of these financial instruments is to finance Golf Victoria's operations. Golf Victoria has various other financial assets and liabilities such as trade receivables and trade payables, which arise directly from its operations. It is, and has been throughout the year under review, Golf Victoria's policy that no trading in financial instruments shall be undertaken.

Critical accounting estimates and assumptions

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. There are no areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements.

GOLF VICTORIA

Financial Report

2. REVENUE

The entity derives revenue from the transfer of services over time under AASB 15 and AASB 1058.

In 2020, total member subscriptions revenue is presented net of the subscription amount payable by the Company to Golf Australia Ltd. as a member of Golf Australia Ltd.

2 (a) AUSTRALIAN GOLF CENTRE PROJECT - GRANT REVENUE

Following the 2014 State Government Election commitment to provide \$10.0m to fund the construction of a National Home of Golf facility, the Company, Golf Australia Ltd, Sandringham Golf Links Management Pty Ltd (a wholly owned subsidiary of The Royal Melbourne Golf Club Inc.) and Professional Golfers Association of Australia Ltd have pursued, in conjunction with the State Government, a joint project for Sandringham Golf Course to be reconstructed and improved as The Australian Golf Centre.

As part of the process, the golfing parties have entered into The Australian Golf Centre Sandringham Golf Links Project Deed relating to the project, its completion and the operation of The Australian Golf Centre. Each of the golfing parties has committed to contribute funds to be used (along with the State Government grant funding) for paying for the costs of the project. Each of the Company, Golf Australia Ltd and Professional Golfers Association of Australia Ltd has agreed to contribute funding of \$837,000 (ex GST) and Sandringham Golf Links Pty Ltd, the operator of the golf course, has agreed to contribute funding of \$914,000 (ex GST). The Company has separately committed to Golf Australia Ltd that when their respective funding contributions are to be made (anticipated to be in April 2021) the Company will fund both contributions.

Funding agreements signed between the State Government and the Company, will see the Company receive total government grant funding of \$15,300,000. the Company has already received \$12,703,334 over the last six years in grants from the State Government, with a further \$2,596,666 to be received across the next twelve months.

In accordance with AASB 1058, GV has recognised the grant

revenue as it satisfies its obligations under the grant agreements, being during the construction of the asset. In 2020, \$6,476,668 has been reported in Grant revenue and in 2019, \$2,969,008. The balance of the grant revenue not yet spent in the development of the asset of \$1,881,427 is recognised in the Balance Sheet as a Deferred Income Liability and will be brought to account over the next twelve months. (see Note 8)

2 (b) Australian Golf Centre Project - Interest

In 2020, according to the requirements of the project funding agreement with the State Government, GV approved that interest earned on cash received in advance is to be spent on the construction of the asset. For the period of the project to date \$78,375 of interest has been received and accounts for the balance of the deferred income - see Note 8.

Victorian Golf Foundation: Golf Victoria together with the former Womens Golf Victoria resolved in 1986 to establish the Victorian Golf Foundation to aid in the development of golf in Victoria. The assets of the Foundation are held by the Victorian Golf Foundation Pty Ltd as the custodian trustee.

Golf Australia Ltd: In late September 2018, Golf Victoria Ltd entered into an agreement (the "One Golf Services Agreement") with Golf Australia Ltd pursuant to which Golf Victoria Ltd and Golf Australia Ltd agreed that from 1 October 2018 Golf Australia Ltd will provide particular services, as specified in the One Golf Services Agreement, to Golf Victoria Ltd for the benefit of Golf Victoria Ltd and its members which Golf Victoria Ltd had previously provided directly to its members.

15. AFTER BALANCE SHEET EVENTS

No matter or circumstance has arisen since 31 December 2020 that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's State of affairs in the future financial years.

GOLF VICTORIA

Directors' Declaration

For the year ended 31 December 2020

As stated in Note 1(a)(i) to the financial report, in the directors' opinion, the Company is not a reporting entity because there are no users dependent on general purpose financial reports. This is a special purpose financial report that has been prepared to meet Corporations Act 2001 requirements.

The financial report has been prepared in accordance with Accounting Standards and mandatory professional reporting requirements to the extent described in note 1.

In the directors' opinion:

(a) the financial report and notes set out on pages 27 to 33 are in accordance with the Corporations Act 2001, including:

(i) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements, and

(ii) giving a true and fair view of the entity's financial position as at 31 December 2020 and of its performance for the financial year ended on that date, and

(b) There are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors:

GOLF VICTORIA

Auditor's Report

Independent auditor's report

To the members of Golf Victoria Limited

Our opinion

In our opinion:

The accompanying financial report of Golf Victoria Limited (the Company) is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Company's financial position as at 31 December 2020 and of its financial performance for the year then ended
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and the *Corporations Regulations 2001*.

What we have audited

The financial report comprises:

- the balance sheet as at 31 December 2020
- the income statement for the year then ended
- the statement of cash flows for the year then ended
- the notes to the financial statements, which include significant accounting policies
- the directors' declaration.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Emphasis of matter - basis of accounting and restriction on use

We draw attention to Note 1 in the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose. Our report is intended solely for Golf Victoria Limited and its members and should not be used by parties other than Golf Victoria Limited and its members. Our opinion is not modified in respect of this matter.

Auditor's Report

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report for the year ended 31 December 2020, but does not include the financial report and our auditor's report thereon. Prior to the date of this auditor's report, the other information we obtained included Directors' Statutory Report. We expect the remaining other information to be made available to us after the date of this auditor's report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other information not yet received, if we conclude that there is a material misstatement therein, we are required to communicate the matter to the directors and use our professional judgement to determine the appropriate action to take.

Responsibilities of the directors for the financial report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

VICTORIAN GOLF FOUNDATION

Finance Report

Trustees' Declaration

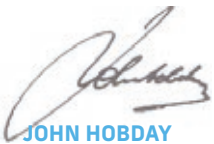

For the year ended 31 December 2020

The Trustees have determined that the Victorian Golf Foundation is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 of the financial statements.

The Trustees of the Foundation declare that:

1. The financial statements and notes, as set out herein present fairly the Victorian Golf Foundation's financial position as at 31 December 2020 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 of the financial statements; and
2. In the Trustees' opinion there are reasonable grounds to believe that the Victorian Golf Foundation will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Trustees.

Notes to the Financial Statements

For the year ended 31 December 2020

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This is a special purpose financial report prepared in order to satisfy the requirements of the Trust Deed in the preparation of a financial report. The Trustees have determined that the trust is not a reporting entity.

As the Trustees have determined that the trust is not a reporting entity there is no requirement to apply applicable Accounting Standards or other authorising pronouncements of the Australian Accounting Standards Board in the preparation and presentation of these financial statements.

The financial report is prepared on an accruals basis, based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been

VICTORIAN GOLF FOUNDATION

Finance Report

adopted in the preparation of this financial report:

(a) Income Tax: No provision for income tax has been raised as the trust is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Other Financial Assets: Non-current investments are measured on the cost basis and re-valued according to market value at balance date. Unrealised gains and losses arising from changes in the fair value of investments are recognised in equity in the asset revaluation reserve.

(c) Cash: Cash includes cash on hand and at banks including at call deposits with banks.

(d) Trust liabilities and right of Indemnity: The Trustees act as trustees of a trust and liabilities have been incurred on behalf of the trust in that capacity. Liabilities incurred on behalf of the trust are not recognised in the financial statements when it is not probable that the Trustees will have to meet any of those trust liabilities from their own resources. When it is probable that the Trustees will have to meet some trust liabilities a liability for the deficiency in trust right of indemnity is brought to account. Details of the trust liabilities, the offsetting right of indemnity, and any deficiency in the right of indemnity are disclosed by way of note to the financial statements.

(e) Goods and Services Tax (GST): Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

(f) Income is recognised in the year in which it is received.

(g) Cash and cash equivalents and cash on deposit includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash.

2. VICTORIAN GOLF FOUNDATION (ESTABLISHMENT AND PURPOSE)

The Victorian Golf Foundation (VGF) was established in 1988. Following an initial period of capital building, the Trustees in 1995 commenced making annual allocations and grants to support golf development programs and projects conducted by the Victorian Golf Association, one of the predecessor organisations of Golf Victoria, District Golf Associations, affiliated golf clubs and allied organisations. The process of annual allocations and grants is ongoing and opportunity is provided each year for interested clubs and organisations to apply for funding support. Since 1995 a total of over \$5.5 million has been expended by the VGF to benefit Victorian golf.

A VGF benefactor program was launched in 1997. Under this program the opportunity exists for any person or group interested in golf to make single or ongoing donations to assist in further building the foundation's capital fund. Donations are tax deductible as a result of the foundation being registered as an approved project of the Australian Sports Foundation.

During 2020 funds were provided to assist the following: Golf club memberships; school club linkage programs for juniors; community come and try clinics; District Association junior clinics and tournaments; MyGolf promotions in schools; golf in primary and secondary school; golf promotion resource materials; and support for regional sports academies.

VICTORIAN GOLF FOUNDATION

Auditor's Report

Independent auditor's report

To the member of Victorian Golf Foundation

Our opinion

In our opinion the accompanying financial report presents fairly, in all material respects, the financial position of Victorian Golf Foundation (the Trust) as at 31 December 2020 and its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards to the extent described in Note 1 of the financial report.

What we have audited

The financial report comprises:

- the balance sheet as at 31 December 2020
- the income statement for the year then ended
- the notes to the financial statements, which include significant accounting policies and other explanatory information
- the trustee's declaration.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Trust in accordance with the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Emphasis of matter - basis of accounting and restriction on distribution and use

We draw attention to Note 1 in the financial report, which describes the basis of accounting. The financial report has been prepared for internal purposes to assist Victorian Golf Foundation and its member. As a result, the financial report may not be suitable for another purpose. Our report is intended solely for Victorian Golf Foundation and its member and should not be distributed to or used by parties other than Victorian Golf Foundation and its member. Our opinion is not modified in respect of this matter.

VICTORIAN GOLF FOUNDATION

Auditor's Report

Other information

The directors of the Trustee are responsible for the other information. The other information comprises the information included in the annual report for the year ended 31 December 2020, but does not include the financial report and our auditor's report thereon. Prior to the date of this auditor's report, the other information we obtained included Director's Report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors of the Trustee for the financial report

The directors of the Trustee are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards to the extent described in Note 1 of the financial report, and for such internal control as the directors of the Trustee determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. The directors of the Trustee have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the needs of the member.

In preparing the financial report, the directors of the Trustee are responsible for assessing the ability of the Trust to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Trustee either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

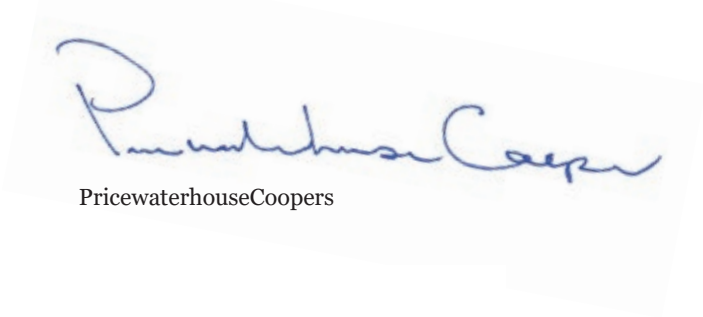

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.
