## President's Report

*This report accompanies the financial statements of Golf Victoria and accompanying directors' report for the period of six months ending on 30 June 2022.*

The statements and report being considered at the Golf Victoria annual general meeting on 24 November 2022 follow constitutional change adopted on 5 November 2021 to align Golf Victoria's financial year with Golf Australia's financial year. The Golf Victoria financial year now commences on 1 July and concludes on 30 June. Given the change to the financial year, consequential timings, and retirement of Directors, this report is a joint President's report, acknowledging that most of this report is focused on the period in which Stephen Spargo was President.

### OUR PURPOSE

*More Australians playing more golf*

### OUR PHILOSOPHY

*All golf is golf and all of us can be golfers*

### OUR POSITIONING

*A sport for life and fun for all*

A special general meeting was required in August 2022 as four Golf Victoria Directors had reached their term limits as Directors. Golf Victoria President Stephen Spargo's term concluded at the 1 August special meeting with Professor David Shilbury duly elected to assume the role of President. Finance Director Peter Nash's term also expired at the 1 August meeting with Ross Anderson duly elected to assume the role of Finance Director.

On behalf of the Golf Victoria board and its members, as the incoming President, I would like to express our gratitude and thanks for the work that Stephen Spargo has done during a difficult period, which included a transition to a one management model with Golf Australia, and of course

the COVID-19 pandemic. Stephen provided exemplary leadership for golf in Victoria and was instrumental in ensuring that Golf Victoria's voice was ever present as Golf Australia and five of its member associations moved towards an innovative and new structure through One Golf.

Peter Nash was equally instrumental in playing an important role in overseeing the transition to One Golf and as Finance Director he has overseen the accounts, which included Victorian government grants to support the construction of the Australian Golf Centre (AGC). Along with Stephen, Peter has played a critical role in ensuring Victorian government grant income has been treated correctly in terms of accounting standards, as well as ensuring that the appropriate legal frameworks were adopted to recognise the roles played by Bayside City Council, Sandringham Golf Links Management and Golf Victoria, and ultimately the licenses conferred on Golf Australia and the PGA of Australia by Golf Victoria to occupy the AGC premises.

Two further Director terms expired at the August 2022 general meeting. Mark Dunstan and Luci Bryce retired having completed six years on the Golf Victoria board. Mark Dunstan has also contributed to overseeing Golf Victoria finances through his involvement on the Finance Audit and Risk Committee which has included a role on the AGC Committee. Luci Bryce has played an important role in advising the board and where relevant Golf Australia in relation to events and the Victorian Open. On behalf of the Golf Victoria Board and its members we would like to express our sincere thanks to the four retiring directors for their valuable contributions over the last six years.

Given the retirement of four Directors, the Golf Victoria board is in a period of renewal. At the special general meeting on 1 August 2022, Josh Hall from Lonsdale Links Golf Club was elected to fill a vacancy on the board. As a country member, Josh is one of two country representatives on the Golf Victoria board. At the 24 November annual general meeting we will welcome two new Directors to the Golf Victoria board.

One issue dominated Victorian golf during

## President's Report

the latter half of 2021. That was the impact of the global COVID-19 pandemic on life generally, and specifically, the opportunity for golfers to play the game they love. Government and health authorities had to make many decisions to combat the disease. These decisions affected golf and at times they prohibited golf from being played, or at other times, their effect was very constraining. Operations of clubs, courses and facilities everywhere were disrupted and the decisions also played havoc with the golfing calendar. These were very unfortunate outcomes for golfers.

Fortunately, 2022 has seen a steady improvement in the pandemic with life all but returning to normal, with golf clubs and courses welcoming back golfers on a regular basis. One of the outcomes of the pandemic has been a rise in club memberships and rounds played, as golf offered a safe outdoor environment in which to play and socialise during otherwise difficult times. Victorian club membership increased by 3% in 2021/22 while approximately 2.26 million competition rounds were played in Victoria, despite Covid-19 restrictions still applying during Spring 2021. However, in the six months to 30 June 2022, competition rounds were 2.6% higher than the corresponding period in 2021 and 8.1% higher than in 2019, prior to the pandemic.

A feature of the decline in COVID-19 cases was the return of many golf events that characterise the golf calendar in Victoria. This included a successful Vic Open staged against a backdrop of uncertainty in terms of possible restrictions. The event was once again hosted by 13th Beach Golf Links and we thank the board and members for their commitment to the Vic Open format and for making their golf course available. 2022 saw the continuation of the Vic Inclusive Championships, and for the first time, the playing of the inaugural Australian Wheelchair Championships. We congratulate Stephen Pollard on winning the Vic Inclusive Championship, Nick Taylor on winning the Australian Wheelchair title, and congratulations are extended to Vic Open winners Hannah Green and Dimitrios Papadatos.

Members should also note that the 2022 Australian Open has recognised the innovative contribution of the Vic Open by moving to adopt the same format and include both men and women golfers as well as an all-abilities component to the championships. Golf Victoria should feel proud that the state open has allowed for some innovative thinking that has now been adopted by the national open.

May 2022 saw the annual interstate series played at the Sorrento Golf Club. We thank the board and members of the Sorrento Golf Club for making their golf course available. A new format was adopted with the golfing teams of all states comprising four men and

four women. I am pleased to report that this team composition was very successful with genuine team interactions and great camaraderie between all team members. The Victorian team of Keeley Marx, Kono Matsumoto, Amelia Harris, Molly McLean, Andre Lautee, Phoenix Campbell, Toby Walker and Jasper Stubbs won 4 of their 5 round contests, before defeating a gallant South Australia in the final. We congratulate all team members, coaches and support staff for a wonderful performance.

Sadly, we lost some wonderful contributors to Victorian Golf over the past 12-months. Bob Shearer, a PGA Life Member, Victorian Hall of Fame inductee, Australian Open, Australian PGA and Vic Open Champion passed away in January 2022, while fellow Victorian Golf Hall of Fame member Maggie Masters passed away at the age of 87 in October 2022. Victorian Golf also lost long serving Victorian Golf Association council members Murray Cropley, Harvey Ashton and Barry Donaldson while former Golf

Victoria finance director, Tony Nott passed away in June 2022.

The financial statements reveal that Golf Victoria's main activities for the period continued to be the progressing of all aspects of the AGC project at Sandringham Golf Links. The AGC was largely complete by mid 2022 but was not fully functional until COVID-19 restrictions began to lift to allow all staff to work from the AGC. The AGC was formally opened by the Victorian Premier on 28 April, 2022 and is now fully functional. Financially, the practical completion date for the project has now been achieved. The redeveloped golf course at Sandringham and the new driving range are also in full operation. This is an exciting step for golf in Australia.

Achieving closer collaboration and cooperation between Golf Australia, its member associations, the PGA of Australia and the WPGA Tour of Australasia was a key focus of the national strategy released for golf in Australia in late 2021. The Golf Victoria Board was an active contributor to the formulation of the strategy for golf in Australia. The plan covers the period 2022 – 2025 and adopts a broader remit in relation to the promotion of golf as is indicated by the Purpose, Philosophy and Positioning statements.

## Financial Report

### Notes To The Financial Statements

For the period ended 30 June 2022

#### 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of all significant accounting policies adopted in the preparation of this financial report. These policies have been consistently applied to all the periods presented, unless otherwise stated.

During the period the Company changed its accounting period end date to 30 June and accordingly has prepared this set of financial statements for the six month period ended 30 June 2021. The accounting period end date was changed in order to bring it into line with Golf Australia Limited of which it is a member.

#### BASIS OF PREPARATION

##### (i) Special purpose financial report.

Golf Victoria Limited (the "Company", "GV" or "Golf Victoria"), a not-for-profit entity, is a company limited by guarantee where, as provided in its constitution, members guarantee its liabilities to the extent of \$10. The registered office of the Company is C/Golf Australia, Australian Golf Centre, Sandringham Golf Links, Cheltenham Road, Cheltenham Victoria 3192. In the directors' opinion, the Company is not a reporting entity because there are no users dependent on general purpose financial reports.

This is a special purpose financial report that has been prepared for the sole purpose of complying with the Corporations Act 2001 requirements to prepare and distribute a financial report to the members and must not be used for any other purpose.

The financial report has been prepared in accordance with the recognition and measurement principles of all applicable Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001. It contains the disclosures that are mandatory under the Accounting Standards and those considered necessary by the directors to meet the needs of the members.

The financial report is authorised for issue by the directors on 20th October 2022. The directors have the power to amend and reissue the financial report.

##### (ii) Historical cost convention

The financial statements are presented in Australian dollars, which is the Company's functional currency. The financial report has been prepared on a historical cost basis, unless otherwise stated.

##### (iii) New standards and interpretations not yet adopted

Certain new accounting standards and interpretations have been published that are not mandatory for 30 June 2022 reporting periods and have not been early adopted by the Company. The Company's assessment indicates that there are no new Australian Accounting Standards or interpretations that have been issued but are not yet effective with an expected material impact on the Company's financial report in the period of initial application.

The principal accounting policies adopted are set out below.

#### REVENUE RECOGNITION

Revenue is recognised for the major business activities using the methods outlined below.

##### (i) Government grants

Where Government grants are received with specific performance obligations attached to the grant that stipulate the manner in which the grant is to be acquitted, the entity recognises revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service to the Government and/or third-party beneficiaries. The grant is recognised in the Balance Sheet as a liability until the conditions attached to the grant are met. Non-Government grants are recognised as revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service to the third-party beneficiaries.

##### (ii) Affiliation and membership fees

Affiliation and membership fees are recognised as revenue as performance obligations are met and the service is rendered to members throughout the period.

##### (iii) Contributions Revenue

Contributions are recognised as revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service to third-party beneficiaries.

##### (iv) Interest income

Interest income is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

##### (v) Other income

Other income is recognised in the period in which it is received.

#### INCOME TAX

Golf Victoria is exempt from income tax under section 50-45 of the Income Tax Assessment Act 1997. Golf Victoria assesses and determines its exemption on an annual basis in accordance with relevant legislation.

#### IMPAIRMENT OF ASSETS

The carrying values of assets are reviewed for impairment at each reporting date, with the recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired. The recoverable amount of plant and equipment is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Impairment exists when the carrying value of an asset or cash-generating units exceeds its estimated recoverable amount. The asset or cash-generating unit is then written down to its recoverable amount.

#### CASH AND CASH EQUIVALENTS

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

## Financial Report

### TRADE RECEIVABLES

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less loss allowance. Trade receivables are due for settlement no more than 30 days from the date of recognition. Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for doubtful receivables is established when there is objective evidence that Golf Victoria will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short term receivables are not discounted if the effect of discounting is immaterial. The amount of the change to the provision is recognised in the Profit & loss statement. The entity applies the MSB 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets.

### PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in an asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the profit or loss during the reporting year in which they are incurred.

Depreciation is calculated using the straight-line method to allocate the cost or revalued amounts of the assets, net of their

residual values, over their estimated useful lives, as follows:

• Buildings	40 years
• Vehicles	5 years
• Property Plant and Equipment	3-10 years
• Furniture, Fixtures and Fittings	3-10 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting year.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss. When revalued assets are sold, it is entity policy to transfer any amounts included in other reserves in respect of those assets to retained earnings.

### TRADE AND OTHER PAYABLES

These amounts represent liabilities for goods and services provided to the entity prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

### PROVISIONS

Provisions for legal claims and service warranties are recognised

when: Golf Victoria has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the balance sheet date.

### GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the Balance Sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

### FINANCIAL INSTRUMENTS

Golf Victoria's principal financial instruments comprise cash and term deposits. The main purpose of these financial instruments is to finance Golf Victoria's operations. Golf Victoria has various other financial assets and liabilities such as trade receivables and trade payables, which arise directly from its operations. It is, and has been throughout the year under review, Golf Victoria's policy that no trading in financial instruments shall be undertaken.

Critical accounting Estimates and Assumptions

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. There are no areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements.

## 2. REVENUE

The entity derives revenue from the transfer of services over time under AASB 15 and AASB 1058. Total member subscription revenue is presented net of Golf Australia subscription amounts.

## Finance Report

### *Notes to the Financial Statements*

For the year ended 30 June 2022

#### **1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

This is a special purpose financial report prepared in order to satisfy the requirements of the Trust Deed in the preparation of a financial report. The trustees have determined that the trust is not a reporting entity.

As the trustees have determined that the trust is not a reporting entity there is no requirement to apply applicable Accounting Standards or other authorising pronouncements of the Australian Accounting Standards Board in the preparation and presentation of these financial statements.

The financial report is prepared on an accruals basis, based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

During the prior period the Victorian Golf Foundation (VGF) changed its accounting period end date to 30 June and accordingly the comparative period presented in these financial statements is for the six month period ended 30 June 2021. The accounting period end date was changed in order to bring it into line with Golf Victoria Limited.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

(a) Income Tax: No provision for income tax has been raised as the trust is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Other Financial Assets: Non-current investments are measured on the cost basis and re-valued according to market value at balance date. Unrealised gains and losses arising from changes in the fair value of investments are recognised in equity in the asset revaluation reserve. Realised gains and losses are recorded in the profit and loss statement as incurred.

(c) Cash: Cash includes cash on hand and at banks including at call deposits with banks.

(d) Trust liabilities and right of Indemnity: The trustees of the VGF act as trustee of a trust and liabilities have been incurred on behalf of that trust. Liabilities incurred on behalf of the trust are not recognised in the financial statements when it is not probable that the VGF will have to meet any of those trust liabilities from the trust's own resources. When it is probable that the trustees will have to meet some trust liabilities a liability for the Deficiency in Trust Right of Indemnity is brought to account.

Details of the trust liabilities, the offsetting right of indemnity, and any deficiency in the right of indemnity are disclosed by way of note to the financial statements.

(e) Goods and Services Tax (GST): Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

(f) Income is recognised in the period in which it is received.

(g) Cash and cash equivalents and cash on deposit includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash.

#### **2. VICTORIAN GOLF FOUNDATION (ESTABLISHMENT AND PURPOSE)**

VGF was established in 1987. Following an initial period of capital building, the trustees in 1995 commenced making annual allocations and grants to support golf development programs and projects conducted by the Victorian Golf Association, one of the predecessor organisations of Golf Victoria, District Golf Associations, affiliated golf clubs and allied organisations. The process of annual allocations and grants is ongoing and opportunity is provided each year for interested clubs and organisations to apply for funding support. Since 1995 a total over \$5.61 million has been expended by the VGF to benefit Victorian golf.

A VGF benefactor program was launched in 1997. Under this program the opportunity exists for any person or group interested in golf to make single or ongoing donations to assist in further building the foundation's capital fund. Donations are tax deductible as a result of the foundation being registered as an approved project of the Australian Sports Foundation.

For the 12 months ended June 2022 funds were provided to assist the following: golf club memberships, school club linkage programs for juniors, community come and try clinics, scholarships for junior girls, District Association junior clinics and tournaments, MyGolf promotions in schools, golf in primary and secondary school, golf promotion resource materials, and support for regional sports academies.

### Responsibilities of the trustees of the Trust for the financial report

The trustees of the Trust are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards to the extent described in Note 1 of the financial report, and for such internal control as the trustees of the Trust determines are necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. The trustees have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the needs of the trustees.

In preparing the financial report, the trustees of the Trust are responsible for assessing the ability of the Trust to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees of the Trust either intend to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

The trustees are responsible for overseeing the Trust's financial reporting process.

### Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.
