

2021/22 ANNUAL REPORT

SA Golf Industry Hall of Fame

The South Australian Golf Industry Hall of Fame was formed in 2011, where five inaugural members were inducted, followed by two more in 2012 and two more in 2013. The last member to be inducted was Bob Stevens in 2014 to form the current 10 member Hall of Fame.

The primary requirement for selection as a Hall of Fame Member is high level achievement from personal effort or initiative, in a field of endeavour that contributes to the performances of professional or amateur players, the development of facilities and clubs or to the development and status of the golf industry in South Australia.

Nominees should have made a **major contribution**, either **past** or **present** at the international, national or Club level to the game of golf generally.

Golf SA is an incorporated Association with a strong duty of care - not just for the heritage of the sport but for the future too.

Golf SA is administered through an elected Board and supported by fulltime office staff, which since October 2018 have been employed by Golf Australia Ltd in accordance with the One Golf services agreement.

For over 100 years Golf SA (known as The SA Golf Association and Women's Golf SA until merging to form Golf SA in 2008) has been charged with the responsibility to promote, encourage and advance the game of golf in South Australia.

Chair's Report

Golf in South Australia has continued its recent surge during the 2021-22 year.

As we emerge from the pandemic, it is important that we consolidate the gains that have been made and implement measures that will continue the growth of the game into the future.

To this end, the Australian Golf Strategy 2022-2025 was released in December 2021. This strategy was the outcome of an extensive consultation process across all States and involved all sectors of the golf industry. The strategy defines our purpose as getting "More Australians playing golf" and to position golf as "a sport for life and fun for all". The Golf Australia team, including all South Australian based staff, has been restructured and given personal KPIs which are directly related to the deliverables from the strategy.

Golf club membership in SA experienced growth of over 6% in 2021/22, with pleasingly the leading sector being Junior memberships growing by over 12%. The total number of SA golf club members (37,891) is more than 37% greater than the corresponding figure for 2018.

Golf Australia (GA) recorded an operating profit of \$1.6 million in 2021/22 and was able to increase its nett asset position from \$5.3 million to \$6.9 million. These results are a vast improvement on the financial position of GA compared to that which existed at the start of the OneGolf process and clearly reflect the work that has been done on the controls and systems supporting the GA financial position over the past 2-3 years. Golf SA recorded an operating loss of \$58k of which the major contributing factor was the reduction in value of our investment portfolio of over \$105k due to share market volatility.

On the course it was an excellent year for SA golfers, with many of our elite amateurs and emerging professional players having success at National and International events. However, the highlight of the year was provided at the Australian Amateur Interstate Series held at Sorrento Golf Club in May 2022. A revised format was adopted with a 4 person men's and women's team each playing their own series and a new concurrent mixed series added.

Our men's team enjoyed a superb week recording wins over NSW and Victoria on the first day and eventually going on to win the Men's Championship for the first time in 39 years!! That win coupled with a solid week from our women's team earned our combined team a position in the inaugural mixed final against Victoria. Although we were narrow losers in that final, the performance from all 8 players throughout the week

was outstanding and a memorable experience for all involved. It was also validation for the Golf SA High Performance Program, ably led by Adrian Wickstein.

I thank the Golf Australia staff and the Golf SA Board for their support in 2021/22 and for all their efforts serving the golfing community of South Australia. I especially thank the group of volunteers that we heavily rely upon to perform tasks during Golf SA events. This group has been performing their roles for many years and although they largely go unnoticed, I know the Golf SA Operations team and the Golf SA Board rely on them and appreciate their time and efforts.

On a sad note, Leah Tattersall decided to leave Golf SA in May 2022. Leah led Golf SA's Golf Operations team for 10 years in a professional and energetic manner and has been involved with SA golf for 17 years. South Australia has an enviable reputation for conducting very well-run events and much of this is due to Leah's leadership in her role.

Similarly, it was disappointing that John Norman has decided to retire from the Golf SA Board. John maintained close scrutiny on the Golf SA financial position throughout his 7 years as Chair of the Golf SA Finance Committee and I record the thanks of Golf SA for his commitment to this work and advice on all financial and other issues. I also acknowledge Edwina Grant's contribution in her time on the Golf SA Board which ended during the year.

I also record my thanks to Susan Seja who completed her term of 9 years as a Golf SA director at the 2020/21 AGM. Susan was a valuable asset to the Board and to all South Australian golf events in her role as a tournament referee. Fortunately, Susan will not be lost to SA golf as she will continue in her refereeing role.

Congratulations to the winners of all events that were played this year and to the competitors, volunteers, golf clubs and staff who contributed to making this year such a success for Golf SA.

I look forward to the year ahead and working with the SA golf community to grow the game in SA and ensure that golf in this State is seen as a game for life... and a game that can be enjoyed by all.

Participation

MYGOLF JUNIOR PROGRAM

MyGolf is Australia's junior golf program, providing lessons for beginners with a focus on games-based activities and fun, and supported by Golf Australia and the PGA of Australia.

Over the past 12 months the MyGolf program continues to build with a record 1,858 children participating in the program in South Australia with 44 MyGolf Centres actively running programs.

The MyGolf Junior League is designed to give children their first experience of competitive golf in a fun, safe and modified team environment and also seeks to keep children involved in the sport beyond the MyGolf program and through their teenage years and foster a team bond in what is predominantly an individual game.

South Australia ran three MyGolf Junior Leagues in 2021 with six teams competing in each league and 20 clubs providing players. 159 participants competed across the leagues, 113 boys and 46 girls.

MYGOLF SPORTING SCHOOLS PROGRAM

Sporting Schools is a \$320+ million Australian Government initiative designed to help schools increase children's participation in sport and to connect them with community sport opportunities.

Golf Australia is one of 35 national sporting organisations who have partnered with Sport Australia to offer free programs to primary schools, and a targeted program for Year 7 and 8 students in secondary schools.

Through the MyGolf Sporting Schools program, Golf Australia has connected golf clubs, PGA Professionals and Community Instructors with local schools to help introduce golf through school sport. For the financial year 2021/22 across the four terms, 41 SA schools gained funding to deliver five-session golf programs in the school yard.

JUNIOR PATHWAY EVENTS

Golf Australia School events provide an inviting environment for students to have fun and learn about the game, with modified rules and on shortened holes.

The School program provides a pathway for students to be confident to attend local qualifying days for the SA Primary Schools Golf Event. 22 Qualifying events were held all across the state between June-August with the qualifiers featuring 275 participants. The State Final was held at West Beach Park on 9-10 September with 156 players competing. A 15 & Under event was also held for Secondary students.

Golf Australia also coordinated five school holiday Par 3 events across the 12 months to provide a steppingstone for those children aged 6-14 years looking for a competitive on course golf experience. On average 38 players participated each event.

PARTICIPATION SUPPORT PROGRAM

This year Golf Australia has supported 15 facilities by providing training and new equipment up to the value of \$2,000 for them to be in a position to deliver national golf programs to juniors and adults within their community.

The initiative will continue next financial year.

COMMUNITY INSTRUCTOR COURSE

The Community Instructor online training and accreditation program has been designed to grow the sport of golf through the effective development of a volunteer workforce at the grassroots level, for program delivery at golf facilities and schools.

We have had a strong focus on growing the number of accredited Community Golf Instructors, especially in regional SA where only a handful of clubs are serviced

by a PGA Professional. There were 53 new course completions this year with 50 Community Instructors delivering national programs. Three practical training sessions were also held with 24 attendees representing 11 facilities.

GET INTO GOLF

Get Into Golf looks to create a central and understandable entry point for any adult looking to get started in golf by connecting new golfers with programs via an online platform.

Golf Australia launched the Get Into Golf program and platform in August 2020. Over the past 12 months 692 participants (80% female participants) have experienced a GIG program with 29 Facilities actively running programs.

PLAY 9

Play 9, an industry-wide promotion of nine-hole golf was held again with facilities asked to promote and run nine-hole competitions between 1 June - 15 November 2021.

There were over 20,000, 9-hole rounds across the state submitted by 4,800 individual golfers with 60 players drawn to play in the state final at North Adelaide golf course in December.

Congratulations to Andrew Nielson (Thaxted Park), Nick Giles (Tanunda Pines), Vicki Tye (Blackwood) and Mary Winser (Millicent) who all won an all-expenses paid trip to the national final in Melbourne in Feb 2022.

AUSTRALIAN GOLF FOUNDATION GIRLS' SCHOLARSHIP PROGRAM

The program is designed to grown participation by fostering a deep love of golf by creating a strong bond between girls (aged 10-16) and their golf club/facility.

10 Facilities were part of the program in 2022 with 54 girls benefitting from the yearlong scholarship which included a structured 24-week coaching program, access to competitions and a golf club membership for obtainment of an official handicap.

Clubs and Facilities Support

CLUBS & FACILITIES SUPPORT

SA staff have continued to work with clubs across the state on various governance, sustainability, and operational matters. Some specific items include Equal Opportunities in golf, business and financial reviews, strategic planning assistance as well as Constitutional planning. All of this is in addition to the resources available through Golf Australia's Club Support Portal.

A priority was to continue to get out and meet with clubs, 51 of whom have received a visit to talk about the support GA can provide and in particular to discuss retention strategies. The Grant Writing Assistance Program has seen 14 clubs receive full support with the completion of a grant application to a variety of providers, seeing almost \$200,000 in grant funding given to the sport.

A Turf Management Assistance Program was introduced, where 25 clubs attended a workshop to learn more about the principles of turf management, how to interpret and act on soil and water testing, and the importance of risk management.

GA, with the assistance of Inside Edge Sport & Leisure Planning, has commenced work on a Public Access Facilities Plan for Golf in Greater Adelaide (The Plan). The Plan will provide a framework for GA to work collaboratively with key clubs and facilities identified across Greater Adelaide to secure future funding for facility upgrades to improve the quality, functionality, and sustainability of existing golf facilities in the region.

The Plan will drive strategic improvements and co-investment in public access golf facilities and help ensure Greater Adelaide's golf facilities are suitable to meet the evolving needs of the golf customer delivering a 15-year roadmap with short, medium, and long-term facility planning and development priorities, helping to future proof golf.

Golf Operations

Competitions

SA AMATEUR CHAMPIONSHIP

With travel restrictions still in effect due to Covid-19 impacts, the 2021 SA Amateur Championship field was South Australian dominant. 54 men and 17 women teed off at Mt Osmond golf club, and faced 36 holes of stroke play, before the top 32 men and 8 women progressed to the match play stage.

South Australia's Jack Buchanan was the men's top qualifier heading into match play, after three play off holes. A total of 29 South Australian's players (25 men and 4 women), progressed through to the match play. Matilda Miels of Kooyonga golf club was strong throughout the tournament, reaching the final, but going down 6 & 4 to Queenslander Sarah Wilson, victorious in her second consecutive appearance in the final.

Jordan Percey from The Vines Golf Club of Reynella represented the South Australian Men's side powerfully, coming into the final with a strong 6 & 5 win over Kooyonga Golf Club's Kyle Hayter. Youth Joseph Buttress from Western Australia built momentum however, taking the championship title with a 5 & 3 win.

SA AMATEUR CLASSIC & RENE ERICHSEN SALVER

Royal Adelaide Golf Club was again home to the SA Amateur Classic and Rene Erichsen Salver, attracting a full field of 145 players, comprised of 110 Men and 35 Women. The fairways were graced by golfers from not only nation-wide, but with travel back on the cards, the line up included representation from Singapore and New Zealand.

Caitlin Pierce produced consistent rounds amongst her home course, putting together four stellar rounds to finish the tournament 18 under-par. With local member support in tow, Pierce stormed home with a final round including two eagles and four birdies to lead the field by 6 shots and secure the victory.

Western Australian Connor McKinney was deemed SA Amateur Classic winner, finishing 18 under-par, including a third round of 63, to blow away the competition by 9 shots. South Australia's Jack Buchanan finished runner up at 9-under.

JUNIOR AMATEUR CHAMPIONSHIP & JUNIOR MASTERS

SAs tradition, the SA Junior Amateur and SA Junior Masters were played back to back in early January of 2022. Kooyonga Golf Club, and Royal Adelaide Golf Club (respectively) were host to increased fields blasting strong competition.

With 75 Junior Golfers braving sweltering conditions at Kooyonga Golf Club, the SA Junior Amateur tournament was no easy feat. Queenslanders Billy Dowling and Molly McLean won their respective categories, both building momentum throughout the 54 holes. Dowling finished 4 under-par, with McLean scoring in similar fashion with an overall 3 under-par. South Australia's Raegan Denton fought with three solid rounds, finishing in fifth place.

The SA Junior Masters event was an impressive display of golf, with Queenslander Sarah Hammett taking the title for the second consecutive year, four shots ahead of the field including a six-under par 67 opening round. Fellow Queensland golfer Dajuan Snyman carded four over par for the tournament, to raise the trophy. Charlie Nobbs and Raegan Denton were best placed South Australian's, finishing T7 and T5, respectively.

SENIOR AMATEUR CHAMPIONSHIP

With Covid-19 impacts still in play during the 2021 SA Senior Amateur, the field of 74 (66 men and 8 women) was dominant with local players.

Once again held at Links Lady Bay, Blackwood Golf Club stood tall across the women's and men's field. Angela Masters lead the women's championship from round one, remaining steady across the tournament to extend her lead. Masters took out the Amateur title, five shots ahead of the competition, proving her dominance on the 2021 Senior Order of Merit table was no fluke.

The Men's Senior Amateur trophy was tightly contested, with Blackwood golfer Nick Wake only one off the lead at the end of day one. An even par round on day 2 pathed the way for a victory, taking out the championship by four strokes. Jim Richards from Tea Tree Gully was dominant in the Super Senior Men's category to take the win.

MID AMATEUR CHAMPIONSHIP

The 2021 Mid Amateur Championship was held at the beautiful but challenging Links Lady Bay, with the weekend comprised of tough and breezy conditions. Previous 2020 champion, Ebony Riordan, won the women's event by a six-shot margin over Susan Keylock from Sandy

Creek, to go back-to-back. Tim Atze from Pinaroo Golf Club was the only player in the field to produce an under par round, with two one-under 71's, awarding him the Men's championship, with a seven-shot victory.

ORDER OF MERITS

The men's and women's Vardon OOM for 2021/22 was still in swing, with the SA Amateur Championship held late September being the crux of the season. To gain points to contribute to Order of Merit Rankings, 14 all-age events were on offer throughout the season.

The boy's and girl's Vardon OOM, beginning November 2021, had 15 events on offer with junior-specific categories, before wrapping up in September 2022. Charlie Nobbs from The Vines of Reynella, secured a back-to-back victory, playing 7 events. Royal Adelaide's Raegan Denton played in 14 events, of which were 7 victories, to win the girl's OOM Vardon trophy.

The Senior Order of Merit for the 21/22 season, offered to men 55 years and above, and women over 50, comprised of 13 events. Beginning in Blackwood in February, the pinnacle of the season was the Senior Amateur Championship, held at Kingston SE Golf Club. Nadene Gole from Victoria was strong in South Australia's National ranked events, winning the women's event, with Sharon Honner from Royal Adelaide claiming victory in the Nett category. New Zealand star Stuart Duff swept the field to win the Senior men's category (aged 55-64 years), with Willunga golfer David Pateyjohns successful in the nett. Super Senior (aged 65+) Lindsay Elliot, contested in 12 of the events on offer, to win the trophy.

COUNTRY GOLF

The 36-hole SA Country Junior Championship hosted competitive junior golfers from various country districts, hosted by Sandy Creek Golf Club in Mid North. Mitchell Handford from Mount Gambier was strong in round one, ensuring him a 9 shot lead and winning the Boy's title. Jamie Hards from Murray Bridge won the girl's event with a one-shot lead.

In August 2021, 93 players teed up at Maitland Golf Club, to contest the Men's Sand Greens Championship. Ryan Wheeler, regular competitor in the event, blitzed the course to be 12 under-par over two rounds, etching his name into the trophy for a third time.

The 2021 Men's Country Championship, encompassed in Men's Country Week, was battled over 36 holes stroke play and two match play rounds. Jak Carter of Links Lady Bay Golf Club secured the title with a 6 & 5 win over Tim Atze of Pinnaroo.

Women's Country Week in July 2021, inclusive of the Women's Country Championship, was unfortunately cancelled on the eve of the event, due to a statewide lockdown as result of the pandemic.

Played in October at Barmera Golf Club, and for the first-time hosting two Divisions with separate competitions associated, Country District Pennant was comprised of 7 of the 8 country districts submitting mix gender teams of eight players. After a weekend of match play, Division 1 was awarded to Riverland, winning all three matches, with the Division 2 title won by Mid North.

PENNANT

In the 2022 Pennant season concluding in July, 17 clubs fielded a total of 84 teams- amounting to 474 players representing their club each week. Kooyonga remained dominant in the Simpson Cup, to win their 35th title, defeating Royal Adelaide 5.5-1.5. Not to be discounted, Royal Adelaide's presence in the final being was first since 1965. In the Sanderson cup, The Grange was dominant, winning 3.5-1.5, adding to the tally of six victories in 7 years. The top Junior grade, Sharp Cup, was a tight contest, with the eventual winners Glenelg defeating The Grange 3-2.

The 2021 Senior Pennants was restructured in 2020, to encompass three divisions, with the number of clubs involved nearing 20. Regaining their title in the top division, Tea Tree Gully took out the final, defeating Royal Adelaide 5.5-1.5.

Technical Services

RULES OF GOLF

The R&A online academy continues to be popular with many South Australian golfers registering for the free Rules education program. The Rules Academy covers the most commonly occurring Rules situations, culminating in the official R&A Level 1 Exam.

South Australian participants who have passed the online R&A Level 1 Rules Academy will be invited to partake in the online Level 2 Rules Courses hosted by Golf Australia.

COURSE RATING

With the introduction of the World Handicapping System, rating reviews, at the request of clubs, has seen many clubs reach out to review their rating. The use of the statistical data available from Golfink has proved invaluable in this review process.

With Golf Australia recommending that clubs provide their members with greater playing flexibility, in SA we are seeing a trend of more clubs requesting a variety of ratings for men and women. Golf SA strongly encourages the use of a shorter course option, whether it be a red tee option for men or an orange course option for beginners and juniors, or to simply create a fun short course for existing members for handicapping.

High Performance

High Performance in South Australia has seen great results from the 23 squad members that make up the Tier one (1 athlete), Tier two (2 athletes), Tier 3 (4 athletes) and Tier 4 program (16 athletes).

The 13 males and 10 females undertook an 8 month program which included golf skills and tournament preparation planning sessions, strength and conditioning training, physiotherapy, psychology, biomechanics and nutrition education.

Individual success of note included a win by Jack Thompson who is a member of the Golf Australia Tier 1 Rookie Program. He recorded his maiden victory on the PGA Tour of Australasia at the Gippsland Super 6 Tournament in December 2021.

Caitlin Peirce (Tier two) was successful in winning the Karrie Webb series, which is a season long Golf Australia championship where points are accumulated across performances in selected elite amateur and professional Australian events.

With this victory, Caitlin was invited by Karrie to the KPMG Major Championship in the USA and attended the Champions Dinner along with several past Major champions.

Jack Buchanan has also had success at the National Level in 2021/22 season, with 4 runner up performances in Golf Australia ranking events. Jack was the winner of the 2020/21 Golf Australia Order of Merit.

At the time of writing, Caitlin is sitting first and Jack Buchanan second on the Golf Australia Order of Merit table. Both are well placed to take out those top honors, which conclude on 31st October 2022.

In May 2022, the Men's Amateur team of Jack Buchanan (C), Billy Cawthorne, Kyle Hayter and Charlie Nobbs were successful in winning the Australian Interstate Teams matches at Sorrento Golf Club. This is a great result for South Australia, adding to the history books for the first time in a long time, 39 years to be precise!

The girl's team of Caitlin Peirce (C), Raegan Denton, Matilda Miels, and Amelia Whinney fought valiantly, which earned the combined men's and women's team a shot at the inaugural overall championship. Unfortunately, South Australia lost in a tight tussle to Victoria.

The South Australian squad is looking forward to the upcoming summer of golf and testing themselves against the best players nationally and internationally.

Finance Audit & Risk Management Report

Golf SA reported an operating deficit of \$58,114 for the 2022 financial year.

Golf SA is a not for profit organisation and the intent is for all money received to always be spent back to grow the game in South Australia. With expense for operations in South Australia now almost exclusively incurred by Golf Australia under the One Golf agreement, the profit and loss statement now only has two main entries – affiliation fee income totalling \$1,027,812 and the One Golf service fee of the same amount. The dividend income improved to \$56,961 as dividend levels increased in major ASX listed entities as conditions normalised post COVID-19 and we expect dividends to track at similar levels going forward. Interest income was only \$936 for the year, but with increasing reserve bank cash rate we expect this to materially improve in 2023 financial year with the Board focussing on active management of term deposits once again. The operating deficit was a result of change in fair value investments of -\$105,267 for the 2022 financial year, which was broadly in line with market performance for the year.

Golf SA has been working over a number of years to establish a foundation to enable surplus funds to be invested back in the SA golfing community, particularly to support participation and early stage development of junior golfers. The foundation remains a work in progress, however, Golf SA was pleased to commence contributions in 2022 financial year with \$10,000 going to Australian Golf Foundation Junior Girls' Scholarship Program to support junior girls in South Australia.

Cash balances have reduced again from \$1,056,913 at the end of the 2021 financial year to \$685,902 at the end of the 2022 financial year. The \$371,011 decline in

cash balance across 2022 financial year can be primarily attributed to the change in prepayments and trade payables:

- Prepayments increased (cash decreased) from \$726,645 in the 2021 financial year to \$867,416 in 2022 financial year.
- Trade payables reduced (cash reduced) from \$348,108 in the 2021 financial year to \$0 in 2022 financial year.

With the prompt payment of affiliation fees from clubs, Golf SA paid the One Golf service fee faster than prior years, decreasing cash but increasing the prepayment balance and reducing the trade payables balance.

The golf industry has shown great resilience in South Australia in the wake of COVID-19. During 2022 financial year we were pleased Golf Australia could make further investment in golf in South Australia with the appointment of Sarah Kelly as State Manager, in addition to the 6 FTE already supporting South Australian clubs and golfers.

I would like to thank the Golf Australia finance team, who have assisted with compiling the 2022 financial report and in particular Rob Armour (GM – Corporate Services) who attend each Board meeting to address any queries. Thanks to Taylor Collison for their advice in managing the share portfolio across the year. Finally would like to thank the Finance Committee of Zoe Dolling, Rod Philips and Kathryn Needs for their insight and contribution during the past 12 months as we look forward to making 2023 a successful year for golf in South Australia

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF GOLF SOUTH AUSTRALIA INCORPORATED**

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Golf South Australia Incorporated (the Entity), which comprises the statement of financial position as at 30 June 2022, the statement of surplus or deficit and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and managements' assertion statement.

In our opinion the accompanying financial report presents fairly, in all material respects, the financial position of the entity as at 30 June 2022 and of its financial performance and its cash flows for the year then ended in accordance with the basis of accounting described in note 1.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the Entity in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – Basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Entity to meet the requirements of the Associations Incorporation Act 1985 (SA). As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 1985 (SA) and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at: http://www.auasb.gov.au/auditors_files/ar4.pdf

This description forms part of our auditor's report.

COMMITTEE'S REPORT FOR THE YEAR ENDED 30 JUNE 2022

Your committee members submit the financial report of Golf South Australia Incorporated (the Association) for the financial year ended 30 June 2022.

Committee Members

The following persons were committee members during the whole of the financial year and up to the date of this report, unless otherwise stated:

John Norman	
Susan Seja	<i>(resigned 23 October 2021)</i>
John Thomas	<i>(appointed 23 October 2021)</i>
Rod Phillips	<i>(Chair - 21 February 2022)</i>
Rob Bengner	
Edwina Grant	<i>(resigned 21 February 2022)</i>
Zoe Dolling	<i>(resigned from Chair)</i>
Kathryn Needs	

Principal Activities

The principal activity of Golf South Australia Incorporated is to act as the peak and controlling body for the advancement, conduct, promotion, management, encouragement and administration of amateur golf, in any form, throughout South Australia for all categories of membership.

Operating Result

The net result of operations attributable to Golf South Australia Incorporated's activities was a loss of \$58,114, (2021: surplus of \$219,027).

Significant Changes

There have been no significant changes to operations during the year.

Events After the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations, or the state of affairs of the Association in future financial years.

Future Developments

The Association expects to maintain the present status and level of operations.

COMMITTEE'S REPORT (CONT)
FOR THE YEAR ENDED 30 JUNE 2022

Indemnifying Officers or Auditors

Insurance premiums have been paid, during or since the end of the financial year, to insure current and former officers against liability in managing the Association. No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an auditor of the Association.

Proceedings on Behalf of the Association

No person has applied for leave of the Court to bring proceedings on behalf of the Association or intervene in any proceedings to which the Association is a party for the purpose of taking responsibility on behalf of the Association for all or any of those proceedings.

The Association was not a party to any such proceedings during the year.

Benefits Received

In the opinion of the Committee of Golf South Australia Incorporated:

- a) During the year ended 30 June 2022 no:
 - i) officer of the Association;
 - ii) firm of which the officer is a member; or
 - iii) body corporate in which the officer has a substantial financial interest,has received or become entitled to receive a benefit as a result of a contract between the officer, firm or body corporate and the Association; and
- b) during the year ended 30 June 2022 no officer of the Association received directly or indirectly from the Association any payment or other benefit of a pecuniary value.

Signed in accordance with a resolution of the Members of the Committee:

STATEMENT BY THE COMMITTEE
FOR THE YEAR ENDED 30 JUNE 2022

The committee members have determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

In the opinion of the Committee Members:

- 1 The financial statements comprising the statement of surplus or loss and other comprehensive income, statement of financial position, statement of cash flows, statement of changes in members funds, and accompanying notes, present fairly the Association's financial position as at 30 June 2022 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements; and
- 2 In the committee members opinion, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they become due and payable.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Chairperson

Member

Dated this 8th day of September 2022

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

Note 1 **Summary of Significant Accounting Policies**

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the South Australian Associations Incorporation Act 1985 and the Association's constitution. The committee has determined that the Association is not a reporting entity.

Reporting Basis of Convention

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated in the notes, current valuations of non-current assets.

The following significant accounting policies which are consistent with the previous period unless otherwise stated, have been adopted in the preparation and presentation of this financial report.

New or Amended Accounting Standards and Interpretations Adopted

The Association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the association.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

(a) Revenue Recognition

Revenue is recognised at the fair value of consideration received or receivable. Amounts disclosed as revenue are net of taxes paid. The following specific recognition criteria must also be met before revenue is recognised:

Affiliation Fees

Revenue from the annual affiliation fee is recognised upon the delivery of the service to the members.

Interest

Interest revenue is recognised when it becomes receivable on a proportional basis taking into account the interest rates applicable to the financial assets.

Grant and Sponsorship Income

Grants and sponsorships are recognised at their fair value where there is reasonable assurance that the amount will be received and the entity will comply with all the attached conditions. Grants and sponsorship relating to costs are deferred and recognised in surplus or loss over the period necessary to match them with the costs that they are intended to compensate.

Tournaments and Other Events

Tournament and other event revenue is recognised at the time the event takes place.

Dividends

Dividends are recognised when received during the financial year and no longer at the discretion of the company.

All revenue is stated net of the amounts of goods and services tax (GST).

(b) Income Tax

No provision for income tax has been raised, as Golf South Australia Incorporated is exempt from income tax under the Income Tax Assessment Act 1997.

GOLF SOUTH AUSTRALIA INCORPORATED

ABN 81 497 939 594

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

Note 1 Summary of Significant Accounting Policies (continued)

(c) Impairment of Assets

At the end of each reporting period, the Association assesses whether there is any indication that individual assets are impaired. Where impairment indicators exist, recoverable amount is determined and impairment losses are recognised in the statement of surplus or loss and other comprehensive income where the asset's carrying value exceeds its recoverable amount. Recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

(d) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand and at bank, and short term deposits with financial institutions with maturities of three months or less, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(e) Trade Receivables

Trade receivables are recognised at original invoice amounts less an allowance for uncollectible amounts. Collectability of trade receivables is assessed on an ongoing basis where debts which are known to be uncollectible are written off. An allowance is made for doubtful debts where there is objective evidence that the entity will not be able to collect all amounts due according to the original terms. On confirmation that the trade receivable will not be collectible, the gross carrying value of the asset is written off against the associated provision.

(f) Investments and Other Financial Assets

Recognition and Initial Measurement

Financial instruments are initially measured at cost (including transaction costs) on trade date, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below:

Term Deposits

Term deposits are measured at amortised cost using the effective interest rate method.

Shares

Shares are subsequently measured at fair value. Where available, quoted prices in an active market are used to determine fair value. All fair value movements are recognised in surplus or loss.

Shares are classified as current assets when they are expected to be sold within 12 months after the end of the reporting period.

(g) Right-of-use Assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Association expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Association has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

GOLF SOUTH AUSTRALIA INCORPORATED

ABN 81 497 939 594

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

Note 1 Summary of Significant Accounting Policies (continued)

(h) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the entity prior to the year end and which are unpaid. These amounts are unsecured and have 30-60 day payment terms.

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of the item of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority are classified as operating cash flows.

(k) Lease Liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Association's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of-use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

(l) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(m) Critical Accounting Estimates and Judgments

The committee members evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends & industry data, obtained both externally and within the Association.
