Ariel Professional Washing Powder Colour superior performance helps you minimize your total operating cost (linen replacement frequency, water use...) and save money for your core business.

Contribute to a more sustainable development

Washing your linen from as low as 30°C and once only will help you save water and energy.

Care for your staff

Ariel Professional Washing Powder Colour superior performance helps save time and efforts to your staff who doesn't need to rewash several times to get rid of tough stains.

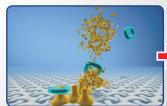

Technical information

Research & Development Corner

Light on Ariel Professional Washing Powder Colour superior technologies on stain removal

Ariel Professional Washing Powder Colour unique technologies act in synergy to ensure the removal of the tough stains Professionals encounter frequently.

Its boosted enzyme **system** breaks the stain into smaller pieces.

Its unique polymers drill into the stain. opening it up to facilitate the penetration of the surfactants.

The multi-surfactants system dissolves and removes pieces of stain which are then rinsed away.
