**TECHNICAL DESCRIPTION**

EAN code:	8001090699121
Appearance:	Liquid
Smell:	Pleasant (perfume)
pH:	10.65
Size:	2L

**SAFETY INSTRUCTIONS**

Please make sure your employees read and understood the product label and your COSHH assessment (Chemical Risk Assessment in EU) before using this product. The label contains directions for use and both label and SDS contain hazard warnings, precautionary statements, first aid procedures and storage information. SDS are available on-line at our website [www.pgpro-msds.com](http://www.pgpro-msds.com) or can be provided to you via the call center.

**WHERE TO USE**

- Safe to use for cleaning and disinfecting most washable interior surfaces, including glass and mirrors.
- Suitable for cleaning and disinfection of high-contact areas such as tables, desk chairs, telephones, remote controls and door handles.

**WHERE NOT TO USE**

- Some types of aluminum could be damaged. On aluminum and waxed or painted surfaces, test product first on a small inconspicuous area before use.
- Faux leather / Vinyl Upholstery
- Not suitable for food and feed areas.
- For large scale glass cleaning use P&G Professional #11 ready to use Glass Cleaner.
