

Safe. Simple. Effective.

## FRONT OF HOUSE

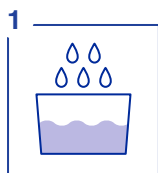

# Beerline Cleaner

Effectively cleans beer pumps, pipelines and tanks

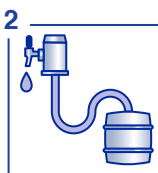

### KEY BENEFITS

- Cleans and sweetens beer pumps and pipelines by simple soaking.
- Works for manual and pressurized pumps.
- Solution turns purple to show when the pipeline is completely clean.

### PROTOCOL OF USE FOR CLEANING AND DISINFECTING

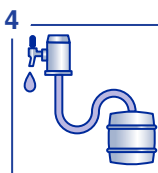

1 Dilute the solution in water (1%).

2 Draw the solution completely through the system until a purple liquid is coming out of the tap.

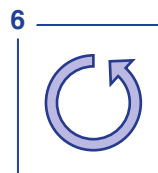

3 Leave solution in line for 5 minutes. The solution will change colour.

4 Draw more solution through the lines until purple.

5 Wait a further 5 minutes.

6 Repeat the process until the solution remains purple after standing. At this point flush the whole system out with clean water until no colour is present in the pipes.

every **experience** counts.™
