OF 4-11 YEAR OLDS ARE MOTIVATED BY THE BENEFITS OF QUORN TO THE FUTURE OF THE PLANET.

## I AM HOPE

I am curious and determined and on a crusade to help heal the planet's problems. I know that reducing the amount of meat I eat can be healthier for me, healthier for animals and the future of our whole world.

Based on a sample of 100 4-11 year olds who took part in a triangle blind taste test of Quorn Dippers against the market leader chicken dipper and a leading supermarket's own label chicken dipper product. The sample size was split 50 / 50 boys and girls and conducted by an independent foodservice research provider in January 2018.
