Neutrogena Evenly Clear Acne Cleanser

NPN 80145644

Product Facts
Medicinal ingredients Salicylic acid 2% w/w
Uses • Helps treat acne pimples.
Warnings For external use only
Ask a doctor or pharmacist before use if you have severe acne or are pregnant/breastfeeding.
When using this product skin irritation and dryness are more likely when using another topical acne product at the same time. If irritation occurs, use only one product at a time. Avoid contact with eyes; if contact occurs, rinse thoroughly with water.
Stop use and ask a doctor if improvement is not apparent within 6–8 weeks or if you develop severe irritation, burning or itching of the skin.
Keep out of reach of children. If swallowed, call a poison control centre or get medical help right away.
Allergy alert: Get medical help right away if you develop hives, swelling of the eyes and mouth, blistering or difficulty breathing.
Directions Adults and children 12 years and older: Wet face. Apply to hands, add water and work into a lather. Massage face gently. Rinse thoroughly. New users: Apply to a small area once daily for three days to test sensitivity. If no discomfort occurs, cover affected area with a thin layer. Start once daily, then gradually increase to two or three times daily if needed. If dryness or peeling occurs, reduce to once daily or every other day.
Other information Store between 15–30°C.
