Agenda and proposed decisions of the extraordinary shareholders' meeting

1. Examination of the special report of the Board of Directors, drawn up by virtue of Article 7:199 of the Belgian Code on Companies and Associations, clarifying the special circumstances in which the authorised capital can be used along with the reasons for doing so.
2. Renewal of the authorisation to the Board of Directors to use the authorised capital and corresponding amendment of the articles of association, specifically point 1 "Authorised capital" under "TRANSITIONAL STIPULATIONS".

PROPOSED DECISION:

Pursuant to articles 7:198 and 7:199 of the Belgian Code on Companies and Associations, the Extraordinary Shareholders' Meeting authorises the Board of Directors, for a term of five years as from the publication in the Annexes to Belgisch Staatsblad / Moniteur belge of the decision of 30 April 2025, to increase the capital of the Company one or more times within the framework of the authorised capital by an overall amount not exceeding EUR 1,936,173.73.

The Meeting accordingly decides to replace the existing text in point 1 "Authorised capital", first until third paragraph under "TRANSITIONAL STIPULATIONS" in the articles of association as follows (hereby clarifying that the fourth paragraph remains unchanged):

"1. Authorised capital

The Board of Directors may increase the authorised capital one or more times by an overall amount not exceeding one million nine hundred and thirty-six thousand one hundred and seventy-three euros and seventy-three cents (EUR 1,936,173.73) for a period of five years commencing on the date of publication in the Annexes to Belgisch Staatsblad / Moniteur belge of the decision of the Extraordinary Shareholders' Meeting of 30 April 2025. This authorisation applies to capital increases that must be subscribed to in cash and to capital increases subscribed to in kind, subject to compliance with the applicable statutory provisions. This authority of the Board of Directors also covers capital increases through capitalisation of reserves or of issue premiums.

In addition to issuing shares of common stock, convertible bonds and subscription rights, the Board of Directors may also increase the capital by issuing non-voting shares, shares with preferred dividend and liquidation rights and convertible shares that can be converted under certain conditions into a smaller or greater amount of common stock shares.

Van de Velde

The Board of Directors is also authorised, for transactions as part of the authorised capital, to abolish or restrict the pre-emptive right granted by law to the Shareholders in the interest of the Company, subject to compliance with the conditions provided in Article 7:191 and following of Belgium's Code on Companies and Associations. The Board of Directors is authorised to restrict or abolish the pre-emptive right of one or more specific persons, even if those persons are not members of staff of the Company or its subsidiaries, except in case of Article 7:201, 3° of Belgium's Code on Companies and Associations."

The Extraordinary Shareholders' Meeting decides that the existing authorisation remains in force until the publication of the new authorisation in the Annexes to Belgisch Staatsblad / Moniteur belge.

3. Renewal of the authorisation to the Board of Directors to use the authorised capital after a public takeover bid and corresponding amendment of the articles of association, specifically point 1 "Authorised capital" under "TRANSITIONAL STIPULATIONS".

PROPOSED DECISION:

Pursuant to article 7:202 of the Belgian Code on Companies and Associations, the Extraordinary Shareholders' Meeting explicitly authorises the Board of Directors, for a term of three years commencing on 30 April 2025, to use the authorised capital from the date of the notification to the Company by Belgium's Financial Services and Markets Authority of a public takeover bid on the shares of the Company.

4. Renewal of the authorisation to the Board of Directors to acquire the Company's own shares and accordingly amendment of point 2. 'Acquisition of treasury shares' under "TRANSITIONAL STIPULATIONS" of the articles of association.

PROPOSED DECISION:

The Extraordinary Shareholders' Meeting decides to renew the authorisation given to the Board of Directors to acquire, within a term of five years commencing on the day on which the authorisation dated 30 April 2025 is published in the Annexes to Belgisch Staatsblad / Moniteur belge, and within the limits set down in law, number of own shares at a price equal to the price at which the shares are listed on a regulated market at the time of that acquisition. The Board of Directors is expressly authorised to dispose of all own listed shares on a regulated market without prior permission of the Shareholders' Meeting. The Board of Directors is authorised to dispose of all own shares of the Company at a price that the Board of Directors sets.

The Extraordinary Shareholders' Meeting also decides to renew the authorisation given to the Board of Directors to acquire and dispose of own shares in accordance with the stipulations of the Belgian Code on Companies and Associations, if this acquisition or disposal is necessary to avoid an imminent severe disadvantage for the Company. The authorisation to acquire shares in the event of an imminent severe disadvantage is granted for a period of three years, commencing on the day on which the authorisation dated 30 April 2025 is published in the Annexes to Belgisch Staatsblad / Moniteur belge. The authorisation to dispose of shares in the event of imminent severe disadvantage is however not limited in time.

The Extraordinary Shareholders' Meeting decides that the aforementioned authorisations also apply to the acquisition and disposal of securities of the Company by its direct subsidiaries within the meaning of Article 7:221 of the Belgian Code on Companies and Associations and in accordance with the stipulations stated therein.

The Extraordinary Shareholders' Meeting decides that the existing authorisations to acquire own shares remain in force until the publication of the new authorisations in the Annexes to Belgisch Staatsblad / Moniteur belge.

The Extraordinary Shareholders' Meeting therefore decides to revise point 2. 'Acquisition of treasury shares', first until sixth paragraph under "TRANSITIONAL STIPULATIONS" as follows (hereby clarifying that the seventh and eighth paragraphs remain unchanged):

"2. Acquisition of treasury shares

The Company may, within the limits set down by law, acquire its own shares and dispose of them in accordance with the stipulations of the Belgian Code on Companies and Associations.

The Board of Directors is authorised to acquire own shares within the limits set down in law at a price equal to the price at which the shares are listed on a regulated market at the time of that acquisition. This authorisation is granted for a period of five years commencing on the day on which the authorisation dated 30 April 2025 is published in the Annexes to Belgisch Staatsblad / Moniteur belge.

The Board of Directors is also explicitly authorised to dispose of all own listed shares on a regulated market without prior permission of the Shareholders' Meeting. The Board of Directors is authorised to dispose of all own shares held by the Company at a price that the Board of Directors sets.

The Board of Directors is authorised to acquire and dispose of own shares in accordance with the stipulations of the Belgian Code on Companies and Associations, if this acquisition or disposal is necessary to avoid an imminent severe disadvantage for the Company. The authorisation to acquire shares in the event of an imminent severe disadvantage is granted for a period of three years commencing on the day on which the authorisation dated 30 April 2025 is published in the Annexes to Belgisch Staatsblad / Moniteur belge. However, the authorisation to dispose of shares in the event of imminent severe disadvantage is not limited in time.

These authorisations may be extended by the Shareholders' Meeting in accordance with the stipulations of the Belgian Code on Companies and Associations.

All authorisations hereby granted also apply to the acquisition and disposal of shares of the Company by its direct subsidiaries within the meaning of Article 7:221 of the Belgian Code on Companies and Associations and in accordance with the stipulations stated therein."

A non-executive director will receive an annual remuneration of 20.000 EUR. Per mandate that this non-executive director has in the Nomination- and Remuneration committee and/or in the Audit- and Risk committee, he will receive an additional annual remuneration of 5.000 EUR (or 7.500 EUR in case of chairmanship of a committee).'

The Board of Directors states that there is no indication the independence of YJC BV can be doubted, except for the fact that the candidate director has already exercised a mandate as non-executive director for 13 years. The Board of Directors is of the opinion that the director in question can still be considered independent during the period of his new appointment as

Van de Velde

A non-executive director will receive an annual remuneration of 20.000 EUR. Per mandate that this non-executive director has in the Nomination- and Remuneration committee and/or in the Audit- and Risk committee, he will receive an additional annual remuneration of 5.000 EUR (or 7.500 EUR in case of chairmanship of a committee).'
