

LEGAL PRICING PAGE

Updated as of 6 July 2023

The below tables set out the applicable Fees per geographical area, depending on the location in which the Merchant is based. For a breakdown of the applicable Services and features in respect of each Product Bundle, please refer to the Product Bundle Description <https://gocardless.com/legal/product-bundle-description>.

Unless otherwise defined herein, capitalised terms have the meaning given to them in the Agreement. All prices listed below are exclusive of VAT.

GoCardless provides preferential pricing for charities in geographical areas where GoCardless supports charities. If you have eligible charity status, to the extent that GoCardless supports charities in your geographical area, you may be entitled to a 25% discount on any Transaction Fees and on the cap which applies to that Transaction Fee.

Merchants must pay: (a) Transaction Fees, which apply to all relevant features in the Product Bundle; (b) Ancillary Fees, which are additional to Transaction Fees charged; and (c) Add-On Features, which are additional to Transaction Fees and Ancillary Fees, and depend on whether (i) such Add-On Features being available in the chosen Product Bundle, and whether (ii) such Add-On Features have been activated.

Transaction Fees

The below table sets out the fee per Transaction, (the "Transaction Fee") for each Product Bundle, for payments processed by GoCardless under the GoCardless Payments Service as part of your Product Bundle. The applicable Domestic Transaction Fee shall apply to all Domestic Transactions*. The applicable International Transaction Fee shall apply to all International Transactions**.

Transactions which exceed the High Value Transaction Threshold as set out in the table below, shall be charged a High Value Transaction Fee (as set out in the table below) in addition to the Domestic Transaction Fee, for the value of the Transaction that is in excess of the High Value Transaction Fee Threshold. International Transactions will not be subject to the High Value Transaction Fee. For example, for a UK based Merchant, for a Transaction of £3,000 GBP, £1,000 will be subject to the 0.3% High Value Transaction Fee as it exceeds the £2,000 High Value Transaction Threshold.

Ancillary Fees

Collections attempted from the Merchant's Customers by GoCardless, on behalf of the Merchant, that do not result in a Successful Transaction and any Chargebacks are subject to the fees set out in the table below ("**Failure Fees**" and "**Chargeback Fees**", respectively). Where the Merchant requests any refunds to a Customer to be processed by GoCardless the refund is also subject to the fees set out in the table below. (the "**Refund Fees**"). Except in respect of the ACH Payment Scheme as well as the SEPA Payment Scheme (but only regarding Merchants located in Germany or Austria), the Chargeback Fee as set out in the table above shall only be charged where the Merchant had an average Chargeback rate of at least 1,5% of all his Transactions in the previous month. Except for the use of the ACH Payment Scheme and the SEPA Payment scheme for Merchants based in Germany and Austria, Merchants with less than 100 Transactions per month won't be charged Chargeback Fees.
