OUTDOOR LIGHTING SERVICES

Updated: 4/30/2026

PGE makes no representations or warranties regarding street lighting equipment, whether included or not included on this list of approved street lighting equipment. Inclusion on this list is not an endorsement of the equipment, nor does it mean that the listed equipment is appropriate for requirements applicable to all street lighting applications. If equipment is not included in this list, it does not reflect whether or not such equipment is appropriate for street light owners other than PGE.

If you have additional questions about this list of streetlighting equipment, please contact PGE's Outdoor Lighting Services Department or your assigned Project Manager.
