

Request for PGE's Electric Service Requirements Book and Design and Construction Guides

If you need copies of one of PGE's public documents, fax or e-mail the form below to the Service Coordinators. PGE will deliver the books to your business. If you prefer delivery to one of our Customer Service or regional office locations, specify the location.

PGE will send no more than 10 books at a time. However, if there is a business need for more than 10 books, contact the Service Coordinator to request additional books.

Allow PGE two weeks to fill your order. Remember, you can access the ESR book online at: <http://www.portlandgeneral.com/esr>

The most up-to-date edition of the ESR book is always found online. When major changes are made to the electric service requirements, supplemental documentation is provided at the website previously listed.
