

Oregon Clean Energy Workforce Coalition selected as a member of the Quality Green Jobs Regional Challenge

THE OREGON CLEAN ENERGY WORKFORCE COALITION, CONVENED BY PGE, HAS BEEN SELECTED BY JOBS FOR THE FUTURE (JFF) TO JOIN AS A MEMBER OF THE QUALITY GREEN JOBS REGIONAL CHALLENGE AND RECEIVE A \$10,000 GRANT.

This first round of funding will allow PGE and our coalition of partners to gain a deeper understanding of regional needs, risks and opportunities related to jobs in the clean energy labor market. The clean energy economy has a role for everyone, and – together with our partners – we’re proud to be a leader in efforts to shape a more inclusive and equitable energy industry.
