

2024 Heat pump offer

Details and conditions

This offer is available for ducted and ductless heat pump systems sold to PGE customers who own their home and are the customer of record located in PGE's service territory where the system is installed.

Details of the offer are as outlined:

- Customer receives a \$200 instant discount courtesy of a PGE-approved contractor. See the below list of participating contractors.
- Participating contractors are offering the following special offers from **May 1, 2024 to June 30, 2024**:
 - **Ducted heat pump offer:**
 - Install a new Ruud RP17 heat pump system and the indoor unit is free. A value of up to \$3,585.
 - **Ductless heat pump offer:**
 - Install a Daikin ductless heat pump system and receive one free wall head. A value of up to \$1,500. Model numbers included are the RX series, RXL, MXS, MXL, RXM.
- **If customer's heat pump replaces electric heat** in the main area of the home, customer may receive up to [\\$3,000 cash incentive](#) for a ducted heat pump and up to [\\$1,800 cash incentive](#) for a ductless heat pump from Energy Trust of Oregon.
- **Not every installation will qualify for Energy Trust cash incentives and some installations may qualify for cash incentives of lesser or greater value.** Consult Energy Trust and a participating PGE-approved contractor for details. Cash incentives are subject to change.
- Financing options available through PGE-approved contractors.
- Offers are available for other system types; systems will be customized to best meet you and your home's needs. Consult a participating PGE-approved contractor for details.

Customer must install a qualifying heat pump system and choose from the following ducted or ductless models and participating contractors.
