

# Confederated Tribes of Warm Springs, in partnership with PGE, receives \$250M for critical transmission upgrades

**ENHANCEMENTS TO THE BETHEL-ROUND BUTTE TRANSMISSION LINE WILL ADVANCE TRIBAL ENERGY LEADERSHIP, IMPROVE RELIABILITY AND ACCELERATE DECARBONIZATION IN OREGON.**

A \$250 million grant from the U.S. Department of Energy will help the Confederated Tribes of Warm Springs, in partnership with PGE, complete vital transmission upgrades. This significant contribution to the reliability of Oregon's clean energy infrastructure will enable enhancements to the existing 230 kV Bethel-Round Butte Transmission line – a crucial artery in the region's transmission system.
