

2023 Heat pump offer

Details and conditions

This offer is available for ducted and ductless heat pump systems sold to PGE customers who own their home and are the customer of record located in PGE's service territory where the system is installed.

Details of the offer are as outlined:

- Customer receives a \$200 instant discount courtesy of a PGE-approved contractor. See the below list of participating contractors.
- Participating contractors are offering the following special offers:
 - **Trane ducted heat pump offer includes either:**
 - Special financing or \$1,200 homeowner rebate to customer who purchases an XV20i system with matching indoor unit and Trane Home control.
 - Special financing or \$1,000 homeowner rebate to customer who purchases an XV19 system with matching indoor unit and Trane Home control.
 - Special Financing or a \$800 homeowner rebate to customer who purchases an XV18i system with matching indoor unit and Trane Home control.
 - **Mitsubishi ductless heat pump:**
 - One free indoor unit with the purchase of a single zone or two-zone outdoor unit, value up to \$1,000.
- **If customer's heat pump replaces electric heat** in the main area of the home, customer may receive up to [\\$700 cash incentive](#) for a ducted heat pump and up to [\\$500 cash incentive](#) for a ductless heat pump from Energy Trust of Oregon.
- If an extended capacity heat pump is installed, the maximum cash incentive may be even more. For example, a customer who qualifies for [Energy Trust's Savings Within Reach](#) or a landlord installing into a rental may qualify for a \$1,650 incentive from the Energy Trust.
- **Not every installation will qualify for Energy Trust cash incentives and some installations may qualify for cash incentives of lesser or greater value.** Consult Energy Trust and a participating PGE-approved contractor for details. Cash incentives are subject to change.
- Financing options available through PGE-approved contractors.
- Offers are available for other system types; systems will be customized to best meet you and your home's needs. Consult a participating PGE-approved contractor for details.

Continued on next page.
