1	Would sub-consultants be considered as part of the "Offeror" for purposes of demonstrating the necessary experience and work history? This is in relation to "2. Offeror Experience" noted in <i>Annex C - Mandatory Evaluation Criteria</i> on pages 49-51 of the RFP.	06/18/2025	Yes. However, the Offeror and the subconsultants cannot pool their abilities to satisfy any single mandatory requirement of this RFP. Wherever substantiation of a mandatory requirement is required, the Offeror is requested to indicate which sub-consultant satisfies the requirement. For example, an Offeror might have three sub-consultants X, Y, and Z. If the RFP requires: (a) that the Offeror have 3 years of experience providing permitting services, and (b) that the Offeror have 2 years of experience with EFSC, then each of these two requirements can be met by a different sub-consultant. However, for a single requirement, such as the requirement for 3 years of experience providing permitting services, the Offeror cannot indicate that each of its sub-consultants X, Y, and Z has one year of experience, totaling 3 years. Such a response will be declared non-responsive.	06/18/2025	N
2	In section 2.2 and 2.4 of the Offeror Experience section in <i>Annex C - Mandatory Evaluation Criteria</i> on pages 49-51 of the RFP, the first sentence notes a two-year experience requirement, but this is followed by "a. The Offeror must provide brief project summaries to substantiate seven years of experience". Please confirm that the requirement is two years for 2.2. and 2.4.	06/18/2025	<p>Yes. The requirement is a minimum of two years of experience for each of section 2.2. and section 2.4, and a minimum of three years of experience for section 2.6 of <i>Annex C - Mandatory Evaluation Criteria</i>.</p> <p>Please see <i>RFP Amendment #1</i> for this change to <i>Annex C - Mandatory Evaluation Criteria</i>.</p>	06/18/2025	Y
