1	Page 10 of the RFP states that offerors should "redact any information that can be used to identify the Offeror from all but the title page of each separate PDF document". Can you please clarify if this includes all Annexes? For example, in Annex C offerors are asked to provide their Company Name. Should we redact this information?	December 15, 2025	Yes, please include any specific company information on only the first page of each separate PDF document. The same is true for all the annexes. In any area where it says to include company information, please write, "refer to the title page".	December 18, 2025	N
2	Does PGE have an anticipated budget for this project or a desired budget range?	December 15, 2025	Yes, but PGE cannot disclose the projected budget for this project until after the contract is negotiated and the winning Offeror is selected.	December 18, 2025	N
