Manufacturer address			
Contact name / title		Email / phone	

2. MANUFACTURED PRODUCTS

Product name	Model / part no. and description	Qty.	Final manufacturing location (City, State)	Domestic components >55% of total cost?
	Base Transformers	4		☐ Yes ☐ No
	Optional Transformers	4		☐ Yes ☐ No
				☐ Yes ☐ No

3. MANUFACTURER CERTIFICATION

By signing below, the authorized representative certifies that each listed product is a manufactured product produced in the United States for purposes of the Build America, Buy America Act, and that:

1. The final manufacturing process occurred in the United States; and

2. The cost of components mined, produced, or manufactured in the United States is greater than 55% of the total cost of all components, calculated in accordance with 2 CFR 184.5.

This certification covers products, materials, components, and assemblies furnished directly and through suppliers, subcontractors, and lower-tier suppliers, as applicable. The Manufacturer has reviewed sufficient information to support this certification and remains responsible for its accuracy.

Upon request, the Manufacturer will provide reasonable supporting documentation, including bills of material, country-of-origin information, supplier certifications, invoices, shipping records, and manufacturing records; will retain supporting records as required; and will promptly notify PGE if any statement changes.

4. AUTHORIZED REPRESENTATIVE

Printed name		Title	
Company		Date	
Email		Phone	
Signature			

Attach additional product rows or supporting documentation when necessary.

Regulatory reference: 2 CFR Part 184, including 2 CFR 184.3 and 184.5.
