

2022 Heat pump offer

Details and conditions

This offer is available for ducted and ductless heat pump systems sold to PGE customers who own their home and are the customer of record located in PGE’s service territory where the system is installed.

Details of the offer are as outlined:

- Customer receives a \$200 instant discount courtesy of a PGE-approved contractor. See the below list of participating contractors.
- System manufacturers, Bryant and Carrier, are offering up to \$500 in factory rebates or cash incentives for qualifying models.
- Qualified PGE customers can also earn \$25 when you enroll in the [PGE Smart Thermostat program](#), plus \$25 for each season you are able to participate (up to \$75 total).
- **If customer’s heat pump replaces electric heat** in the main area of the home, customer may receive up to [\\$700 cash incentive](#) for a ducted heat pump and up to [\\$500 cash incentive](#) for a ductless heat pump from Energy Trust of Oregon.
- **Not every installation will qualify for Energy Trust cash incentives and some installations may qualify for cash incentives of lesser or greater value.** Consult Energy Trust and a participating PGE-approved contractor for details. Cash incentives are subject to change.
- Financing options available through PGE-approved contractors.

Customer must install a qualifying heat pump system and choose from the following ducted or ductless models and participating contractors:
