- Remember to say your name before you speak so that virtual participants know who is speaking

Facilitation Style & Group Agreements

- Take care of your personal needs as they come up, let facilitator know if you need to step away
- This is a learning space for everyone
- Participate by sharing your responses in the chat, taking written notes, or by raising your hand to speak
- Welcome diverse perspectives; it's okay to disagree
- Facilitator will call on people to speak. This will be done in a way that centers our equity priority communities and not in first come, first serve
- I will use facilitator's privilege and may need to gently interrupt to have you close out your comments and move the meeting forward
- Move up your talking or move up your listening
- Assume and have good intentions
- You do not need to have perfect/fully formed thoughts to share and discuss your ideas with the group
- **These meetings will be recorded with the agreement that access is for CBIAG members, PGE, and third-party facilitators.**
- Any others you all want to add?
