

Residential Customer Data Release and Load Management Authorization

For ChargePoint charging stations:

I have enrolled in Portland General Electric's ("Offeror") Residential Electric Vehicle Charging Pilot Program (the "Program") pursuant to which I will receive rebates and rewards for participation. I understand that, as a condition to my participation in the Program, I am required to authorize ChargePoint, Inc., to release usage information (the "Usage Information") generated by my ChargePoint charging station and to assist Offeror with certain energy management tasks that I have authorized Offeror to perform in connection with the Program. I understand that the release of such information may include a release to Offeror of certain personally identifiable information about me, including, but not limited to, address, charging station's serial number, charging station's energy usage, charging habits, charging station's internet connectivity, etc. (the "PII"). I also understand and agree that ChargePoint is not responsible for, nor has any authority with respect to, Offeror's privacy practices or how Offeror may use any information about me. In consideration for being allowed to participate in the Program, I hereby authorize ChargePoint to release the Usage Information and the PII and to assist Offeror with performing the energy management tasks where applicable, and hereby forever release and disclaim, on behalf of myself, my heirs and assigns, ChargePoint from any and all claims I may have against it, its employees, officers and directors, arising out of or in connection with such release. I understand and agree that the Program is being offered solely by the Offeror and not by ChargePoint. I hereby agree that ChargePoint shall have no liability whatsoever from Offeror's failure to deliver any of the benefits offered by Offeror in connection with the Program, and hereby forever release and disclaim, on behalf of myself, my heirs and assigns, ChargePoint from any and all claims I may have against it, its employees, officers and directors arising out of or in connection with Offeror's failure to deliver such benefits.
