### PGE Files Ministerial OATT Cleanup for Attachments M-1 and O Appendices

Docket No. ER26-497-000

Today, Portland General Electric Company filed with FERC a ministerial cleanup filing to ensure PGE's OATT correctly reflects language in Tariff Attachment M-1 and Attachment O Appendices accepted by the Commission, in compliance with Order No. 904 and Order Nos. 2023 and 2023-A. The transmittal letter and tariff sheets are provided in the FERC 205 Filing folder to the left.
