

Oregon Clean Energy Workforce Coalition selected as one of six final winners in the Quality Green Jobs Regional Challenge

THE OREGON CLEAN ENERGY WORKFORCE COALITION, CONVENED BY PGE, HAS BEEN SELECTED BY JOBS FOR THE FUTURE (JFF) AND THE ARES CHARITABLE FOUNDATION TO RECEIVE A \$750,000 GRANT.

As one of six finalists selected by JFF throughout the nation, this third round of funding will allow PGE and coalition partners to collaborate with community-based organizations on job training programs and connect job seekers to careers in the clean energy sector. Previous awards from JFF supported a statewide market assessment to better understand workforce needs and opportunities in Oregon.
