

2026 Heat Pump Offer

Details and Conditions

This offer is available for ducted and ductless heat pump systems sold to PGE customers who own their home and are the customer of record located in PGE's service territory where the system is installed.

Details of the offer are as outlined:

- Participating contractors are offering the following special offers from **July 1, 2026, to August 31, 2026:**
 - **Trane ducted heat pump offer includes:**
 - Purchase a qualifying high-efficiency inverter ducted outdoor unit, matching indoor unit and a Trane matching control, and receive up to \$2,000 as an instant rebate, or special financing.
 - **Mitsubishi ductless heat pump offer:**
 - Purchase a qualifying Mitsubishi ductless system and receive a \$600 rebate.
- Customer receives a \$200 instant discount with the installation of a new heat pump system courtesy of a PGE-approved contractor.
- **If a customer's heat pump replaces electric heat** in the main area of the home, customer may receive up to [\\$3,000 cash incentive](#) for a ducted heat pump and up to [\\$1,800 cash incentive](#) for a ductless heat pump from Energy Trust of Oregon.
- **Not every installation will qualify for Energy Trust of Oregon cash incentives, and some installations may qualify for cash incentives of lesser or greater value.** Consult Energy Trust of Oregon and a participating PGE-approved contractor for details. Cash incentives are subject to change.
- Financing options available through PGE-approved contractors.
- Offers are available for other system types; systems will be customized to best meet you and your home's needs. Consult a participating PGE-approved contractor for details.
