Portland, OR, 97204

REQUEST FOR PROPOSAL ("RFP")

Environmental Permits and Land Use Authorizations for the Warm Springs Power Pathway Project

RFP Number: PGE01-GID05-SH-004

THIS RFP AMENDMENT #2 IS RAISED TO:

1. Respond to supplier questions;
2. Amend the Mandatory Evaluation Criteria in Annex C of the RFP; and
3. Amend the Point-Rated Evaluation Criteria in Annex D of the RFP.

THIS RFP AMENDMENT #2 IS HEREBY AMENDED AS FOLLOWS:

1. **DELETE** 1.3 to 1.20 from *Annex C - Mandatory Evaluation Criteria* on pages 47-48 of the RFP, and **REPLACE** it with the attached pages titled "Annex I - Offeror Profile Information."
2. **DELETE** "Each project example will be worth a maximum of 10 points, for a total of 30 points for three (3) project examples but only the three (3) best project examples will be scored" from *Annex D - Point-Rated Evaluation Criteria* on page 54 of the RFP, and **REPLACE** it with:
 - Each of the three projects will be given a rating from 0 to 5. Then the Proposal Evaluators will take the average of the three ratings to get the rating for point rated criterion #1.
3. **DELETE** "Each project example will be worth a maximum of 15 points, for a total of 30 points for two (2) project examples" from *Annex D - Point-Rated Evaluation Criteria* on page 55 of the RFP, and **REPLACE** it with:
 - Each of the two projects will be given a rating from 0 to 5. Then the Proposal Evaluators will take the average of the two ratings to get the rating for point rated criterion #2.

ALL OTHER INFORMATION IN THIS RFP REMAINS THE SAME.

ANNEX I - OFFEROR PROFILE INFORMATION

The Offeror should respond to the following criteria specified below.

1. The Offeror must define their core business, mission and vision statements.
2. The Offeror must provide the following information about their company:

Background Information	Company (Headquarters)	Parent (if applicable)
Legal name of company as it appears on IRS Form W-9		
Mailing address of company as it appears on IRS Form W-9		
Country		
Federal Tax ID		
Year company was founded		
D&B Number		
Website URL		
Number of employees		
Annual revenue		

3. The Offeror must describe the competitive advantage that their company possesses over other potential companies.
4. The Offeror must provide an organization chart(s) showing an overall view of their company's organization with the names and titles of the principals of the company.
5. The Offeror must specify whether their company is currently under the control of any other corporation or organization or is actively involved in any publicly announced activity which could materially change the composition of their business (e.g. mergers and acquisitions activity, etc.).
6. The Offeror must indicate whether their company is a member of any trade associations or similar organizations. If yes, list which ones and describe what role their company plays.
7. The Offeror must indicate whether their company complies or certifies with any formal quality standards or programs (i.e. Six Sigma, ISO 9000). Please provide the type of certification, when their company was first certified, and when their company was most recently certified.
8. The Offeror must indicate whether their company acquired any companies or has been acquired by another company in the past five years? If so, please explain.

9. The Offeror must indicate whether their company has received any awards for environmental services involving routing and site selection, resource surveys, assessments, and plans, licensing and permitting, environmental compliance, and public involvement for transmission line projects. If yes, please provide the names of the award, date it was given, and the sponsor of the award.
10. The Offeror must describe any major trends, issues and/or opportunities in the environmental, permitting, engineering, and construction services market that might be relevant to PGE.
11. The Offeror must indicate how many clients in the utilities industry have engaged their company in environmental services involving routing and site selection, resource surveys, assessments, and plans, licensing and permitting, environmental compliance, and public involvement for transmission line projects, and whether they have any insights to share that are specific to utility companies.
12. The Offeror must indicate how many total clients it currently serves.
13. The Offeror must indicate how many accounts are similar in size and scope to PGE.
14. The Offeror must indicate whether it has ever defaulted on a contract? If so, where, and why?
15. The Offeror must indicate whether there were any lawsuits against the Offeror? If yes, provide a summary and status of the lawsuit.
16. The Offeror must indicate which clients did not renew their contracts with their company during the past three years and the reasons why they were not able to retain those clients.
17. The Offeror must provide references from three active clients (in the below table) that they currently serve whom PGE may contact. Please include customers in the utility industry, if possible.

Event	Client #1	Client #2	Client #3
Company Name of Client			
Type of Organization of Client			
Client First and Last Name			
Email address of Client			
Phone number of Client			

Description of services provided to the client			
Duration of relationship with client			

18. The Offeror must provide a designated contact from their company that will receive all future communications regarding this RFP.
