

# Confederated Tribes of Warm Springs, in partnership with PGE, receives \$250M for Warm Springs Power Pathway

**ENHANCEMENTS TO THE BETHEL-ROUND BUTTE TRANSMISSION LINE WILL ADDRESS CRITICAL TRANSMISSION CONSTRAINTS AND ENABLE THE DELIVERY OF ENERGY TO CENTERS OF DEMAND.**

A \$250 million grant from the U.S. Department of Energy will help the Confederated Tribes of Warm Springs, in partnership with PGE, complete vital transmission upgrades. This significant contribution to the reliability of Oregon's energy infrastructure will enable enhancements to the existing 230 kV Bethel-Round Butte Transmission line – a crucial artery in the region's transmission system.
